# •..... Strategic Use Of Funds .....•

## Objective:

To promote equitable recovery from COVID-19 in Chatham County by addressing the needs of vulnerable populations and investing in projects that prioritize inclusivity and community well-being.

**Chatham County is effectively utilizing funds to address various aspects of PUBLIC HEALTH, to mitigate NEGATIVE ECONOMIC IMPACTS, to implement INFRASTRUCTURE projects contributing to community resilience, to ensure the continuity of essential government services via REVENUE REPLACEMENT, and via efficient ADMINISTRATION to guarantee that funds are managed transparently and successfully.**
