I. INTRODUCTION

The emergency support function of agriculture and natural resources involves direction and coordination, operations and follow-through during an emergency or disaster.

A. Purpose

This ESF provides operational guidance to those who are assigned to work this ESF. This ESF has been established to support provision of nutrition assistance, management of diseases, food safety, and to protect significant properties.

1. Actions undertaken through ESF 11 are coordinated with and conducted cooperatively with state and local incident management officials and with private entities.
2. Each supporting agency is responsible for managing its respective assets and resources after receiving direction from the primary agency for the incident.
3. Food Safety and Inspections are activated upon notification of the occurrence of a potential or actual disaster or emergency by the Department of Public Health.
4. Actions undertaken are guided by and coordinated with County and local emergency preparedness and response officials and State and Federal officials and include existing USDA internal policies and procedures.
5. Actions undertaken under ESF 11 to protect, conserve, rehabilitate, recover and restore resources are guided by the existing internal policies and procedures of the primary agency for each incident.
6. The primary agency for each incident coordinates with appropriate ESFs and other annexes to ensure appropriate use of volunteers and their health and safety and to ensure appropriate measures are in place to protect the health and safety of all workers.
7. Control and eradication of an outbreak of a highly contagious or economically devastating animal/zoonotic disease, highly infective exotic plant disease, or economically devastating plant pest infestation.
8. Assurance of food safety and food security.
9. Protection of natural and cultural resources and historic property resources before, during, and/or after a disaster or emergency.

B. Scope

To provide for the following functional responsibilities:

Identify, secure and distribute food, bottled beverages, and supplies, and support the provision for sanitary food storage, distribution, and preparation during an emergency or disaster; Provide for mitigation, response and recovery to natural disasters, and/or acts of terrorism affecting animals, agriculture production, and the food sector; Assist agriculture in an outbreak of a highly infectious/contagious or economically devastating animal/zoonotic disease, or a highly ineffective or economically devastating plant pest disease or infestation; Assist with agriculture production, animal industry, and wildlife adversely affected by a disaster, either natural or man-made; and, Conserve,

rehabilitate, recover and restore natural, cultural, and historic properties prior to, during, and after a man-made or natural disaster.

1. Preparedness

- a. Maintain an accurate roster of personnel assigned to perform ESF 11 duties during a disaster.
- b. Identify and schedule disaster response training for ESF 11 personnel.
- c. Maintain current food resource directories to include maintaining points of contact.
- d. Identify likely transportation needs and coordinate with ESF 1.
- e. Ensure all ESF 11 personnel integrate NIMS principles in all planning. As a minimum, primary action officers for all ESF 11 agencies will complete ICS 200, 300, and 700 courses.

2. Response

- a. Lead support agencies will maintain a roster of personnel assigned to perform ESF 11 duties during a disaster.
- b. Coordinate with ESF 6 and ESF 5, regarding mass feeding sites established by responding emergency management agencies.
- c. ESF 11 will coordinate with EMA and Public Health to update lists of all available provision of medical services with appropriate agencies.
- d. ESF 6 will provide a list of mass care sites requiring restoration of services to EOC Operations.
- e. ESF 6 will coordinate with ESF 13 regarding additional security resources, if needed, at mass care shelters.

3. Recovery

- a. ESF 11 will coordinate with ESFs 5, 6, and 8 to establish or support existing mass feeding sites operated to ensure optimal access for public service based on emergency needs.
- b. ESF 11 will coordinate with State agencies for the provision of food and water to mass feeding sites, if necessary.

4. Mitigation

- a. Support and plan for mitigation measures.
- b. Support requests and directives resulting from GEMA and/or other state agencies and federal partners concerning mitigation and/or re-development activities.
- c. Document matters that may be needed for inclusion in agency, county, or state/federal briefings, situation reports and action plans.
- d. Work to educate citizens on disaster preparedness and disaster mitigation activities.

II. CONCEPT OF OPERATIONS

A. Natural Disaster and Animals, Animal Industry and Wildlife

1. Strategy

The agency assigned primary responsibility for ESF 11 will coordinate with appropriate agencies and organizations to ensure operational readiness. Agencies with responsibilities for this section of ESF 11 will coordinate with the Georgia Department of Agriculture (GDA) and the Georgia Department of Natural Resources (DNR), and the lead state agencies for ESF 11. The GDA will develop and maintain Standard Operating Procedures to include, but not limited to poultry, cattle, swine, dairy, equine, goats, sheep, and companion animal industries for a natural disaster. DNR will develop and maintain Standard Operating Procedures regarding aquaculture, seafood, wildlife, and exotic animals for natural disasters and the preservation of natural, cultural, and historic resources.

2. Actions

a. Mitigation/Preparedness

- i. Develop mutual aid agreements with professional associations and private agencies/organizations.
- ii. Coordinate with ESF 6 in identifying potential pet friendly shelters near approved emergency American Red Cross shelters.
- iii. Participate in and/or conduct exercises or tests regularly, to validate this ESF and related SOPs.
- iv. Prepare, in conjunction with GEMA, public service announcements (PSAs) to increase public awareness regarding pet options and animal directives.
- v. Participate in drills and exercises to evaluate animal and animal industry response capability.

b. Response/Recovery

- i. Support the EMA-EOC with all available resources.
- ii. Coordinate local emergency response with regional and state systems.
- iii. Request additional personnel and equipment for triage and shelter facilities, when necessary.
- iv. Manage and direct evacuation of animals from risk areas and provide technical assistance to prevent animal injury and disease dissemination.
- v. Obtain additional supplies, equipment, personnel, and technical assistance from support agencies and the private sector.

- vi. Provide assistance and care for livestock and other animals impacted by the disaster. If this assistance and care cannot be provided locally, request assistance from ESF 11 through the SOC.
- vii. Provide information to state ESF 11 on all available animal shelter facilities and confinement areas identified, before, during and after the disaster.
- viii. Assist with the evacuation of animals from risk areas and provide technical assistance to prevent animal injury and disease dissemination. Request additional assistance from state ESF 11 as needed.
- ix. Support GA-SART(s) as necessary.
- x. Coordinate with supporting agencies and Volunteer Agencies Active in Disaster (VOAD) for additional animal emergency sheltering and stabling for both large and small animals.
- xi. Restore equipment and supplies to a normal state of operational readiness.
- xii. Maintain financial records on personnel, supplies, and other resources utilized. Report to EMA upon request.
- xiii. Resume day-to-day operations.

B. Nutrition Assistance and Food Safety

1. Strategy

The agency assigned primary responsibility for ESF 11 will coordinate with appropriate agencies and organizations to ensure operational readiness. Agencies with responsibilities for this section of the ESF, will coordinate with the EMA, GDA, and DNR. This function will be coordinated with and involve other support agencies and organizations.

2. Actions

a. Mitigation/Preparedness

- i. Identify agencies and organizations responsible for food safety inspections and monitoring and coordinate MOUs with appropriate entities.
- ii. Maintain procedures and responsibilities for food inspection and response to threatened food supplies.
- iii. Establish a system for the notification process of suspected or adulterated food supplies.
- iv. Participate in tests and exercises to evaluate communication with other agencies with food safety and security duties.
- v. Coordinate with ESF 6, the response to mass food distribution from secured sources.
- vi. Coordinate the development of an operational plan that will ensure timely distribution of food and drinking water.

- vii. Assess the availability of food supplies and storage facilities capable of storing dry, chilled, or frozen food.
- viii. Assess the availability of handling equipment and personnel for support.
- ix. Develop notification procedures for mobilizing food services, personnel, and resources.

b. Response/Recovery

- i. Coordinate with state and local agencies and authorities for requested support if county agencies are overwhelmed.
- ii. Identify proper state and federal agencies to contact in the event of suspicious activity contributing to adulterated food supplies.
- iii. Provide guidance for immediate local protective actions and reports, and establish communication with GDA and the Department of Human Resources (DHR).
- iv. Work with local EMA to determine critical food needs of the affected population in terms of numbers of people and their location.
- v. Coordinate community resources and personnel to assist with delivery services and/or distribution as necessary for secured food supplies.
- vi. Provide assistance in support of ESF 6 Mass Care, establishing distribution sites and requirements for distribution.
- vii. Establish linkages with volunteer and private agencies/organizations involved in congregate meal services.
- viii. Secure food, transportation, equipment, storage, and distribution facilities.
- ix. Initiate procurement of essential food and supplies not available from existing inventories.
- x. Refer victims needing additional food to volunteer and private agencies/organizations.
- xi. Coordinate with appropriate law enforcement in events where contamination of the food supply with a chemical or biological agent may have been suspicious or intentional.
- xii. Designate certain individuals to serve as expert points of contact for law enforcement.
- xiii. Provide for communication, surveillance, and response with all appropriate agencies in response to an act of agro-terrorism.
- xiv. Coordinate public information and provide updates for ESF 15 to distribute to the public and media.
- xv. Maintain financial records on personnel, supplies, and resources utilized, and report expenditures to local EMA and GEMA upon request.
- xvi. Resume day-to-day operations.

C. Animal and Plant Diseases and Pests

1. Strategy

The agency assigned primary responsibility for ESF 11 will coordinate with appropriate agencies and organizations to ensure operational readiness. Agencies with responsibilities for this section of the ESF, will coordinate with the EMA, GDA, and DNR. This function will be coordinated with and involve other support agencies and organizations.

2. Actions

a. Mitigation/Preparedness

- i. Develop mutual aid agreements with government agencies, professional associations, and private agencies/organizations.
- ii. Work with GDA and DNR to train first responders, community leaders, and the agricultural industry at the awareness level in agro-security and agro-terrorism.
- iii. Work with GDA and DNR to provide for surveillance of foreign animal diseases or an animal disease, syndrome, chemical, poison, or toxin that may pose a substantial threat to the animal industries, aquaculture or seafood industries, the economy, or public health of the state.
- iv. Provide for surveillance of pests which may pose a potential or substantial threat to agriculture, horticulture, the economy, or the public health of the state.
- v. Develop local plans and resources to enhance awareness of surveillance for early detection of animal health emergencies and agro-terrorism.
- vi. Conduct and/or participate in exercises, training sessions, and workshops to assist local communities and support agencies/organizations.
- vii. Encourage support agencies to develop emergency operations plans that detail their support functions for ESF 11.

b. Response/Recovery

- i. Work with GDA and other appropriate state agencies to coordinate the collection of samples, ensure proper packaging and handling, and deliver them to designated laboratories for testing.
- ii. Coordinate the crisis response and the resulting consequences, as well as cooperate with law enforcement officials and the State of Georgia in criminal investigations, if a terrorist act is suspected in connection with an agriculture, animal, or food incident.
- iii. Work with GDA to coordinate the decontamination and/or destruction of animals, plants, cultured aquatic products, food, and their associated facilities as determined necessary.
- iv. Support GDA's efforts to quarantine, stop sale, stop movement, and place other restrictions under GDA authority of animals,

- plants, equipment, and products as necessary to control and eradicate diseases and pests.
- v. Secure supplies, equipment, personnel and technical assistance from support agencies/organizations, and other resources to carry out the response plans associated with animal health emergency management or any act of agro-terrorism that may pose a substantial threat to the state.
 - vi. Manage and direct evacuation of animals from risk areas and provide technical assistance to prevent animal injury and disease dissemination.
 - vii. Support any identified County Agriculture Response Teams(CARTs) and other local emergency response teams with the statewide support network and the State Agriculture Response Teams (GA-SARTs).
 - viii. Determine need for mutual aid assistance and implement requests for assistance through local mutual aid agreements or through GEMA for state assistance, or mutual aid assistance through agreements such as the Emergency Management Assistance Compact (EMAC).
 - ix. Request Veterinary Medical Assistance Team (VMAT) assistance through the SOC if needed.
 - x. Coordinate operations to assure occupational safety measures are followed.
 - xi. Coordinate damage assessment as necessary.
 - xii. Restore equipment and supplies to a normal state of operational readiness.
 - xiii. Coordinate public information to provide updates to ESF 15.
 - xiv. Maintain financial records on personnel, supplies, and other resources utilized and report to local EMA and GEMA upon request.
 - xv. Resume day-to-day operations.

D. Resource Protection

1. Strategy

The agency assigned primary responsibility for ESF 11 will coordinate with appropriate agencies and organizations to ensure operational readiness. Agencies with responsibilities for this section of the ESF, will coordinate with the EMA, GDA, and DNR. This function will be coordinated with and involve other support agencies and organizations. ESF 11 agencies will coordinate with public natural, cultural, and historic properties and state agencies to develop Standard Operating Procedures(SOPs) for disaster prevention, preparedness, and recovery. On the state level, the Georgia Archives will manage, monitor, and assist in or conduct response and recovery actions to minimize damage to natural, cultural, or historic property resources, including essential government and historical records. ESF 11 agencies will request

assistance for this resource through the SOC.

2. Actions

a. Mitigation/Preparedness

- i. Participate in mutual aid agreements with government agencies, professional organizations, private agencies, and organizations.
- ii. Develop inventory of natural, cultural, and historic resources that will be covered by this plan.
- iii. Participate in a and/or conduct workshops for historical and cultural properties to encourage developmental plans for disaster prevention, preparedness, and recovery.

b. Response/Recovery

- i. Support the disaster recovery with all available resources.
- ii. If criminal activity is suspected, cooperate with the criminal investigation jointly with appropriate state and federal law enforcement agencies.
- iii. Coordinate public information and provide updates for ESF 15 to distribute to the public and media.
- iv. Provide technical assistance to public natural, historic and cultural properties in damage assessment; request needed technical assistance and damage assessment support from the state or federal government through the SOC.
- v. Work with the state to reopen public natural, historic, and cultural properties as soon as safely possible, to the public.
- vi. Request assistance from the state for preservation, scientific/technical, and records and archival management advice and information for stabilization, security, logistics, and contracting for recovery services of damaged natural, historic or cultural resources pertaining to documentary and archival records and historic documents.
- vii. Maintain financial records on personnel, supplies, and other resources utilized and report to local EMA and GEMA upon request.
- viii. Resume day-to-day operations.

III. RESPONSIBILITIES

A. Chatham Emergency Management Agency

1. Provide the ESF-11 Primary with the guidance and support required to

- accomplish assigned tasks
2. Develop appropriate Plans, Procedures, Mutual Aid Agreements, Checklists, Go-Kits, and other supporting documentation as needed to facilitate execution of the Agency's responsibilities to this ESF.
