I. INTRODUCTION

The emergency support function of firefighting services involves direction and coordination, operations and follow-through during an emergency or disaster.

A. Purpose

This ESF provides a comprehensive mechanism to ensure appropriate utilization of local fire resources before and after the impact of a disaster. This will include but is not limited to the detection and suppression of urban, rural, and wildland fires resulting from, or occurring coincidentally with a significant natural or man-made disaster.

B. Scope

ESF 4 involves the management and coordination of firefighting resources in the detection and suppression of fires, during rescue situations, and when mobilizing and coordinating personnel, equipment, and supplies in support of local entities.

ESF 9, Search and Rescue and ESF10, Hazardous Materials, will be collocated with ESF 4 and are integral components of the function of ESF 4

support agencies. In preparation for and execution of its fire protection mission, ESF 4 will:

1. Preparedness

- a. Maintain current inventories of fire service facilities, equipment, and personnel throughout the County.
- b. Organize and train fire service emergency teams to rapidly respond to requests for assistance.
- c. Monitor weather and hazardous conditions that contribute to increased fire danger.
- d. Maintain personnel and equipment in a state of readiness appropriate to existing and anticipated emergency conditions to include mobilizing resources and staging them at various locations.
- e. Based on hazardous conditions, conduct fire prevention and education activities for the public.
- f. Participate in exercises and training to validate this annex and supporting SOPs.
- g. Ensure all ESF 4 personnel integrate NIMS principles in all planning.

2. Response

- a. Support local fire departments and the Forestry Commission with appropriate resources to include mobilizing and deploying firefighting teams and resources as needed.
- b. Coordinate with GEMA for use of state assets to support firefighting operations.
- c. Monitor status of firefighting resources committed to an incident.
- d. Maintain staging area locations.
- e. Plan for and establish relief resources to replace or rotate with committed resources for extended operations.
- f. Support fire investigations, as requested.
- g. Obtain and submit fire situation and damage assessment reports and provide information to EOC.
- h. Establish communications with the State Regional Fire Coordinator, when activated, to coordinate fire service response beyond the capability of County.
- i. When the situation dictates, coordinate with GEMA and/or SOC to invoke mutual aid agreements.
- j. Once resources are requested, provide for direct liaison with fire chiefs in affected areas to coordinate requests for specific assistance.
- k. Require supporting agencies maintain appropriate records of cost incurred during an event.
- l. Document any lost or damaged equipment, any personnel or equipment accidents.

3. Recovery

- a. Maintain adequate resources to support local operations and plan for

- a. a reduction of resources.
- b. Conduct reviews of incident actions with teams involved to improve future operations.
- c. Inventory lost or damaged equipment and record any personnel injuries or equipment accidents.
- d. Anticipate and plan for arrival of and coordination with state ESF 4 personnel in the EOC and the Joint Field Office (JFO).
- e. Inform agencies that provided resources where to send records for costs incurred during an event.

4. Mitigation

- a. Support and plan for mitigation measures.
- b. Support requests and directives from the state concerning mitigation and/or re-development activities.
- c. Document matters that may be needed for inclusion in agency or state/federal briefings, situation reports and action plans.
