

## **Savannah Spill Response Corporation**

**Savannah Spill Response Corporation** is a 501 (c) non-profit cooperative that provides our members with the training and resources required to meet OPA 90 requirements.

SSRC's 14 Member facilities are on or near the Savannah River and work together to protect our environment and meet regulatory requirements.

SSRC has 8 response trailers and 5 boom reels at appropriate locations on the Savannah River. These resources are maintained by Moran Environmental Recovery and available for all emergency response.

SSRC conducts quarterly meetings and annual training in support of OPA 90 NPREP requirements and responsibilities.

### **SSRC history**

SSRC was formed in the 1990's to provide coordinated and efficient response for OPA 90 requirements in the Savannah River basin.

### **Governmental and Regulatory Partners**

United States Coast Guard

US Fish & Wildlife Service

National Oceanic and Atmospheric Administration

Georgia Department of Natural Resources

Environmental Protection Division

Chatham Emergency Management Agency

City of Savannah Emergency Management

Savannah Fire Department

Garden City Fire Department

### **Response Partners**

Moran Environmental Response

O'Brien's Response Management

TriState Bird Rescue and Research
