A waiver of fees is typically granted only to non-profit organizations that are defined as organizations that are classified as non-profit by the federal Internal Revenue Service and are exempt from federal income taxes under Internal Revenue Service regulations. Churches are considered non-profit by the Internal Revenue Service, and thus qualify for a waiver. Exemption from registration and payment of business taxes does not exempt any such business from compliance with Chatham County's zoning, building code and other regulations. Any exemption granted shall be subject to revocation in the event that any said organization should fail to maintain its tax-exempt status.
