The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to Chatham County, Georgia for its annual budget for the fiscal year beginning July 1, 2014.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan and as a communication device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

# Guide to the Budget Document

The Chatham County Budget Book is intended to provide information at both the detailed and summary level – information that can be used by citizens, elected officials, business owners, bondholders, investors, and rating agencies as an informational tool and an operation tool alike. It is critical that the document serves the following four functions: act as a policy document, serve as a legally required financial planning tool, function as an operational guide, and act as a communication device.

Listed below is a brief description of the individual sections of this document.

The **Introductory Section** includes the County’s budget message and is intended to articulate priorities, issues and any other major changes in County services for the budget year.

The **Financial Structure and Summary Sections** include fund and County organizational charts, fund descriptions and various summary sections showing revenues and expenditures for all funds, which is intended to provide an overview of the total resources budgeted by the County.

The **Capital & Debt and Fund Sections** are intended to provide a breakdown of the fiscal year 2016 budget on an individual fund basis. The fund types include the general, special revenue, debt service, business type activities/enterprise, internal services, and capital project funds. Each fund includes a general description of the fund, history of revenues, and expenditures.

The programs are grouped by type following each fund and include public safety, culture and recreation, engineering, public works, community, general government, debt service, and business type activities/enterprise. The detail includes program description and written budget analysis for program. For comparison purposes, all program budget information includes actuals from fiscal year 2014, budgeted 2015, and budgeted 2016.

**Supplemental Information** provides statistical, supplemental, and miscellaneous data for the County.

The **Glossary of Terms** is included to assist the reader with any terminology (including abbreviations and acronyms) not readily understood.

**From the Desk of the  
Chatham County Manager**

**To:                   Citizens of Chatham County  
                          Honorable Chairman, Albert J. Scott  
                          Honorable Vice-Chair, Dr. Priscilla D. Thomas  
                          Honorable Chatham County Commission Members**

**Subject:            FY 2016 Adopted Budget**

**Date:                June 26, 2015**

I am pleased and proud to submit to you the FY 2016 Final Budget for Chatham County. In spite of limited revenue growth, the budget before you recommends additional resources for the County's core services and addresses its most pressing needs. Chatham County and its municipalities have and are realizing growth in the local economy and with it population growth and growing demands for infrastructure and services. These demands have influenced the development of this budget proposal to ensure Chatham County provides an adequate level of service at expected quality levels at a reasonable cost. The staff and employees of "Team Chatham" have endeavored to provide for citizen needs while balancing the goals, objectives and expectations of the Board of Commissioners.

Presented herewith, in accordance with section 36-81-(1-6) of the Official Code of Georgia Annotated, is the FY 2016 recommended annual budget. These budgets represent the recommended plan for providing essential county services for the upcoming fiscal year that begins July 1, 2015, and ends June 30, 2016. These budgets include the collective input from all county department directors, elected officials, outside agencies and the County Executive Team.

I would like to personally thank "Team Chatham" for their input in this document, but more importantly, I want to thank the Board for providing direction on a regular basis and being engaged in our community. Chatham County has in the past sought to budget in a manner dealing with impacts of the economy, State and Federal unfunded mandates, and local desire for services. It is my intention in partnership with the Board of Commissioners and staff to take Chatham County to the "Next Level." This new level is one providing a look into the future by establishing policies determining reserve levels, capital funding, investment options, and better forecasting and projections of revenues and expenditures. Please find below highlights of the adopted FY 2016 Budget.

# CHAPTER 1: MANAGER'S MESSAGE CHATHAM COUNTY, GEORGIA

## HIGHLIGHTS OF THE ADOPTED FY 2016 BUDGET

### GENERAL FUND

- Assumes a modest 2% increase in the tax digest
- Maintains the SPLOST credit millage rate of 11.543 mills
- Increase in LOST revenue of \$650,000
- All other revenues have remained relatively flat
- Total revenues \$169,978,087 without use of net assets
- Eliminates all contingencies except for the primary account of \$250,000 in the General Fund
- Takes into consideration the increase of jury fees and court reporting costs
- Includes maintenance fees for new software applications in the Tax Commissioner's office
- Increase to the Detention Center budget of \$1.5 million due to increased contract prices
- 1.5% increase in the salary table as well as funding for merit increases
- The following new positions are being recommended: Public Communications Officer, Audio/Video Technician, ICS Office Assistant, Jr. Systems Administrator, SharePoint Administrator, Case Manager (from part-time status) and a Service Maintenance Worker in Recreation
- The following are recommended as part-time positions: Administrative Assistant (formerly in temp pool) and a part-time Clerk in the Tax Commissioners Office.
- Increased the minimum wage from \$7.75 to \$10.10 per hour.

### SPECIAL SERVICE DISTRICT

- Assumes a modest 1% increase in the tax digest
- Maintains the current millage rate of 4.13 mills
- All other revenues have remained relatively flat
- Total \$30,049,370 without use of net assets
- Decreased the SCMPD contract to a flat rate of \$14,154,780
- \$653,000 transfer to the Capital Improvement Fund for public works heavy equipment and SCMPD vehicle replacement
- Funding for landscaping and maintenance of State route rights of way
- 1.5% increase in the salary table as well as funding for merit increases
- Increased funding for indigent defense in Recorder's Court
- Funding for 3 positions previously unfunded: Lead Maintenance Worker and 2 Equipment Operator I positions
- The following new positions are being recommended: Maintenance Worker II and a Maintenance Worker I
- Increased the minimum wage from \$7.75 to \$10.10 per hour.

### CAPITAL IMPROVEMENT FUND

• Tax billing and assessment system -	\$ 591,000
• SCMPD Fleet vehicles -	\$ 300,000
• Finance/HR/Purchasing system -	\$1,100,000
• Radio System Microwave Replacement -	\$ 200,000
• Storage Building at Mosquito Control -	\$ 117,000
• Elevator Replacement at J. Tom Coleman Courthouse	\$ 51,000
• Boiler Replacement at J. Tom Coleman Courthouse	\$ 115,522
• Pave roads/replace sod at Jennifer Ross Park	\$ 540,000
• Improve field drainage at Jennifer Ross Park	\$ 405,000
• Concession Building at Jim Golden Complex	\$ 308,000

**CHAPTER 1: MANAGER’S MESSAGE  
CHATHAM COUNTY, GEORGIA**

• Westlake Park Improvements	\$ 117,100
• ICS Security Camera Upgrades/Equipment	\$ 200,000
• Salt Creek Park Improvements	\$ 165,000
• Grinder	\$ 450,000
• Public Works Equipment	\$ 250,000
• Maintenance Reserve	\$ 250,000
• Pine Barren Maintenance	\$ 96,000
• Strategic Plan	<u>\$ 80,000</u>
<b>Total</b>	<b>\$5,335,622</b>

**OTHER FUNDS**

- Addition of an Equipment Operator III in the Solid Waste Fund
- Addition of a Safety Officer in the Risk Management Fund

As you can see, there are additions to the budget in FY 2016. For example, a new safety officer is added in the risk management fund because Chatham County has experienced a steady increase in worker’s compensation and employee injuries for several years. This expenditure is now over an unacceptable level. We owe the taxpayers of this County and our “Team” a safer place to work with a culture of safety at substantially less cost. When employees are hurt, presently they are placed on workers compensation at county expense with no production. We WILL turn that around. We need to instill a culture of safety, conduct investigations of accidents, offer modified duty, etc. and with the cooperation of our “Team,” Chatham County can reduce this cost by millions in a relative short time period while creating a safe workplace. This is an investment with many returns.

Capital Planning is our next major target. Capital Planning is paramount to offer the right facilities for community growth including but not limited to: courts, parks, administrative facilities, roads, etc. The difference moving forward is providing the Board and the public with “real” cost projections of operations and maintenance of said facilities. It is my personal and professional recommendation that no capital project should be considered unless a full analysis of all aspects of future operational costs has been completed going forward.

I hope it is quite clear that every dollar in the plan before you was budgeted with limited revenue growth and pressing service demands in mind. The Proposed Budget utilizes both new resources and identified cost savings in an effort to maximize resources to the County’s critical needs and maintains our forward-looking approach to budgeting. Maximizing the County’s limited resources is a trademark of this County’s past, current and future success - it is the “Team Chatham” way. Before I continue, I would like to share “Highlights of Accomplishments for 2015” below.

**2015 HIGHLIGHTS OF ACCOMPLISHMENTS**

**Engineering**

LaRoche Avenue Culvert – Replacement of a failing brick arch culvert under LaRoche Avenue. Included stabilization of canal banks and reconstruction of roadway in the area.

## CHAPTER 1: MANAGER'S MESSAGE CHATHAM COUNTY, GEORGIA

Turner's Creek Boat Ramp – Project includes the addition of two ramps at the site on Turner's Creek at Johnny Mercer. Also includes the construction of restroom facilities, marine patrol offices and paving of all parking areas.

Pipemakers Canal Tide Gates – Removal of maintenance heavy mechanical tide gates and installation of "flap" gates on canal. Site is located on Georgia Ports Authority property adjacent to the Savannah River. Will significantly reduce maintenance costs incurred by Public Works and provide dependable flood control.

Truman Parkway, Phase V – Last phase of a legacy project spanning several decades. Completes the connection from Downtown Savannah to Southside Savannah. Constructed by the Georgia Department of Transportation with an investment of \$70,000,000 to Chatham County.

Staff completed a cycle visit and audit from Federal Emergency Management Agency's contractor, Insurance Services Office (ISO). The audit resulted in a letter indicating Chatham County is expected to be reclassified as a Community Rating System (CRS) Class 5 community. The saving on flood insurance policies will result as follows: Based on 11,753 policies, Chatham County residents as a whole would save \$3,092,955 annually off flood insurance policies. That's \$263 per household. Since flood insurance policies within areas where FEMA requires flood insurance is escrowed, that equates to direct savings off the homeowner's monthly mortgage payment.

To date, staff managed design and construction of 65% of Capital Improvement Projects which were established as priorities by the Board in 2007. Projects included the Chatham County Detention Center expansion, completion of the Truman Parkway, Pipemakers Canal from the Savannah River to I-95, several drainage improvement projects, park improvement projects and many road paving projects.

### **Human Resources and Services**

Beverly Whitehead Human Resources Building opened on October 3, 2014

Planned, developed and implemented a major revision to the County's health insurance plan. The revision eliminated the costly HMO product and added a Point-of-Service (POS) option that resulted in lower premiums to employees and a more cost effective delivery system for the County.

After years of planning, the Chatham County Employee Health Center became operational on August 6, 2014. The Center provides primary and acute care services, health coaching, and laboratory services to County employees who are enrolled in the County's health plan. The Center is staffed with a Nurse Practitioner, an RN Health Coach, and a Medical Assistant.

In partnership with Savannah Technical College, Chatham County implemented First Line Supervisor training to employees. The first class of 20 students began a 12-week training course on April 7, 2015. The second group of students will begin the course on May 19, 2015.

116 Chatham County employees took part in "Get Lean in 2015" weight loss challenge. Participating employees lost a combined total of 866 lbs.

### **ICS**

Completed a significant software upgrade for the public safety radio network.

## CHAPTER 1: MANAGER'S MESSAGE CHATHAM COUNTY, GEORGIA

Reviewed and/or began implementation of 6 new major systems, including software for project management, online citizen request management, case management and implementation of the tax collection and billing system in phase I. Phase II will include implementation of the tax assessment software

### **Finance**

Successfully prepared a zero based/needs based budget for a second year with an old accounting system not accommodating for such a process.

Once again received the Award for Excellence in Financial Reporting for our 2014 Comprehensive Annual Financial Report. This represents 31 consecutive years of receiving this award.

Also received the GFOA's Distinguished Budget Award for our 2014-2015 budget document. This was the 20<sup>th</sup> consecutive award.

### **Public Works and Park Services**

Hosted 3<sup>rd</sup> Annual Fitness Festival on February 28, 2015, with over 300 people attending

Began an affiliation with Little League Baseball starting in February 2015

Chatham County Data Destruction Day, November 1, 2014, resulted in 37,000 lbs. of paper shredded, 7,500 lbs. of computer electronics donated to Goodwill Industries, 3,500 lbs. of cardboard collected and 18 55-gallon bags of plastic bags collected

Implemented a new aggressive Equipment Operator Training Program for staff

### **Community Projects**

Cloverdale Community Center opened February 20, 2015

Carver Heights Community Center opens late spring

### **Live Oak Public Libraries**

New Islands and Garden City libraries: At just under 16,000 sq. ft. each, these two new LEED Silver facilities have instantly become popular with taxpayers. By integrating the latest technology and design, these libraries create welcoming spaces that rely on a small, agile staff to operate. Circulation at Islands library has more than doubled since moving to the new location. Garden City library has not impacted other West Side libraries' usage; rather, a whole new, unserved population has discovered Live Oak Public Libraries' resources.

Over 35,000 children attended Live Oak Public Libraries' Children's Book Festival November 15, 2014

### **Safety Net**

Campaign for Healthy Kids, led by Chatham County Safety Net Planning Council and Step Up Savannah, launched in August 2014

## CHAPTER 1: MANAGER'S MESSAGE CHATHAM COUNTY, GEORGIA

Our go-live date for Chatham Health Link to be on-boarded onto GRACHIE is June 1, 2015. Both hospital systems, Memorial Health University Medical Center and St. Joseph's/Candler, are on schedule to be exchanging data by this date. Both Federally Qualified Health Centers, Curtis V. Cooper Primary Health Care, Inc., and J. C. Lewis Primary Health Care Center, Inc., are also actively participating.

### **Miscellaneous Areas**

Began negotiations for the new SCMPD agreement seeking strong police service at a reasonable cost.

Closed Detention Center construction contract negotiations between the County and Hunt/Mills, saving County taxpayers' millions.

Juvenile Courts roofing project was started April 2015 for completion before summer of 2015.

### **District Attorney**

Case Management Efficiency – We have a continued success in the Major Crimes Division. On average, the most serious and violent crimes are being tried within a year of the offense date. Due to the nature of these crimes, expediency is essential. Problems such as witness intimidation and witness relocation increase the longer it takes to prosecute a case. Additionally, on average, we have streamlined case management in both the Other Felony Division and the State Court Division. The more quickly a case is resolved, the less costs are associated with the prosecution and the housing of a defendant and swift justice is given for the victim.

### **Sheriff**

Chatham County Sheriff's Office staff worked very closely with the judges to significantly expand our Work Release program to increase the amount of participants. This program has shown marked success with the decreased recidivism rate of participants.

Operation New Hope, our collaborative program with the Chatham County Humane Society, has been able to expand to now include female participants. This program continues to be a huge success with over 156 dogs rescued and adopted since its inception.

### **Superior Court**

The Major Crimes Division had a 110% disposition rate in 2014. Since its inception in 2013, the division has disposed of over 650 major crimes.

The Superior Court was awarded a total of \$689,421 in grants for our three Accountability Courts: Drug Court, Mental Health Court and Veterans Court.

### **Public Defender**

Expanded intern program for both law and social work positions; developed extern program; held discussions with Savannah Law School, international partners and State grants initiative coordinator toward developing full-year clinic.

Continued "I Wish I Knew" educational outreach program presented to students throughout Chatham County; developed partnership with Chatham County Youth Commission and Summer Bonanza through Commissioner Priscilla Thomas.

## CHAPTER 1: MANAGER'S MESSAGE CHATHAM COUNTY, GEORGIA

### **Chatham Emergency Management Agency (CEMA)**

Organized and planned 2015 Hurricane Conference for more than 400 public safety attendees and coordinated and conducted more than 50 school safety and security site surveys for the Savannah-Chatham County Public School System.

### **Metropolitan Planning Commission (MPC)**

SAGIS updated the complete IT software suite for administering and supporting GIS. The upgrade included additional hardware, updated operating systems, database software and GIS software, both backend and desktop.

Coordinated Parcel Project with the Carl Vinson Institute of Government Information Technology Outreach Services to spatially correct the parcel layer. Engineering and the Board of Assessors are also participants in the project

### **Chatham Apprentice Program (CAP)**

CAP partnered directly for the first time with the Coastal Workforce Investment Board (CWIB) and the Coastal Transitional Center to run a class exclusively for men staying at the Transitional Center; each one of them obtained a job at the end of the training program.

### **Counter Narcotics Team (CNT)**

2014 Major Case Investigation Cocaine Trafficking: Over the course of 2014 CNT conducted a long-term investigation into a large group trafficking narcotics in the Chatham County areas. The investigation led to the Metro Atlanta area. Results of the operation netted over 5 Kilos of cocaine, 8 lbs. of marijuana, several firearms, approximately \$200,000 in currency seizures and 18 indictments to the conspiracy charges.

CNT Meth Partnership: In 2014 to 2015 CNT proactively moved forward to combat the growing Methamphetamine problem in Chatham County.

### **Chatham Area Transit (CAT)**

Implemented functional assessments for Paratransit program eligibility which includes recertification for current participants.

Ended FY 2015 with revenues exceeding expenditures.

“Team Chatham” in partnership with many internal and external agencies and under the direction of you the Board of County Commissioners has been successful in bringing about “real” results from many of the preceding projects impacting the lives of our citizens on a daily basis. These results will continue to bring about a positive return on investment; however, if we determine a project or program is not yielding the return, improving service or providing specific results, we will revisit the necessity of said project or program as directed by the principles of “zero based budgeting.”

An environment of slow revenue growth into the foreseeable future has brought about planned actions of anticipated cost changes in FY 2016. This is manageable by being ever vigilant of changes in the national and local economy as well as being better stewards of the existing funds that taxpayers invest in our

## CHAPTER 1: MANAGER'S MESSAGE CHATHAM COUNTY, GEORGIA

community daily. The Board of Commissioners over many years, particularly in the past couple of years, has established a solid foundation for the County's finances—one that is sustainable going forward through "Zero/Needs Based Budgeting."

While we must remain cautious, the positive local economic signs are welcome—real estate assessments grew for the second consecutive year, tourism in Chatham County continues to grow, and our business community continues to prosper. Further economic development initiatives and projects underway and in negotiation presently will only further strengthen our local economic outlook. While there is always uncertainty with future economic conditions, one thing that will be certain is we will do everything to continue providing an environment that fosters positive economic growth in Chatham County.

Everything positioned in the FY2016 Proposed Budget has been vetted for its impact in subsequent years. We do anticipate continued slow growth in our local revenues. The "Zero Based Budgeting" approach taken by the County regarding its revenues & expenditures will produce a much more conservative budget particularly in the removal of items such as unnecessary departmental contingencies.

A zero-based budget starts from a "zero base" and every function within an organization is analyzed for its needs and costs—all expenses must be justified. The budget is built based on the needs for upcoming years, regardless of whether the new proposed budget is higher or lower than the previous one. Once developed, the budget is balanced given funding constraints. Zero-based or "ZBB" budgeting is a method of budgeting in which all expenses must be justified and every function within an organization is analyzed for its needs and costs. The purpose of the ZBB analysis is to assess a particular program's activities against its statutory responsibilities, purpose, cost to provide services, and desired performance outcomes.

Some of the advantages of ZBB are that it:

- Facilitates efficient allocation of resources, as it is based on needs and benefits rather than history.
- Drives managers to find cost effective ways to improve operations.
- Increases staff motivation by providing greater initiative and responsibility in decision making.
- Increases communication and coordination within the organization.
- Identifies and eliminates wasteful and obsolete operations.
- Requires programs to identify their purpose and their relationship to strategic goals.
- Helps in identifying areas of wasteful expenditure, and if desired, can also be used for suggesting alternative courses of action.

As the County Blueprint is developed and completed in late 2015 or early 2016, Chatham County will be faced with driving this plan to specific steps, actions, objectives, goals, etc. These items should further drive the need for county and municipal plans for capital, programs, etc., as set forth in the community document later this year. Chatham County, in partnership with all municipalities, will then be in a position to budget and financially plan on a long-term basis and not just from year to year.

I would like to thank the County staff for the many hours of hard work that went into the development of this budget. "Team Chatham" members have been asked to do their respective jobs but with a different twist. Basically, "You tell us how we can do it better and with less cost." These ideas will pay dividends for the County but will actually allow Team members to be paid for their successful and tested ideas. It is only because of their efforts and the continued work and vigilant oversight of our Board of Commissioners this County has been as successful as it has been during recent years. The staff and I stand ready to assist you in making the best possible choices for the future of our community.

**CHAPTER 1: MANAGER'S MESSAGE  
CHATHAM COUNTY, GEORGIA**

I want to personally thank the Board of Commissioners and “Team Chatham” for allowing me to be a part of this ever unfolding success story. Please find attached: M&O Revenue and Expenditure summaries, Special Service District Revenue and Expenditure summaries (Options 1 & 2), and Special Revenue funds for review.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "L. Smith". The signature is written in black ink on a light-colored background.

William “Lee” Smith, III

**This Section provides information on the County’s financial structure, fund structure, and budget process.**

## **County Commission Goals & Objectives**

To provide all citizens the best place to live, work and play:

- By protecting everyone's public safety
- By providing outstanding recreational services and facilities community-wide
- By stimulating economic growth through cooperative practices
- By establishing and maintaining effective management of the County's resources
- By funding essential services first and considering other programs as funding becomes available
- By developing and maintaining road and drainage infrastructure, and
- By pursuing State legislation supportive of the County's goals and objectives.

The Adopted Budget seeks to be responsive to these goals and objectives:

### **Public Safety**

- Framework agreement with the City of Savannah for Police Services.
- Provided \$120K for purchase of new Hulls for Marine Patrol.
- While the formal agreement has yet to be approved by both the City and County Boards, the police service framework provides for a long term agreement with the shared cost for services based on actual services provided within each jurisdiction.
- Provided additional funding to Juvenile Court for additional electronic monitors for Mental Health Court and the general population
- Provided an additional \$175,000 in funding to the Department of Family and Children Services to process applications for emergency assistance in a timely manner, and to improve response times in the Child Protective Services Program and Foster Care Program.
- The 852-bed expansion to the existing Detention Center is complete. Phase II is underway, and is comprised of reconstruction of Unit 5, a new K-9 facility, and a new work release center.
- Funding for a new SCMPD Police Precinct on the eastern side of Chatham County is included in the budget.

### **Recreational Services and Facilities**

- Provided funding for the Jennifer Ross Soccer Complex - \$540,000 pave roads and sod replacement, and \$405,000 for field drainage.
- Provided funding for a new concession building at the Jim Golden Sports Complex - \$308,000.
- Provided funding for Lake Mayer Park - \$335,000 parking, \$247,500 for tennis courts and \$77,000 for the pavilion.
- Provided funding for Westlake Park improvements - \$117,100.
- Provided funding for Salt Creek Park improvements - \$165,000.

### **Funding Essential Functions**

- Renovation of the County's Judicial Courthouse is underway to renovate, and build new courtrooms on the 1<sup>st</sup> floor. The estimated completion date for this project is mid-2016.

## CHAPTER 2: FINANCIAL STRUCTURE CHATHAM COUNTY, GEORGIA

- Funding for roof replacement and renovation of the existing Juvenile Court facility is in place. Renovation will also include replacement of a chiller. The expansion will add about 50% of available space; however no new people will be added.
- A new maintenance reserve has been established in the amount of \$250,000.
- Information and Communication Services will be upgrading the Security Camera system - \$200,000.

### Management of County Resources

- Reduced overall costs for services of E-911, Police, Recorder's Court and EMS
- Budgeted \$415,000 for maintenance of County Facilities in the CIP fund.
- Provided funding for Juvenile Courthouse roof replacement through SPLOST.
- Provided \$140,000 for roof replacement at the Citizen Center in CIP.
- After several years of providing dedicated funding for the replacement of computers and the successful replacement of all outdated job necessary desktops and laptops, the County was able to change the computer replacement schedule from a four year to five year replacement, and as a result, contractual increases associated with software updates were able to be absorbed with the savings.
- Provided funding for three new positions within ICS to eliminate department deficiencies associated with reviewing requests timely, utilization in existing technology, and the centralization of administrating various ICS functions.
- Provided additional funding for Management Consulting services within State Court to ensure the effective and efficient continuation of the provision of judicial services during necessary staff absences.
- Provided additional funding within Juvenile Court to permit remote access for twelve probation officers to enable efficient reporting and processing of work related information.
- Added a Safety Officer position to the Risk Management Fund due to the increase in worker's compensation and employee injuries for several years.
- Provided funding for a new software system for Finance/Human Resources/Purchasing - \$1,100,000.
- Provided \$591,000 in funding for new software for the Tax Commissioner, will make the billing, tax collection, and assessment functions more efficient.

### Roads and Infrastructure

- SPLOST budgets provide funding for Roads and Drainage projects.

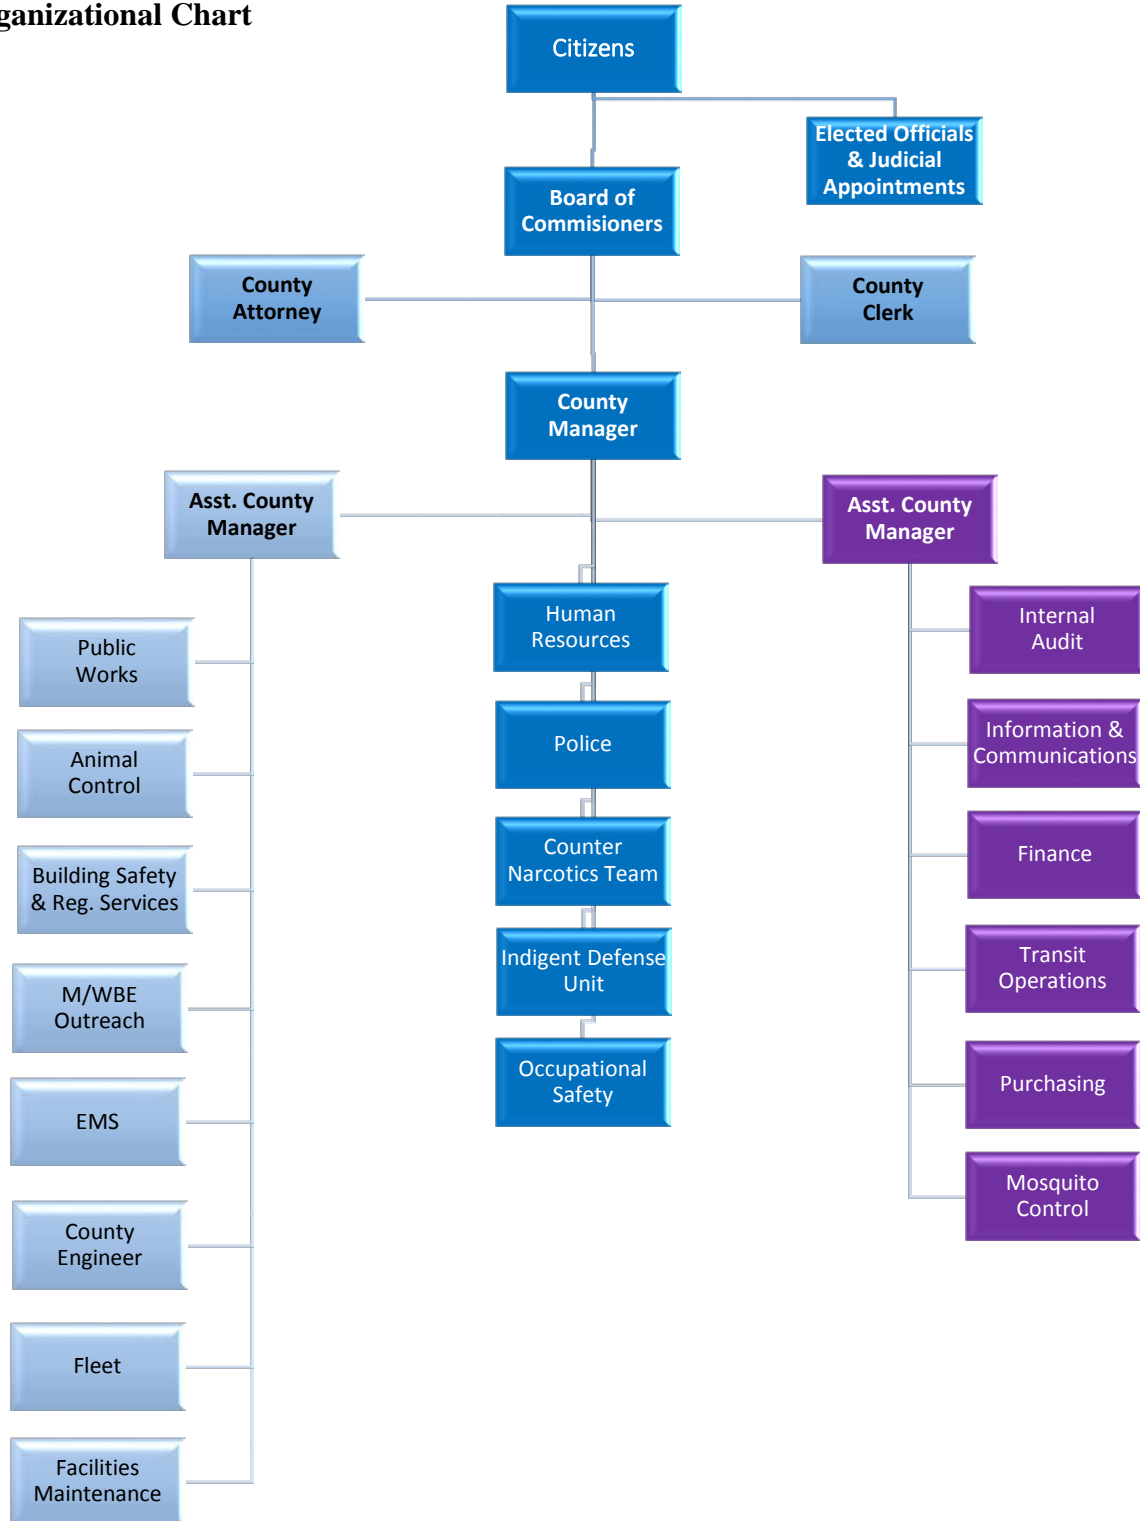

### Economic Growth

- Provided \$250,000 for a Strategic Planning Initiative

Assistant County Manager	Linda Cramer	Savannah-Chatham Metro Police Dept.	Chief Joseph Lumpkin
Counter Narcotics Team	Dwane Ragan	Public Works & Parks Services	Robert Drewry
Director of Engineering	Leon Davenport	Tax Assessor	Roderick K. Conley
Emergency Management	Dennis Jones	Voter Registration Director	Sandra Williams
Finance Director	Amy Davis	Elections Supervisor	Russell Bridges

## **FUND DESCRIPTIONS**

The financial transactions of the County are recorded in individual funds. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, reserves, fund equity, revenues, and expenditures/expenses. Funds can be described as major and non-major. A major fund is one with an annual budget equal to ten percent or more of the total county budget. In fiscal year 2016, Chatham County has two funds that meet this definition: the General Fund and the Special Purpose Local Option Sales Tax Fund V.

### MAJOR FUNDS

#### Governmental Funds:

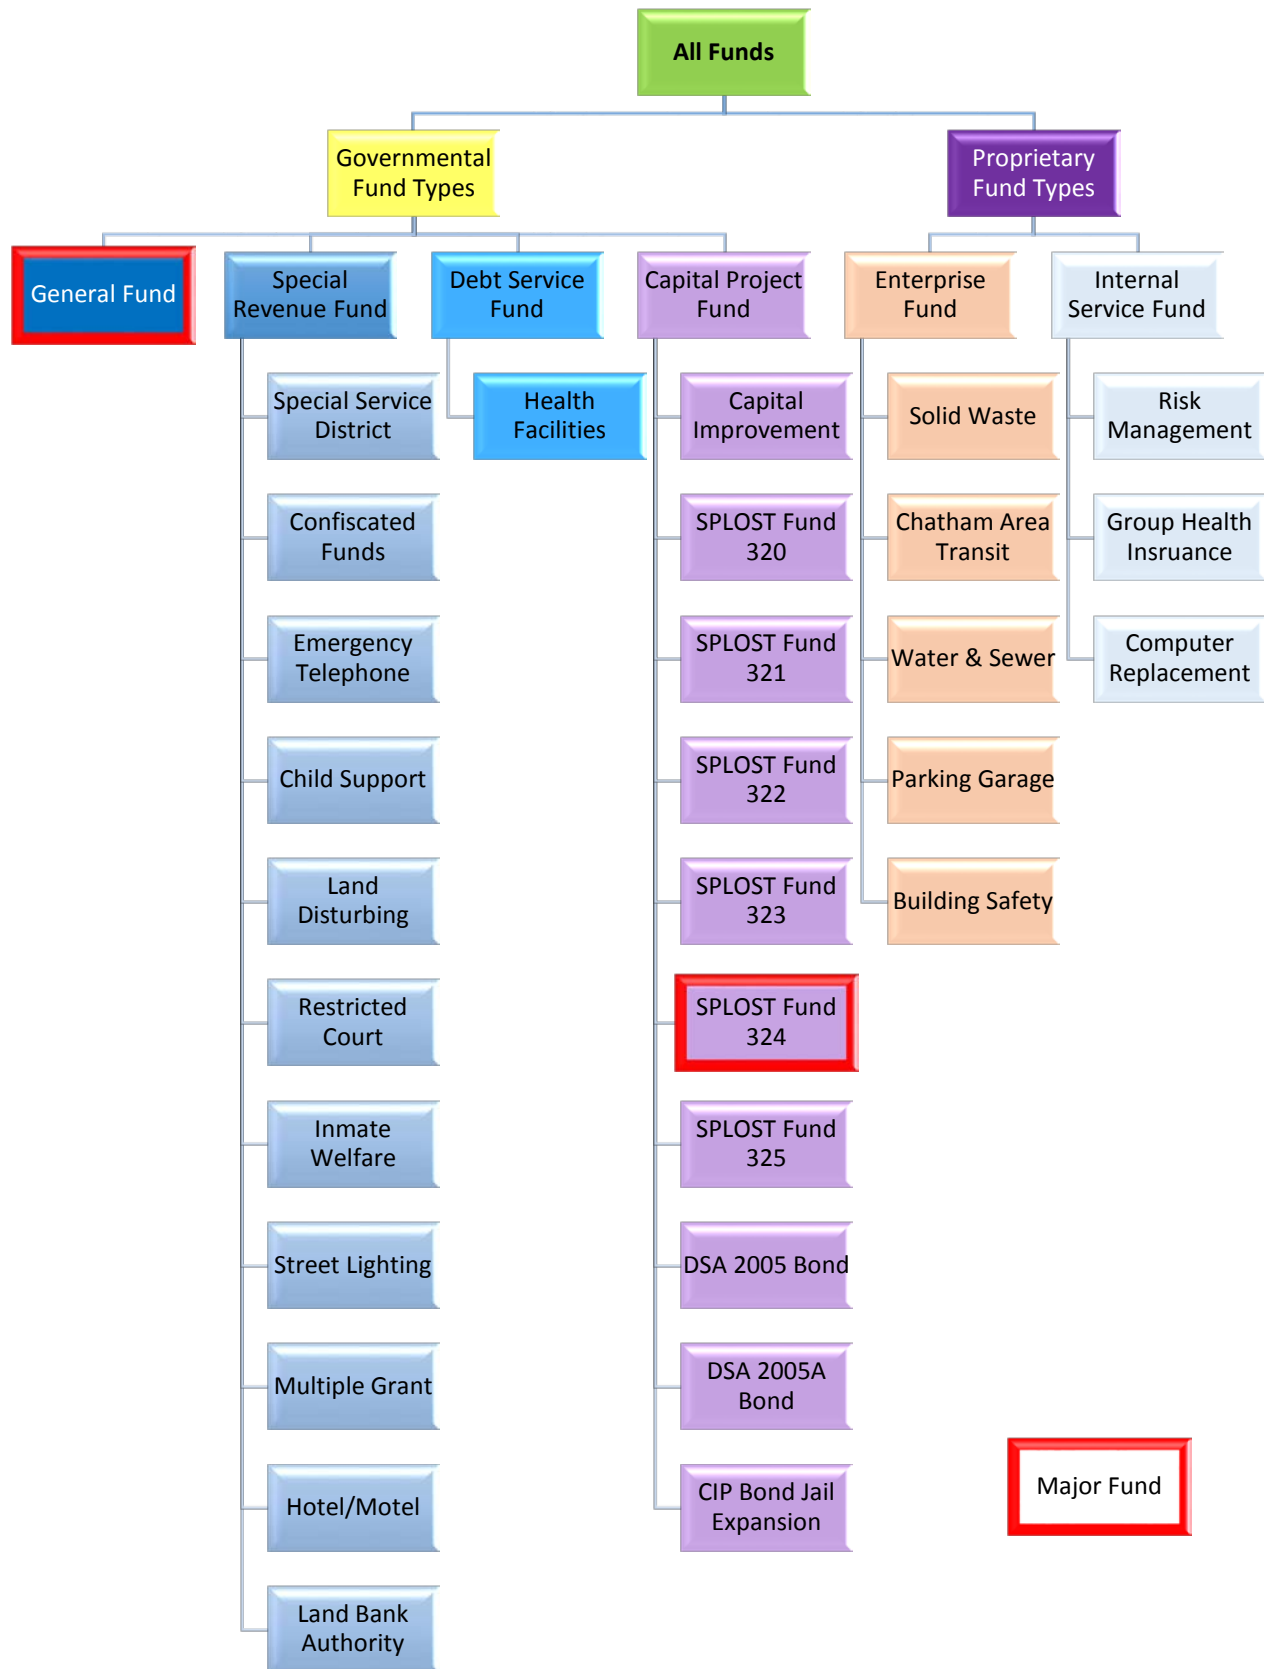

General Fund is the general operating fund of the County. It is used to account for all financial resources except those required to be accounted for in another fund.

Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by Business-type/Proprietary Funds). The County budgets one major fund, Sales Tax V. This fund accounts for the proceeds of a special one cent sales tax adopted by referendum and related expenditures for roads, drainage and other improvements.

### NON-MAJOR FUNDS

Non major funds include Enterprise, Special Revenue, Debt Service, Capital Projects, and Internal Service funds with individual annual budgets less than ten percent of the total county budget. These funds are described in the sections that present detailed information on the respective budgets.

## **BUDGET PROCESS**

The County has two budget processes, the Capital Budget and Operating Budget Process. The Capital Budget Process begins in September each year with the distribution of capital budget packages to departments. Capital requests are returned to the Budget Office in early October. An in-house CIP Committee rates the projects in late October, early November. A CIP Workbook is provided to the Board of Commissioners in January listing all the requested projects with related project scores and categorization. Funding for these projects is discussed within the Operating Budget Process. The funded projects are included in the adopted Capital Improvement Fund budget in June.

The Operating Budget process begins in January. The Board of Commissioners adopts the Budget Calendar each January; In February the Board of Commissioners hold a workshop to discuss upcoming budget challenges with department heads and elected officials. This fiscal year challenges included improvement of the CIP process, the 2015 CIP requests, critical projects, the police merger, and roadway maintenance. Also discussed was the new SPLOST fund and revenue opportunities. A second workshop was held in April to review Budget Highlights.

Department and agencies submit detailed operating budget requests to the Budget Office in the Finance Department in February in accordance with the Budget Calendar. The Zero-based budgeting process, which was first introduced and adopted for the FY2015 Budget process, was the basis for this fiscal year, FY2016. The ZZB is a budgeting process that asks managers to build a budget from the ground up, starting from zero. Department budget requests include basic and additional requests. Basic requests are requests to continue currently mandated or authorized services, or ongoing expenditures. Additional requests are over and above the current fiscal years' service levels and are termed new initiatives.

After analyzing the budget requests, the County Manager meets with budget staff, Department heads and agency heads to review and discuss requests. The County Manager provides direction on whether departmental discretionary or new initiative requests should be included in the Recommended Budget. The County Manager's Recommended Budget is presented to the Board in May. The Manager transmits his top priority initiatives to the Board within the Recommended Budget document. Unfunded budget requests are transmitted to the Board as Decision Packages.

As presented to the Board of Commissioners, the Recommended Budget is intended to provide the resources necessary to continue current services. The County Manager may also recommend adjustments to the general property tax rates and user fees, identify high priority needs, new initiatives, and program changes for County Commission consideration during budget deliberations. The Board may choose to hold in-depth discussions on the budget in a workshop setting each May.

The County receives information on the property tax digest by June 1<sup>st</sup> each year. This information is critical to determining the General Fund and Special Service District's budget. The Recommended Budget, which is built on certain assumptions about the growth of the tax digest, may need amendment after receipt of the tax digest. This year there were no significant changes in the revenue projections. The Recommended Budget was based on a modest 2% growth in the digest. So, after careful deliberation, a final Budget was adopted by the County Commission on June 26, 2015. Changes between the department's budget request and the adopted budget is shown in each fund's summary and detail information. The final budget is adopted in June after receiving and formulating the tax digest information

Budgets for the General Fund, Special Revenue Funds, Debt Service Fund and Capital Projects Funds are developed on the modified accrual basis of accounting. Proprietary Fund budgets are not required by State

## CHAPTER 2: FINANCIAL STRUCTURE CHATHAM COUNTY, GEORGIA

law but are utilized as a management tool by the County. These budgets are developed on the accrual basis of accounting.

Under State Law, the legal level of control is at department level for each fund for which a budget is required. In addition, the governing authority of Chatham County has established salary appropriations within a department as a lower level of control. During the fiscal year, the County Manager, Finance Director, and Budget Officer are authorized to transfer budgeted amounts within departments, with the exception of transfers which increase salary appropriations. The Board of County Commissioners must approve transfers of amounts between departments and must also approve appropriations of additional resources, including salaries.

The Budget Calendar for the 2015 / 2016 Fiscal Year Budget is shown beginning on the next page. Note that the Budget Calendar interacts with adoption of the tax digest. These are interactive processes within Chatham County.

## CHAPTER 2: FINANCIAL STRUCTURE CHATHAM COUNTY, GEORGIA

### BUDGET CALENDAR FISCAL YEAR JULY 1, 2015 THRU JUNE 30, 2016

DATE	BUDGET ACTIVITY
September 8, 2014	FY 2016 / 2020 Capital budget Packages distributed.
October 17, 2014	FY 2016 / 2020 Capital budget Requests due from departments.
October 27 – 31, 2014	CIP Committee convenes to rate projects.
November 3 – 15, 2014	Finalize FY 2016 / 2020 CIP - Identify emergency projects / finalize priorities.
November 25, 2014	Begin FY2016 Budget process. Initial packets and instructions distributed.
January 12, 2015	FY 2015 / 2016 Budget Request packages distributed.
January 16, 2015	Budget Calendar, CIP Plan, and Year 2015 Millage Levy Calendar to Board for approval Once approved, notice sent to Board of Education on Millage Levy Calendar.
January 12 - 31, 2015	Revenue / Expenditure Data Entry Training with Departments

**CHAPTER 3: FINANCIAL SUMMARIES  
CHATHAM COUNTY, GEORGIA**

**CHANGES IN FUND BALANCE**

The table below provides information on the budgeted use of fund balance during the current budget period. It shows estimated beginning fund balance as of July 1, 2015 (unaudited), budgeted revenues and expenditures for fiscal year 2016, and projected ending fund balance as of June 30, 2016.

Increases or decreases in fund balance of over 10% are explained herein:

- Sales Tax V Fund- As a capital project fund, residual project balances are re-appropriated each year for project completion. Therefore, the fund shows a decrease to fund balance of 100% as it is assumed that projects may be completed.
- Non-major capital project funds- As capital project funds, residual project balances are re-appropriated each year for project completion. Therefore, the funds show a decrease to fund balance of 100% as it is assumed that projects may be completed.

Fund	Estimated Beginning Balance 6/30/15	Revenues	Expended	Estimated Ending Balance 6/30/16	Fiscal Year % Change	Increase (Decrease) in Fund Balance
General Fund	\$ 51,309,900	\$ 169,978,087	\$ 169,978,087	\$ 51,309,900	0.00%	\$ 0

Non-Major Capital Project Funds	\$ 126,078,600	\$ 34,899,140	\$ 160,977,740	\$ 0	-100.00%	(126,078,600)

**REVENUE ANALYSIS AND OVERVIEW**

The County’s major sources of revenue are discussed within this section. With the exception of property taxes, revenues are projected using the straight line approach based on five year historical information. Projections may be revised after consideration of regional and national economic conditions. Revenues based on the tax digest (i.e. real and personal property, motor vehicles, timber, etc.) are adjusted to the actual digest when received from the Chief Appraiser prior to millage rate adoption. Departments submit any legislated fee increases at the beginning of the budget process with their revenue projections. Revenues are classified in accordance with the Uniform Chart of Accounts as required by the Georgia General Assembly. The County’s main revenue sources are property taxes and sales and use taxes, on an entity-wide basis.

Table 1 provides historical revenues for fiscal years 2010 through 2014 within the governmental funds’ revenue categories.

**REVENUE SOURCES AND TRENDS**

**TAXES:**

Property and Local sales tax revenues account for 85% of the FY2015 General Fund budgeted revenue, with the majority of revenue derived from property taxes, driven by the tax digest. The tax digest is an annual valuation process for real, personal, motor vehicles, motor homes, and timber located within the county. It is prepared by the Board of Assessors' Chief Appraiser, and is submitted to the State of Georgia each year. It represents the County's annual tax levy. Property tax revenues are budgeted based on the property tax digest received each June. The remaining tax revenues are projected using the straight line approach based on five year historical information and economic trends. The tax millage rate remained consistent through the years 2008 – 2010, increased in 2011, again in 2013, but has remained at the same level since. However, the increase in property values has proven beneficial to the revenue stream providing a combined \$3.6 million dollar increase over 2014 revenues. Another major tax revenue, Intangible taxes, which has remained stagnant in recent years, saw an increase with the recent economic recovery. The other major tax revenues, the Local Option Sales Tax (LOST) and Special Purpose Local Option Sales Tax (SPLOST), which are distributed between the county and municipalities based on negotiated formulas, have also shown an increase with the increase of tourism to Chatham County. Figure 1, illustrates the County's revenue sources showing that property and the Special Purpose Local Option Sales Tax (SPLOST) are the majority of revenue generators for County operations.

*Figure 1 - REVENUE CATEGORY ANALYSIS - GOVERNMENTAL FUNDS 2010-2015*

**CHAPTER 3: FINANCIAL SUMMARIES  
CHATHAM COUNTY, GEORGIA**

**PROPERTY TAXES - TAX DIGEST**

The Chief Appraiser is responsible for receiving returns while fairly and impartially assessing property. The total assessed valuation for the County's 2014 Consolidated and Unincorporated Tax Digests was set at \$15.4 billion (net of 40 percent fair market value and exemptions). Valuations for 2015 rose to \$15.9 billion, a 6.6% increase. Property Taxes are the County's largest revenue source and are billed in semi-annual installments by the Chatham County Tax Commissioner. Table 2 presents a five year tax levy for the General Fund, the Special Service District, and the Chatham Area Transit Authority. During this period, the Consolidated (General Fund) digest decreased as a result of property value declines in 2010 and 2011. For the tax year 2011, the digest decreased 4.2 percent from 2010; in 2012 and 2013 the digest increased 0.38 and 2.23 percent respectively; the 2014 gross digest has returned to the 2010 levels and the trend continues to increase as property values continue their rise. In 2015 the digest increased 4.2% in the General Fund and 1.2% in the Special Service District. This analysis includes the Transit District, where taxes are levied for the benefit of Chatham Area Transit Authority; a component unit of the County.

Bond issues/ leases	-	0.0%	-	0.0%
	169,978,087	100%	30,484,687	100%

**SPLOST Revenue:**

Special Purpose Local Option sales taxes (SPLOST) are the primary revenue source for the County’s capital improvement funds. The General Assembly of the State of Georgia in 1985 amended Chapter 8 of Title 49 of the Official Code of Georgia Annotated, relating to the sales and use taxation and authorized the imposition of a special county one (1) percent sales and use tax. The maximum period of time should not exceed five (5) years, or not to exceed four (4) years if the proceeds of the tax are to be used for road, street, and bridge purposes. Chatham County held its first referendum on June 11, 1985 and voters approved a Special One Percent Sales Tax to fund transportation needs countywide. The collection period was for four years effective October 1, 1985 through September 30, 1989. The actual cash receipt period was December 31, 1985 through November 30, 1989 with revenues collected under this referendum at \$92.2 million. Legislation provided for imposition of the tax for another four (4) years. Again via local referendum, the tax was extended for four years October 1, 1989 through September 30, 1993. The actual sales and use tax revenues for the second four years totaled \$110,651,675. Revenues received from this special purpose sales tax levy in combination with state funding were used to construct roads, streets and bridges in Chatham County. Since then, additional SPLOST funds were approved by referendum with the latest beginning collections in October 2014. SPLOST funds are now used for roads, drainage, recreation, cultural, and capital building projects. Original revenue estimates for the SPLOST funds are prepared before the referendum. The revenues are based on historical trend data and a review of local economic trends. Once the revenue estimates are established, the County and municipalities within the county work together to determine which projects should be included in the funding.

**Penalties and Interest Revenues:**

This revenue category represents penalties and interest collected on delinquent real and personal property tax payments by the County Tax Commissioner. As the recession intensified, the category saw an increase in its revenue. Fiscal Year 2016 maintains the categories revenue share at .9 % in the General Fund and 0 % in the SSD Fund. Budget estimates are based on a review of historical collections and delinquent property tax accounts.

**License and Permit Revenues:**

These revenues are from marriage licenses, animal tags, pistol permits and motor vehicle penalties. This revenue source comprises 0.6 % of the total General Fund revenue budget and 4.5 % of SSD Fund revenue budget. Revenues are projected based on historical collections and a review of local economic conditions including analysis of any new business locations.

**Intergovernmental Revenue:**

Intergovernmental revenues are revenues from other governments in the form of operating grants, entitlements, shared revenues, or payments in lieu of taxes. Revenues are projected based on historical collections, a review of economic trends and an analysis of any new reimbursements from State and local governments.

**Charges for Services:**

These revenues include court fees, commissions, charges for housing prisoners, recreation fees, and charges to other funds for indirect costs. Indirect costs are based on the Indirect Cost Allocation study which is updated annually. Other revenues are based on historical experience. These revenues account for 6.4 % of the General Fund revenue budget and .8% of the SSD Fund revenue budget.

**Fine and Forfeiture Revenues:**

Fines and fees from the courts are recorded in this category. This fund accounts for legally restricted court collections for victim witness fees, drug surcharge fees, and juvenile court supervision fees. Revenues are projected based on historical data, and have remained fairly steady in recent years.

**Interest Revenues:**

Investment income includes monies derived from the investment of assets. This is less than .1 % of General Fund revenue estimates.

**Miscellaneous Revenue:**

Miscellaneous revenue are revenues received that are not otherwise classified. This category is projected based on historical data.

**Other Financing Sources:**

Interfund transfers and interfund loans are budgeted in this category. The transfers are for restricted court fees from Recorder's Court. This revenue has seen a decline that is expected to continue in the current year.

**Other Facts related to the County's Property Taxes**

**Millage Value for Chatham County Government**

One mill is the equivalent of \$1 of tax for each \$1,000 of assessed value of a resident's home. Assessed value for homeowners is derived by multiplying 40% times the estimated fair market value of the property. If a resident has a home with the estimated fair market value of \$100,000, the assessed value is \$40,000

**CHAPTER 3: FINANCIAL SUMMARIES  
CHATHAM COUNTY, GEORGIA**

(100,000 x 40%). A \$12,000 Homestead Exemption (HE) is applied to the \$40,000 value. Table 4 calculates county taxes of a home with a market value of \$100,000.

*Table 4*

Sample Millage Value Calculation  
Tax Year 2015

	Millage Rate	Value
Estimated market value of home		\$ 100,000
Assessment factor		40%
Assessed value (40%)		\$ 40,000
Less homestead exemption (county)		\$ 12,000
Difference		\$ 28,000
County taxation		
Consolidated - general fund	11.543	\$ 323.20
Unincorporated area - SSD	4.13	\$ 115.64

**Tax Reduction Factors**

Residents of Chatham County who own and actually occupy a home and the land it rests on are eligible for an exemption. Property owners are allowed to claim only one homestead exemption, in which case must be on their primary residence. Rental property does not qualify. All exemptions, once approved, are automatically renewed each year until eligibility changes. Exemptions include but are not limited to the following:

**Homestead Exemption:** The homeowner's tax bill is reduced because of an increase to the homestead exemption. Beginning in 1991, the exemption increased from \$2,000 to \$12,000 over a 4-year period in increments of \$2,500 annually. The homeowner's tax bill can be further reduced due to several types of additional exemptions allowed. This budget document does not address other taxing levies for the other municipalities in Chatham County.

**Freeport Exemption:** *Freeport* is the general term used for the exemption of ad valorem tax on inventories as defined by Georgia law. The law offers manufacturers, distributors, wholesalers and warehouse operations an attractive inventory tax exemption on three classes of property. Chatham County exempts 100% on all classes of certain business inventory from property taxation.

**The Property Taxpayer's Bill of Rights:** This law, which took effect on January 1, 2000, calls for a mandatory rollback in the millage rate whenever the tax digests increases. The stated aim is to prevent creeping tax bills. If elected officials propose to adopt a millage rate greater than the mandatory rollback rate, they must hold three public meetings - at times when the most constituents can attend - to explain why the tax hike is necessary and vote publicly for or against it.

The law also shifts the burden of proof from the homeowner to the local government in the appeals process; requires the county assessor's office to provide a written explanation to homeowners as to why their taxes went up; and allows taxpayers going through the appeal to name the time of their hearing before the Board of Equalization. The law also calls on taxing bodies to cover the legal fees of any homeowner who receives a 15 percent reduction or greater in their assessment and allows taxpayers going through the appeals process the right to record the hearing.

## CHAPTER 3: FINANCIAL SUMMARIES CHATHAM COUNTY, GEORGIA

**The Stephens-Day Bill:** This law, which took effect on January 1, 2001, grants each Chatham County homeowner a homestead exemption from all Chatham County ad valorem taxes and is a homestead exemption that is equal to the difference between the current year fair market value and the adjusted base year value (property's value in the year prior to the homestead application plus any improvements since the year of the application). This exemption does not apply to improvements added to the property after January 1 of the base year. In addition, it does not apply to taxes to pay interest on and to retire bonded indebtedness of the County. The exemption is renewed automatically from year to year as long as the homeowner occupies the residence as a homestead.

## **LONG RANGE FINANCIAL PLANS**

### **Projected Five Year Statement of Revenues and Expenditures General Fund – Adopted FY 2016**

The Projected Statements of Revenues and Expenditures are used to facilitate planning and identify problem areas well ahead of the annual budget cycle. The forecasts are provided to County management and elected officials. Assumptions are based on both historical trend and current economic conditions.

**Tax Revenues:** Tax revenues were projected based on the projected expenditures as well as Fund Balance requirements. When necessary, tax rates may be adjusted to achieve stability in the revenue stream. In this analysis, the tax rate assessed to individual properties was held constant during the projected fiscal years.

**Tax Rate:** 11.543 in years 1, 2, 3, and 4.

**Digest Growth:** In an effort to smooth out anomalies in the historical digest growth rate and normalize the anticipated digest growth over the forecasting period, a three year rolling average was used for each subsequent year. As a result, the digest growth rate was 2.64% in year 1, 2.77% in year 2, 3.17% in year 3, and 2.86% in year 4.

**Other Revenue Categories:** A pre-audit review of FY 2015 year to date revenue collections was performed on all revenues within the fund. Year one projections were adjusted to closely reflect the FY 2015 year to date collections when appropriate. Subsequent year projections were either held constant at the year one projection or a modest growth rate was applied based on historical trends.

**Expenditures:** Projected expenditures in years one through four are based on departmental input as well as the application of annual growth rates based on historical and market trends for specific categories of expenditure. Specific adjustments by expenditure category was included as follows:

#### **General Government:**

- **Finance:** Year one reduction in personnel (1 position) and supply costs due to efficiencies gained with new software. Year two reduction in personnel (2 positions) due to efficiencies gained with new software.
- **Human Resources:** Year one increases in Management Consulting Fees (\$300,000) to address internal equity issues as well as concerns pertaining to the organization's classification and pay structure, and Professional Development (\$75,000) to continue and adequately fund the organization's current professional development program.
- **Information & Communication Services:** Included annual cost increases associated with maintenance contracts for all projected years.

#### **Public Safety:**

- **Emergency Management:** It is anticipated that the move to the new Emergency Occupation Center will open by the second half of fiscal year 2019. As a result, increased costs associated with utilities, water, and custodial related expenses were included. These costs are estimated to be \$157,384 and \$324,211 in years three and four respectively.
- **Sheriff:** Uniform costs increased by \$45,000 for years one and two for Riot Gear. Other Equipment increased by \$100,000 in year one for mobile data terminals. Additionally, \$2,000,000 was added

**CHAPTER 3: FINANCIAL SUMMARIES  
CHATHAM COUNTY, GEORGIA**

to all projected years in anticipation of contractual cost increases associated with prison medical services.

Health and Welfare:

- Mosquito Control: Year one costs increased by approximately \$100,000 in aircraft maintenance and parts associated with time wise components. However, related costs in years two and four resulted in an annual savings of roughly \$50,000 per year. Warehouse Supply costs are anticipated to increase by roughly \$200,000 in year one, and an additional \$105,000 in year two leveling off in year three and four; these cost increases are attributable to historical trends as well as rising concerns associated with Chikungunya, a virus carried by humans and spreadable by mosquitos.

Debt Service:

- 2011 Union Mission Bond: \$2,705,921 in anticipated principal payment was programmed for FY 2017

The following table depicts the annual growth rate applied to various expenditure categories:

Expenditure Category	Annual Growth Rate			
	2017	2018	2019	2020
Salary, FICA, and Pension <sup>1</sup>	1.03%	1.03%	1.03%	1.03%
Insurance and OPEB <sup>2</sup>		Held at the FY 2016 Adopted level.		
Purchased services <sup>3</sup>		Held at the FY 2016 Adopted level.		
Supplies <sup>3</sup>		Held at the FY 2016 Adopted level.		
Equipment/capital outlay <sup>3</sup>		Held at the FY 2016 Adopted level.		
Interfund/interdepartmental charges <sup>3</sup>		Held at the FY 2016 Adopted level.		
Depreciation	0.00%	0.00%	0.00%	0.00%
Other expenditures <sup>3</sup>		Held at the FY 2016 Adopted level.		
Debt service <sup>4</sup>				Varies
Transfers out <sup>2</sup>		Held at the FY 2016 Adopted level.		

Notes:

1. The annual growth rate for this category of expenditures is based on the potential merit adjustments and the associated impact to FICA and Pension costs.
2. The annual growth rate for this category of expenditures is held at the FY 2016 Adopted level.
3. The annual growth rate for this category of expenditures is based on the projected Municipal Cost Index growth rate for the stated period. The Municipal Cost Index is designed to show the effects of inflation on the cost of providing municipal services. At this time, the index shows a decline over the most recent period. As a result, expenditures in these categories were held constant at the FY 2016 Adopted Budget level.
4. The annual growth rate for Debt Service is based on scheduled principal and interest payments as outlined in the organization's various debt agreements.

**PROJECTED FIVE YEAR STATEMENT OF REVENUES AND EXPENDITURES**

**Special Service District Fund – Adopted FY 2016**

The Projected Statements of Revenues and Expenditures are used to facilitate planning and identify problem areas well ahead of the annual budget cycle. The forecasts are provided to County management and elected officials. Assumptions are based on both historical trend and current economic conditions.

**Tax Revenues:** Tax revenues were projected based on the projected expenditures as well as Fund Balance requirements. When necessary, tax rates may be adjusted to achieve stability in the revenue stream. In this analysis, the tax rate assessed to individual properties was held constant during the projected fiscal years.

**Tax Rate:** 4.130 in years 1, 2, 3, and 4.

**Digest Growth:** In an effort to smooth out anomalies in the historical digest growth rate and normalize the anticipated digest growth over the forecasting period, a three year rolling average was used for each subsequent year. As a result, the digest growth rate was 1.23% in year 1, .79% in year 2, 1.08% in year 3, and 1.03% in year 4.

**Other Revenue Categories:** A pre-audit review of FY 2015 year to date revenue collections was performed on all revenues within the fund. Year one projections were adjusted to closely reflect the FY 2015 year to

**CHAPTER 3: FINANCIAL SUMMARIES  
CHATHAM COUNTY, GEORGIA**

date collections when appropriate. Subsequent year projections were either held constant at the year one projection or a modest growth rate was applied based on historical trends.

Expenditures: Projected expenditures in years one through four are based on departmental input as well as the application of annual growth rates based on historical and market trends for specific categories of expenditure.

The following table depicts the annual growth rate applied to various expenditure categories:

<b>Expenditure Category</b>	<b>2017</b>	<b>2018</b>	<b>2019</b>	<b>2020</b>
Salary, FICA, and Pension <sup>1</sup>	1.03%	1.03%	1.03%	1.03%
Insurance and OPEB <sup>2</sup>		Held at the FY 2016 Adopted level.		
Purchased services <sup>3</sup>		Held at the FY 2016 Adopted level.		
Supplies <sup>3</sup>		Held at the FY 2016 Adopted level.		
Equipment/capital outlay <sup>3</sup>		Held at the FY 2016 Adopted level.		
Interfund/interdepartmental charges <sup>3</sup>		Held at the FY 2016 Adopted level.		
Depreciation	0.00%	0.00%	0.00%	0.00%
Other expenditures <sup>3</sup>		Held at the FY 2016 Adopted level.		
Debt service <sup>4</sup>				Varies
Transfers out <sup>2</sup>		Held at the FY 2016 Adopted level.		

Notes:

1. The annual growth rate for this category of expenditures is based on the potential merit adjustments and the associated impact to FICA and Pension costs.
2. The annual growth rate for this category of expenditures is held at the FY 2016 Adopted level.
3. The annual growth rate for this category of expenditures is based on the projected Municipal Cost Index growth rate for the stated period. The Municipal Cost Index is designed to show the effects of inflation on the cost of providing municipal services. At this time, the index shows a decline over the most recent period. As a result, expenditures in these categories were held constant at the FY 2016 Adopted Budget level.
4. The annual growth rate for Debt Service is based on scheduled principal and interest payments as outlined in the organization's various debt agreements.

**COMPARISON OF PRESENTATION OF FUNDS**

**Adopted Budget Book to Comprehensive Annual Financial Report**

When comparing fund presentations between the County’s Adopted Budget Book and its Comprehensive Annual Financial report, several differences should be noted:

- The County’s Comprehensive Annual Financial Report presents audited financial statements for the Chatham County Health Department and the Live Oak Public Library System. These entities are discretely presented component units of the County. The County does not set budgets for these entities.
- The Comprehensive Annual Financial Report provides audited information on the County’s Pension Trust Fund and OPEB Trust Fund. The budget document does not provide information on the Trust Funds since no budgets are adopted.
- The definition of major funds in the Adopted Budget Document differs from the definition of major funds under GASB Statements. Therefore, the level of presentation in the two documents varies across funds.
- No budget is shown for the Catastrophic Claims Internal Service Fund, which is presented in the CAFR as a separate fund. Balances in this fund were transferred to the Risk Management Fund.

**This sections provides information on Capitol Projects and funding**

## CAPITAL PROJECT FUNDS

Capital Projects Funds are used to account for financial resources related to the acquisition or construction of major capital facilities (other than those financed by proprietary funds). Funding sources include bond proceeds, special purpose local option sales tax (SPLOST), and other unrestricted local funds such as operating transfers from the General Fund.

The County's annual budget process includes the preparation of a five-year Capital Improvement Program document and the preparation of a one-year pay-as-you-go capital budget for general purpose capital needs. The Capital Improvement Program is primarily a planning document. It represents an inventory of unfunded capital needs as identified by County Staff. It is subject to change each year as the needs for the community become better known and the scope of proposed projects evolve. Staff constantly monitors opportunities which arise to schedule and fund the Capital Improvement Program. A CIP Committee meets to rate each project, which provides a prioritization for funding. Items noted in the Capital Improvement Program are used to develop projects lists for future special purpose local sales tax referendums.

The list and scores are presented to the Board of Commissioners for consideration at the beginning of the annual operating budget process. The County Manager recommends projects for funding in his Recommended Budget. The Board discusses requests directly with the department head or elected official making the request.

Funding and project appropriations for the one-year pay-as-you-go component becomes the adopted Capital Improvement Project (CIP) Fund budget for the fiscal year. The CIP Fund budget is appropriated in conjunction with the adoption of the County's annual operating budget in June each year.

Inclusion of a project/capital item for funding through a capital project fund is dependent upon the nature of the fund involved. For example, Sales Tax capital project funds include projects approved by referendum that are to be funded with a one-percent sales tax collected during the referendum period. Legislation has governed the types of projects allowed in each sales tax referendum. The Sales Tax I Fund is only for roads projects. The Sales Tax Fund II Fund expanded to include drainage projects and various capital facilities. Sales Tax III included roads, facilities, drainage, and municipality distributions. The Sales Tax Funds IV, V, and VI included all the above as well as distributions to non-profit organizations. The County also has capital project funds related to a specific bond issues and for general capital needs. Projects included in the bond funds are limited to the projects listed in the offering statement for a given bond. The Capital Improvement Program (CIP) Fund represents general capital project needs of the County with an individual cost of \$25,000 and a minimum five year life-span. New projects are added to the CIP Fund each year based on project prioritization and funding availability.

The objectives of the general purpose capital improvement program include:

Preservation and improvement of the County's basic infrastructure through public facility construction and rehabilitation;

Maximization of the useful life of capital investments by scheduling major renovations and modifications at the appropriate time in the life-cycle of the facilities;

Identification and review of future infrastructure needs to establish priorities among projects so that available resources are used to the best advantage;

## CHAPTER 4: CAPITAL & DEBT CHATHAM COUNTY, GEORGIA

Improved financial planning by comparing needs with resources, evaluating funding sources and identifying potential operating budget implications.

The CIP document included project requests totaling \$30,564,769 for FY 2016. Of these proposed projects, funding of \$6,563,122 was included in the FY2016 budget for projects ranging from building improvements to recreation.

The total five year proposed program requests total \$168,978,027. Due to its size, the project detail for the CIP Document is not included herein.

The County has not incorporated consistent capital budgeting into its operating budget process, however, the County Manager has introduced this as a goal for future fiscal years. For the past several years, capital improvements have been funded at the close of the fiscal year. Prior to funding capital improvements, the County reviews fund balance/net assets levels to ensure compliance with the organization's financial policies. Subsequent to the aforementioned financial policy review, the Board may approve transfers out to the capital funds of excess reserve levels. In those situations where reserve levels are not sufficient to fund capital requests, the Board may pursue debt financing or alternative revenue sources. For example, in 2005 the County funded a number of facility projects with a bond issue. In 2006, a referendum was approved to fund several facilities, including a Detention Center Expansion, with special purpose local option sales taxes beginning in October 2008. During this year's budget development, completed Capital Projects were reviewed and remaining funds rolled into new projects.

Capital assets that do not meet the funding threshold for inclusion in the Capital Project Funds are funded within the various departmental operating budgets. These assets typically include equipment and/or furniture used in general operating activities.

The County's Capital Project Funds are:

- ❖ Sales Tax I Fund - One Percent Sales Tax Fund (1985 to 1993)
- ❖ Sales Tax II Fund - One Percent Sales Tax Fund (1993 to 1998)
- ❖ Sales Tax III Fund - One Percent Sales Tax Fund (1998 to 2003)
- ❖ Sales Tax IV Fund - One Percent Sales Tax Fund (2003 to 2008)
- ❖ Sales Tax V Fund - One Percent Sales Tax Fund (2008 to 2014)
- ❖ Sales Tax VI Fund – One Percent Sales Tax Fund (2014 to 2020)
- ❖ Capital Improvements Program Fund

The following project funds are no longer active and will be closed out in FY2016.

- ❖ Capital Improvements Program Bond Fund (Series 1999)
- ❖ Capital Improvements Program Bond Fund (Series 2005)
- ❖ Capital Improvements Program Bond Fund (Detention Center Expansion)

The classification of items as capital or operating expenditures/expenses is based on two criteria – cost and frequency. Simply stated, capital improvements have the following characteristics:

- Are relatively expensive with value of over \$25,000 (excluding vehicles),

- Are typically one time expenditures or do not do not recur annually,
- Have a useful life of 5 years and over, and
- Result in an increase in fixed assets.

Each year, the County Commission adopts a rating system for prioritizing proposed Capital Improvement Program projects. During the FY 2015 through 2019 Capital Improvement Program process, each project was rated against the following considerations and the total points determined. These points established the relative priority of each project within the program.

#### Service Level Priority Classification

- Mandatory – Addresses a legislative or legal requirement, or a contractual obligation
- Critical – Protects life, health or safety
- Maintenance – Allows continuation of existing service at same level, or finishes partially complete projects.
- Enhancement – Improves services or facilities when obsolete or inadequate
- New Service – Expands scope or existing public service or introduces an entirely new service

#### Policy Priority Classification

- Legal Requirement – Legal or contractual obligation.
- Economic Stimulus – Project eligible to bid out quickly to create local job.
- Environmental – Meets a recommendation of the Chatham Environmental Forum
- Roads and Drainage Infrastructure – Improvements to Roads and Drainage Infrastructure
- Safety / Correction – Protects life, health or safety (includes County correctional system).
- Infrastructure – Public domain fixed assets such as roads, bridges, and similar assets that are immovable and of value only to the government unit
- Other – Other than listed above

Expected Useful Life – How long until replacement is necessary?

Boards Goals Addressed – How many goals will the project address?

Board Goals: To provide all citizens the best place to live, work and play:

- By protecting the public safety of everyone.
- By providing outstanding recreational services and facilities community-wide.
- By stimulating economic growth through cooperative business practices to include predictable permitting.
- By establishing and maintaining effective management of the County's resources.
- By developing and maintaining road and drainage infrastructure.
- By pursuing State legislation that supports the County's goals.
- By responding to legislative mandates in the most cost-effective manner.

Effect on Revenue Sources – How does this affect County revenues?

Grant Reimbursement – Is it available? What match percentage?

**CAPITAL IMPROVEMENT PROGRAM SUMMARY**

Table 6 represents the projects that were approved for funding during this fiscal year from those listed in Table 5.

**Capital Improvement Program Funded Projects FY 2015 / 2016**

<b>General Fund</b>		
<b>DEPARTMENT</b>	<b>Project</b>	<b>Adopted</b>
<b>TAX COMMISSIONER</b>	Billing Tax Collection / Assessment	591,000
<b>FLEET</b>	Fleet - M&O CNT Vehicles	253,600
<b>FLEET</b>	Fleet - M&O Marine Patrol Vehicle	28,200
<b>FLEET</b>	Fleet - M&O Animal Control Vehicle	18,200
<b>FINANCE</b>	Finance/HR/Purchasing system	1,100,000
<b>ICS</b>	Radio System Microwave Replacement	200,000
<b>MAINTENANCE</b>	Elevator Replacement	51,000

<b>PARKS</b>	Lake Mayer Tennis Courts	247,500
<b>PARKS</b>	Lake Mayer Parking	335,000
<i>Total Allocation</i>		1,227,500
<b>Total CIP Allocation</b>		<b>6,563,122</b>

*Table 6*

Table 7 represents those critical projects costing over \$500,000 that were not funded during this fiscal year.

<b>CIP Critical Projects Unfunded FY2015/2016</b>		
<b>DETENTION CENTER FACILITIES MAINTENANCE</b>	Replacement of HVAC Unit #5	575,000
	Air Handler Replacement	550,000
<b>CHATHAM AREA TRANSIT</b>	Fleet Replacement – Fixed Route (Grant Funded)	4,250,000

*Table 7*

**Detention Center – HVAC Systems in Unit 5**

**Project cost - \$575,000**

The HVAC system for Unit 5 consists of 57 individual units. Several have been replaced in the past few years; however, units range in age from 9 to 23 years. Replacement costs average about \$5,600 per unit along with the other costs associated with removal and installation. At the same time, this will upgrade the Emergency Management Control System wiring and Smoke Evacuation System to stay in compliance with Fire Code Regulations.

**CHAPTER 4: CAPITAL & DEBT  
CHATHAM COUNTY, GEORGIA**

**J. Tom Coleman Courthouse Air Handler Replacement**

**Project Cost - \$550,000**

The HVAC System in the Judicial Courthouse was upgraded in 2001 at a cost of 2.1 million dollars. Due to the lack of funding, removal and replacement of the three (3) old air handlers, cleaning of the Air Duct System, and replacement of all Flex Ducts and Plenum Boots were not accomplished. NOTE: In accordance with the Health Department, this is a health issue and in conjunction with the recommendations from Rosser, Inc., the engineering firm that designed the existing HVAC System, not replacing or removing the old dated equipment, the Judicial Courthouse would continue to have air quality problems. This CIP was first requested in FY2002/03. This project was incorporated into the renovation of the Judicial Court complex funded with SPLOST with construction beginning in FY 2015/2016.

**Chatham Area Transit – Fleet Replacement**

**Project Cost - \$4,250,000**

Funds appropriated will be used as matching funds from federal transportation grants to purchase, replace, and rebuild fixed route vehicles. The schedule above calls for the purchase of 5 to 6 buses each year of the program, plus an ongoing rebuild program. The buses would be heavy and medium duty transit buses used in the operations of our system.

**Other Capital Projects and Funding**

<b>Funding</b>	<b>Project</b>	<b>Type</b>	<b>Fiscal 2016</b>	<b>Project Status</b>

**IDENTIFICATION OF SIGNIFICANT, NON-ROUTINE PROJECTS**

Funded Capital Projects - Fiscal 2016 Budget

Significant, non-routine capital expenditures are defined as those expenditures with significant costs and an impact on the County's operating budget. Many of the County's capital projects have a significant cost but, because of the project type or potential conveyance to a municipality upon completion, do not have a projected budgetary impact. For example, the road construction projects found throughout the Sales Tax Funds should not produce future operating budget impacts due to conveyance. A review of funded capital projects indicates that the following projects meet the criteria for significant, non-routine capital expenditures:

Detention Center / Jail Expansion

Funding Source: CIP Bond Fund 2008 (SPLOST Revenue) \$ 12,741,729  
 Purpose of project: The 852-bed expansion to the existing Detention Center is complete. Phase II is underway, and is comprised of reconstruction of Unit 5, a new K-9 facility, and new work release center.

County Courthouse

Funding Source: Sales Tax V (SPLOST Revenue) \$ 5,909,246  
 Purpose of project: Renovation of the County's judicial courthouse is underway to renovate, and build new courtrooms on the 1st floor. The estimated completion date for this project is mid-2016.

Juvenile Court Renovation/Expansion

Funding Source: Sales Tax V & VI (SPLOST Revenue) \$ 4,778,324  
 Purpose of project: Funding for roof replacement, and renovation of the existing Juvenile Court

**CHAPTER 4: CAPITAL & DEBT  
CHATHAM COUNTY, GEORGIA**

facility. Renovation will also include replacement of a chiller. Expansion will add about 50% available space; however, no new people will be added.

Eastside Police Precinct

Funding Source: Sales Tax V (SPLOST Revenue) \$ 2,929,267  
Purpose of project: Funding for a new SCMPD Police Precinct on the eastern side of Chatham County. This facility will assist public safety officials in a busy, and populated area in the County. Presently, this is in the planning stage.

**CAPITAL EXPENDITURES IMPACT ON THE OPERATING BUDGET**

Fiscal 2016 is unique regarding Capital expenditure impact on the current operating budget. Although there are four separate, and significant construction projects underway, none are scheduled to be completed this year. One of the four major projects is still in the planning stage, while the other three are in various stages. The earliest project that will be completed is the Courthouse renovations, and it is estimated to finish mid-2016.

There are many on-going road, drainage and recreation projects underway in the current fiscal year, but none will add additional operating costs.

**LEGAL DEBT MARGIN AND DESCRIPTION OF LONG-TERM OBLIGATIONS**

LEGAL DEBT MARGIN

The present constitutional limit on direct general obligation bonds for Chatham County is the amount equivalent to 10% of the net assessed valuation of taxable property for debt service purposes. The unused legal debt margin is computed below:

Total Assessed Value Of Taxable Property For Year 2015	14,575,552,617
Less Exemptions For Bond Purposes (Year 2015)	(1,619,048,350)
Net Assessed Valuation Of Taxable Property For Bond Purposes	12,956,504,267
10% of Taxable Values	1,295,650,427
General Obligation Backed Debt	0
<u>Total Deductions</u>	<u>0</u>
Unused Legal Debt Margin	1,295,650,427

The Constitutional debt limitation applies to all general obligation bonds authorized. Additional general obligation bonds may be authorized to be issued if so approved by a majority of those voting in an election held for that purpose. Chatham County has no general obligation bonds authorized but unissued.

LONG TERM OBLIGATIONS

Chatham County has a number of long-term debt obligations. FY2016 principal and interest payments for the County's long term obligations by fund are:

**CHAPTER 4: CAPITAL & DEBT  
CHATHAM COUNTY, GEORGIA**

Long-term Obligation	Fund where Annual Debt Service Budgeted	Annual Principal	Annual Interest	Total
Radio/Console Upgrade	Debt Service	594,799	60,931	655,730
Series 2014 DSA Bonds	General Fund	795,000	233,700	1,028,700
Series 2011 DSA Bonds	General Fund	0	52,042	52,042
Series 2009 DSA Bonds	General Fund	95,000	73,247	168,247
Series 2005A DSA Bonds	General Fund	600,000	155,326	755,326
Pollution Control Facilities	General Fund	9,978	0	9,978
Mosquito Control Facility	General Fund	118,666	214,845	333,511
<b>Total Annual Debt Service</b>		<b>\$2,213,443</b>	<b>\$790,091</b>	<b>\$3,003,534</b>

A description of each of these obligations is shown:

Public Safety Radio and Console Upgrade Project (Lease Purchase)

Master Equipment Lease/Purchase Agreement, dated May 14, 2015 between Banc of America Public Capital Corp, as Lessor, and Board of Commissioners of Chatham County, as Lessee, for Equipment described as Radio and Communication Systems. Terms are 28 equal payments of \$163,932.57 beginning August 14, 2015 and every 4 months thereafter with a final payment of \$109,288.39 on May 14, 2022. The Contract Rate is 1.49378% per annum. As of June 30, 2015, the amount outstanding totals \$4,301,351

Downtown Savannah Authority (DSA) Revenue Refunding and Improvement Bonds (Chatham County Projects), Series 2014

The Series 2014 DSA bonds were issued on October 3, 2014 to current refund the DSA Series 2005 bonds issued on June 29, 2005, and the DSA Series 1993 bonds. The bond refunding provided a net PV (Present Value) savings of \$1,003,285 to be used for additional capital project needs. The bonds are limited obligations of the DSA, payable from payments made by the County to the DSA under the provisions of an intergovernmental agreement dated October 3, 2014. The bonds pay interest of 2.375% through the maturity date, with a final maturity on January 1, 2026. As of June 30, 2015, the bonds outstanding totaled \$9,840,000.

Downtown Savannah Authority (DSA) Revenue Bond, Series 2011, \$2.7 Million

On November 22, 2011 the County entered into an intergovernmental contract with the Downtown Savannah Authority relating to a Downtown Savannah Authority revenue bond (Chatham County – Union Mission Project) Series 2011. The maturity date of the bonds is October 1, 2016. Under the terms of the contract, Chatham County is obligated to pay interest for five years. The annual payment for FY2015 is \$52,042.

Downtown Savannah Authority (DSA) Revenue Bonds, Series 2009, \$2.4 Million

The Series 2009 DSA bonds were issued on August 20, 2009 to provide funding for the Chatham County Union Mission Project. The bonds are limited obligations of the DSA, payable from payments made by the County to the DSA under the provisions of an intergovernmental agreement. The bonds pay interest of 3.810%. Final maturity occurs July 1, 2029. As of June 30, 2015, the bonds outstanding totaled \$1,970,000.

Downtown Savannah Authority (DSA) Revenue Refunding Bonds, Series 2005a

The Series 2005A DSA bonds were issued November 3, 2005 to partially refund the DSA Series 1999 bonds. The bonds are limited obligations of the DSA, payable from payments made by the County to the DSA under the provisions of an intergovernmental agreement. The bonds pay interest between 3% and 5%, depending on the maturity date, with a final maturity date on January 1, 2020. As of June 30, 2015, the bonds outstanding totaled \$3,295,000.

Pollution Control Facilities Financing

Chatham County, under court order, has agreements with various county municipalities regarding the financing of pollution control facilities. Payments to the City of Pooler currently remain under the obligation, and the payments will be completed in 2018. At June 30, 2015, the amount outstanding totals \$29,934.

Mosquito Control Facility

In February 2001 the County entered into an intergovernmental agreement with the Savannah Airport Commission (SAC). Under terms of the agreement the County contracted to reimburse the SAC for the design and construction costs of a Mosquito Control Facility. The County will repay SAC \$4,596,057 over thirty years at an interest rate of 6.08%. Monthly payments of \$27,793 began January 1, 2003 and will conclude on December 1, 2032. The County is also leasing a 7.7 acre site where the facility was built for fifty years. Annual rental is based on the appraised land value multiplied by a 12% factor. Rental rates will be modified every five years based upon a reappraisal of the land. Effective January 1, 2013 the land rental rate was amended to \$55,186 based on the new market valuation.

## **GENERAL FUND**

### **MAINTENANCE & OPERATIONS (M&O)**

The Adopted General Fund budget for FY 2015/2016 is presented in this section. The revenues, expenditures and comparisons for the previous 12 months budget (FY 2014/2015) are presented to show changes in revenues and expenditures.

The adopted budget is balanced with an adopted millage levy of 11.543 mills. The revenues and expenditures by categories of classification are presented on the following pages. Please note, the FY 2014/2015 actual data is unaudited.

**CHAPTER 5: DEPARTMENTAL INFORMATION  
CHATHAM COUNTY, GEORGIA**

**REVENUE VERSUS EXPENDITURES**

Below is a two-year comparison of revenues and expenditures for the General Fund by major category. Each category is shown as a percentage of the total:

The adopted General Fund budget appropriates \$ 170 million to fund expenditures.

A recap of revenue and expenditure changes for the General Fund by major category as adopted for FY 2015/2016 and compared to FY 2014/2015 is presented below

<b>Revenue Category</b>	<b>Adopted FY 2015 / 2016</b>	<b>Adopted FY 2014 / 2015</b>	<b>\$ Difference + or (-)</b>	<b>% Difference + or (-)</b>

**DEPARTMENT GOALS**

Chatham County Internal Audit is a service to County Management to provide assurance and consulting activities to evaluate and improve the effectiveness of risk management, control, and governance processes. To accomplish this service, Internal Audit:

1. Performs financial audits to test the accuracy and completeness of accounting records.
2. Performs reviews to investigate any indications of the abuse of County resources.
3. Audits contract performance to support the County's contract management.
4. Performs special reviews that benefit from the application of auditing skills and expertise.

CHATHAM COUNTY, GEORGIA**

**MOSQUITO CONTROL - 1005144**

Function	Description
Administration	Oversee all administrative functions of the department and support the county-wide fuel program.
Mosquito Control	Control adult mosquitoes with ground equipment. Monitor mosquito-borne disease activity data. Collect adult and immature mosquitoes to determine control requirements. Respond to service requests.
Aerial Support of other agencies	Support CEMA, SCMPD, and Sheriff's Dept.
Aircraft Maintenance & Operations	Execute aerial surveillance and pesticide application missions. Manage the fuel quality, quantity, usage, security and the leak detection monitoring system. Perform aircraft maintenance as required
Source Reduction & Operational Support	Ditch with heavy equipment in the U.S. Army Corps of Engineers dredged spoil areas to enhance dewatering for mosquito control purposes. Ensure surveillance trails are cleared.
Equipment Maintenance & Repair	Perform maintenance and repairs on pesticide dispersal equipment, automotive light and medium trucks and other operational equipment.

CHATHAM COUNTY, GEORGIA**

ACTIVITY	2013 / 2014 ACTUAL	2014 / 2015 BUDGET	2015 / 2016 ADOPTED
<b>1003910 Animal Control</b>	<b>923,027</b>	<b>1,103,470</b>	<b>1,071,410</b>
The Animal Control Unit provides services to all of Chatham County, except Tybee Island. Stray and unleashed animals are captured and impounded, fed and cared for until proper disposition can be determined. Sick and injured animals are transported to a local veterinarian facility for care prior to being transported to the shelter. The Animal Control Unit also investigates alleged cases of animal cruelty, bites, barking dogs, etc. and issues city/county ordinance citations. This service is through an intergovernmental agreement with the City of Savannah. All personnel are City of Savannah employees reimbursed through the County budget.			
<b>1003920 Chatham Emergency Management</b>	<b>1,126,931</b>	<b>1,032,007</b>	<b>1,074,650</b>
The Chatham Emergency Management Agency (CEMA) provides emergency service in disaster area assistance and in the event of enemy attack. The agency is organized to comply with Federal Law PL875 and State Law 1951 C.D. as amended under the National Emergency Act.			
<b>TOTAL PUBLIC SAFETY</b>	<b>2,729,099</b>	<b>2,928,102</b>	<b>2,980,205</b>
<b>HEALTH &amp; WELFARE</b>			
<b>1005110 Health Department</b>	<b>1,267,544</b>	<b>1,267,544</b>	<b>1,267,544</b>
The Chatham County Health Department administers a comprehensive public health program for the entire population of the County. Services are primarily preventive in nature except in certain specified communicable diseases such as tuberculosis, venereal disease and intestinal parasites where treatment is provided to prevent spread of diseases in the community. Examples of the broad sphere of health activities are programs in food and water source inspection, air pollution, waste disposal control, rabies control, housing safety, laboratory and dental facility, vital records, health education, and maternal and child care programs.			
<b>1005115 Safety Net Program</b>	<b>80,000</b>	<b>80,000</b>	<b>80,000</b>
The Chatham County Safety Net Planning Council is a collaborative of key stakeholders in health with a shared interest in improving access to healthcare for the uninsured and underinsured.			
<b>1005145 Mosquito Control Restricted</b>	<b>199,718</b>	<b>254,270</b>	<b>-</b>
A contingency account established for unpredictable expenditures associated with Mosquito Control.			
<b>1005190 Indigent Health Care Program</b>	<b>4,668,235</b>	<b>4,872,710</b>	<b>4,503,180</b>
The Indigent Health Care Program funding is designated to provide funding for health care treatment for the indigent population in Chatham County. In 1990 Chatham County and the Chatham County Hospital Authority (Memorial Medical Center) discontinued the contractual agreement whereby Memorial Medical Center would provide indigent health care to the citizens of Chatham County. The Westside Urban Health Care (WUHC) and Chatham County entered into an agreement for WUHC to provide treatment for indigents.			
<b>1005421 Greenbrier Children's Center</b>	<b>369,600</b>	<b>369,600</b>	<b>369,600</b>
The purpose, responsibility and charge of Greenbrier's Center, Inc. is to serve as a resource to meet the needs of the dependent, neglected, alienated and abused children of Chatham County. Greenbrier recognizes that the future of the community is dependent upon the ways in which our children grow now, and it is dedicated to strengthening home and community as well as preparing children themselves for responsible citizenship. In all programs the Greenbrier Children's Center seeks to remedy the effects of past neglect and abuse; to establish self-esteem and a realization of self-worth while promoting growth and development that will enable children to enjoy and contribute to society to their fullest ability.			
<b>1005440 Department of Family &amp; Children's Services</b>	<b>723,040</b>	<b>723,040</b>	<b>741,595</b>
The Chatham County Department of Family and Children Services (DFACS) of the State Department of Human Resources administers many programs in Chatham County including the administering of aid to families with Dependent Children program; Determines eligibility for participation in the Medicaid program; Certifies public assistance recipients in the Medicaid program; Provides general assistance grants from County funds for County

**SPECIAL SERVICE FUND  
SPECIAL SERVICE DISTRICT (SSD)**

The adopted Special Service District Fund budget for FY 2015/2016 is presented in this section. The revenues, expenditures and comparisons for the previous 12 month budget (FY 2014/2015) is presented to show changes in both cases.

The adopted budget is balanced with an adopted millage rate of 4.13 mills. The revenues and expenditures by category of classification are presented on the following pages. Please note that the FY 2014/2015 data is unaudited.

The Adopted Special Service District Fund budget appropriates \$ 30.5 million to fund expenditures for services in the County's unincorporated area.

**CHAPTER 5: DEPARTMENTAL INFORMATION

<b>OTHER FINANCING USES</b>			
<b>2709901 Transfer to CIP Fund</b> Funds that are appropriated from Special Service District Fund revenue for acquisition of items budgeted for the Capital Improvement Fund.	1,024,000	220,000	853,000

**CHAPTER 5: DEPARTMENTAL INFORMATION  
CHATHAM COUNTY, GEORGIA**

ACTIVITY	2013/2014 ACTUAL	2014/2015 BUDGET	2015/2016 ADOPTED
<b>2709918 Transfer to Emergency Communications Fund (E911)</b> Inter-fund transfer to the Emergency Communications Fund (E-911) for Savannah-Chatham Metropolitan Police Department.	278,221	503,978	-
<b>2709927 Contingency</b> The Contingency Reserve is an amount set up in each annual budget to take care of unusual or unforeseen items which cannot be anticipated at the time of budget preparation. As these items come up during the year, the contingency account is reduced by transferring the required funds to the appropriate account. Thus, at the end of each fiscal year, the funds in this budget account have either been transferred to the appropriate expenditure account or have not been spent so no expenditures are reflected in the columns for the previous year's actual expenditures.	-	100,000	100,000
<b>2709944 Transfer to GF - JCA Restricted</b> The Jail Construction Act established a 10% surcharge on court fines to help offset the costs of jails. Funds may be used for buildings, staffing and operation of jail facilities.	255,584	250,000	250,000
<b>2709949 Transfer to Building Safety FD570</b> An account to recognize the tax subsidy from the Special Service District tax district to the Building Safety and Regulatory Services enterprise fund.	325,230	366,291	370,000
<b>2709950 C G R D C</b> Chatham County officially became a member of the Coastal Area Georgia Regional Development Center on July 1, 1972 having been transferred from the disbanded Georgia Southern Area Planning & Development Commission. The annual cost is based on population.	87,194	87,200	113,353
<b>2709957 Reimbursable Expense</b> Expenditures billed to outside agencies.	351,672	700,000	700,000
<b>2709959 Accrued Benefits Expense</b> Funds set aside for compensated absences that are earned but not paid.		25,000	-

## SPECIAL REVENUE FUNDS

These funds are used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or for major capital projects) that are legally restricted to expenditure for specified purposes.

Listing of Special Revenue Funds contained herein:

**Confiscated Fund** - This fund accounts for the funds generated from participation in drug related cases.

**Sheriff Confiscated Fund** - This fund accounts for funds received by the Sheriff from seized asset sales.

**Street Lighting Fund** - This fund accounts for the special assessments levied for street lighting services.

**Emergency Telephone System** - This fund accounts for the funds generated for telephone subscriber surcharges for operation of the emergency 911 system. The surcharge is \$1.50 per month per exchange access facility (telephone), for each cellular telephone and for Voice over Internet Protocol service. The system is administered by the City of Savannah as part of an intergovernmental agreement.

**Restricted Court Fees** - This fund accounts for legally restricted court fine and fee collections for victim witness fees, drug surcharge fees, and juvenile court supervision. This fund also account for activities of the State's DUI Court.

## CHAPTER 6: OTHER FUNDS CHATHAM COUNTY, GEORGIA

**Inmate Welfare Fund** - This fund account for the operation of the inmate jail commissary.

**Multiple Grant Fund** – this fund accounts for miscellaneous grants accounted for in separate special revenue funds.

**Child Support Enforcement Fund** - This fund account for funds received and expended for the cost associated with the collection and distribution of child support received and / or recovered.

**Hotel / Motel Tax Fund** – this fund accounts for hotel/motel tax collections and related disbursements be accounted for in a separate special revenue fund.

**Land Disturbing Activities Ordinance Fund** - This fund account for the funds generated under the Land Disturbing Activities Ordinance.

**Land Bank Fund** - This fund account for funds generated from the sale of surplus land and expenditures incurred to prepare County properties for transfer or for sale; to maintain properties and to remove dilapidated structures.

## **CAPITAL PROJECT FUNDS**

Capital Project Funds are financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds and trust funds). Funding sources include general obligation bond proceeds, Special Purpose Local Option Sales Tax (SPLOST) funds, revenue bond proceeds, and other unrestricted local funds, usually as a result of an operating transfer from the General or SSD Funds.

In general, the County defines capital assets as items with an individual cost of \$25,000 or more and an estimated useful life in excess of five years. The threshold for infrastructure assets is an individual cost of \$50,000.

Inclusion of a project / capital item for funding through a capital project funds is dependent upon the nature of the fund involved. For example, legislative requirements vary among what is allowed in each sales tax fund. The Sales Tax I Fund is only for road projects. The Sales Tax II Fund expanded to include drainage projects and various capital facilities. Sales Tax III included roads, facilities, drainage, and municipality distributions. The Sales Tax IV and Sales Tax VI Funds included all of the above as well as distributions to non-profit organizations. Projects in the bond fund are limited to the projects listed in the offering statement. The CIP Fund represents general project needs of the County and identifies an individual cost of \$25,000 with at least a five year life-span for capital project inclusion.

**CHAPTER 6: OTHER FUNDS  
CHATHAM COUNTY, GEORGIA**

**SPECIAL PURPOSE LOCAL OPTION SALES TAX FUND 320 –**

**SALES TAX I - PERIOD 1985 THROUGH 1993**

The General Assembly of the State of Georgia in 1985 amended Chapter 8 of Title 49 of the Official Code of Georgia Annotated, relating to the sales and use taxation and authorized the imposition of a special county one (1) percent sales and use tax.

The maximum period of time should not exceed five years, or not to exceed four years if the proceeds of the tax are to be used for road, street and bridge purposes.

Chatham County held a referendum on June 11, 1985 and voters approved a Special One Percent Sales Tax to fund transportation needs countywide. The collection period was for four years effective October 1, 1985 through September 30, 1989. The actual cash receipt period was December 31, 1985 through November 30, 1989. The actual revenues collected under this referendum were \$92.2 million.

Legislation provided for imposition of the tax for another four (4) years. Again via local referendum, the tax was extended for another four years October 1, 1989 through September 30, 1993. The actual sales and use tax revenues for the second four years totaled \$110,651,675. The revenues received from this special purpose sales tax levy in combination with state funding will be used to construct roads, streets and bridges in Chatham County. The projected expenditures to be funded from the imposition of the special purpose sales and use tax is estimated at \$232.6 million, additional matching funding will be provided from the State of Georgia Department of Transportation

**SPECIAL PURPOSE LOCAL OPTION SALES TAX - FUND 321 –  
SALES TAX II – PERIOD 1993 THROUGH 1998**

On May 7, 1993, the Board approved a Resolution to extend the Special Purpose One Percent Sales and Use Tax. The referendum held on June 15, 1993 approved the passage of this sales and use tax extension. The collection period was for five years effective October 1, 1993 through September 30, 1998 (cash receipt December 31, 1993 through November 30, 1998).

The summary below represents the appropriation of funds from the estimated tax proceeds of \$142.5 million over the five years:

<u>Project Description</u>	<u>Project Amount</u>
Roads, streets and bridge projects	57,100,000
Local Roads – Distribution	12,028,000
Recreation, Cultural and Historical Facilities	16,794,000
Replace Main Library	5,000,000
Juvenile Justice Center	5,000,000
Drainage Projects	9,300,000
Thunderbolt Town Center – County Contribution	222,500
Georgia Maritime and Trade Center	37,000,000
<b>TOTAL</b>	<b>142,444,500</b>

On September 19, 1995, a referendum was held and voters approved a Special One Percent Sales Tax for the raising of not more than \$20,848,000 for a period of time not to exceed two calendar quarters, but no later than September 30, 1998 for completion of the following projects:

<u>Project Description</u>	<u>Project Amount</u>
Georgia Maritime and Trade Center	15,000,000
Recreation and Historical Facilities	5,848,000
<b>TOTAL</b>	<b>20,848,000</b>

CHATHAM COUNTY, GEORGIA**

**SPECIAL PURPOSE LOCAL OPTION SALES TAX – FUND 322  
SALES TAX III - PERIOD 1998 THROUGH 2003**

Chatham County held a referendum on June 17, 1997 and voters approved the extension of the Special Purpose Local Option Sales Tax. The collection period was for five years effective October 1, 1998 through September 30, 2003 (cash receipt December 31, 1998 through November 30, 2003) to provide funding for four categories of projects. The resolution was based on a commitment to the community that priority projects would be funded entirely then any remaining funds would be left for local government projects.

The summary below represents the appropriation of funds from the estimated tax proceeds of \$230,000,000 over the five years:

<u>Project Description</u>	<u>Project Amount</u>
Roads, Streets and Bridges	41,618,000
Drainage Capital Improvements	145,900,000
Open Space & Greenway / Bikeway	9,000,000
Other Capital Outlay Projects	33,482,000
<b>TOTAL</b>	<u><u>230,000,000</u></u>

The actual revenues collected totaled \$218,642,282. On September 13, 2002 the Board approved an amendment to reduce the Other Capital Outlay category to recognize the shortfall.

CHATHAM COUNTY, GEORGIA**

**SPECIAL PURPOSE LOCAL OPTION SALES TAX - FUND 323  
SALES TAX IV - PERIOD 2003 THROUGH 2008**

On March 13, 2003, qualified voters residing within Chatham County approved the imposition of a Special Purpose Local Option Sales Tax to be collected from October 2003 to September 2008. The first \$16 million collected under the referendum will be used to retire outstanding debt; distributions to municipalities begin after collection of the first \$17 million. The proceeds of the tax totaling a projected

amount of \$276,627,433 will be utilized in the following project categories:

<u>Project Description</u>	<u>Project Amount</u>
Roads, Streets and Bridge Projects	47,620,000
Drainage Projects	79,950,000
Acquisition of Henderson Golf Course & Mighty 8th Air Force Heritage Center	16,000,000
Debt	
Open Space and Greenway Projects (except Savannah)	5,314,987
Other Capital Outlay Projects	127,742,446
<b>TOTAL</b>	<b>276,627,433</b>

To Include: public safety and emergency equipment; open space, greenway/bikeway, cultural, recreational, and historic facilities; water and sewer capital projects; public buildings; street and sidewalk improvements; drainage capital improvements; and park improvements and other municipal general obligation debt

**SPECIAL PURPOSE LOCAL OPTION SALES TAX - FUND 324  
SALES TAX V - PERIOD 2008 THROUGH 2014**

Chatham County held a referendum on September 2006 and voters approved the continuation of the Special Purpose Local Option Sales Tax. The collection period was for six years effective October 1, 2008 through September 30, 2014 (cash receipt December 31, 2008 through November 30, 2014) to provide funding for six categories of projects. The resolution was based on a commitment to the community that priority projects would be funded entirely then any remaining funds would be left for local government projects.

The summary below represents the appropriation of funds from the estimated tax proceeds of \$445,300,000 over the six years:

<u>Project Description</u>	<u>Project Amount</u>
Level 1 Projects-Jail, Judicial Courthouse,	148,000,000
County-Wide Roads	30,000,000
County-Wide Flood Control	20,000,000
County-Wide Capital Projects	18,000,000
Unincorporated County Projects	40,000,000
Municipality Distributions	189,300,000
<b>TOTAL</b>	<b>445,300,000</b>

**SPECIAL PURPOSE LOCAL OPTION SALES TAX - FUND 325  
SALES TAX VI - PERIOD 2014 THROUGH 2020**

Chatham County held a referendum on September 2013 and voters approved the continuation of the Special Purpose Local Option Sales Tax. The collection period was for six years effective October 1, 2014 through September 30, 2020 (cash receipt December 31, 2014 through November 30, 2020) to provide funding for six categories of projects. The resolution was based on a commitment to the community that priority projects would be funded entirely then any remaining funds would be left for local government projects.

The summary below represents the appropriation of funds from the estimated tax proceeds of \$394,799,762 over the six years:

<u><b>Project Description</b></u>	<u><b>Project Amount</b></u>
County-Wide Roads	24,000,000
County-Wide Flood Control	12,000,000
County-Wide Capital Projects	37,000,000

CHATHAM COUNTY, GEORGIA**

**CAPITAL IMPROVEMENT FUND 350**  
**GENERAL PURPOSE CAPITAL IMPROVEMENT PROGRAM**  
**FISCAL YEAR JULY 1, 2015 - JUNE 30, 2020**

The County's annual budget includes the preparation of a one-year pay-as-you-go capital budget for general purpose capital needs and a five-year (5) Capital Improvement Program (CIP). Funding for the first year pay-as-you-go component is appropriated in conjunction with the adoption of the County's annual operating budget. Through the annual CIP process, the County strives to develop plans and recommendations aimed at achieving a number of objectives. These objectives are:

1. To preserve and improve the basic infrastructure of the County through public facility construction and rehabilitation;
2. To maximize the useful life of capital investments by scheduling major renovations and modifications at the appropriate time in the life-cycle of the facilities;
3. To identify and examine future infrastructure needs and to establish priorities among projects so that available resources are used to the best advantage;
4. To improve financial planning by comparing needs with resources, estimating future bond issues and identifying potential fiscal implication.

**CHAPTER 6: OTHER FUNDS  
CHATHAM COUNTY, GEORGIA**

**ENTERPRISE FUNDS**

Enterprise funds are used to account for operation(s) that are:

- (1) Financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or
- (2) Where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for maintenance, public policy, management control, accountability or other purposes.

**Listing of Enterprise Funds contained herein:**

- Water and Sewer Fund – Provides water and sewer service to parts of the unincorporated area of the County.
- Solid Waste Management Fund – Provides solid waste collection, transportation and disposal to unincorporated area residents. Provides for the operation of the County landfills.
- CAT Authority Fund – County component unit that levies property tax to provide public transit services.
- Parking Garage Fund – Accounts for services provided by the Montgomery Street parking garage.
- Building Safety & Regulatory Services Fund – Provides for the collection of permit, plan review, inspections and zoning fees related to the administration for applicable County ordinances and enforcement of State minimum construction codes.

**CHAPTER 6: OTHER FUNDS  
CHATHAM COUNTY, GEORGIA**

**INTERNAL SERVICE FUNDS**

Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the government unit or to other governmental units, on a cost reimbursement basis.

**Listing of Internal Service Funds contained herein:**

- Computer Replacement Fund – This fund’s purpose is to replace desktop and laptop computers within the County departments every four years. Each County department is charged an annual replacement fee based on the number of computers within the department.
- Risk Management Fund – This fund was established originally established to track the reserve that is restricted for payment of risk management claims. With the adoption of the FY 2015/2016 budget an Occupational Safety department was added to the fund.
- Health Insurance Fund – This fund is used to account for physicians, hospitalization and pharmaceutical claims for which the County is self-insured. The Health Insurance Fund also accounts for County-paid individual employee insurance coverage. This fund provides budgetary protection by purchasing excess insurance that otherwise may expose the fund to significant loss.

**This section provides statistical and supplemental data that describes Chatham County and its community. Information related to services provided by the County is also contained within this section.**

## **MISCELLANEOUS STATISTICS - FY 2015/2016**

### **General**

Date of Incorporation – February 5, 1777

Form of Government – Board of Commissioners

Area – 633.4 Square Miles

Miles of streets and roads – 1,300

From its county population in 2000 of 232,281 to its current population (2014) estimate of 283,379, the county has experienced a growth change of 51,098.

Chatham County is the northernmost of Georgia's six coastal counties. Named for William Pitt the Elder, earl of Chatham, it was formed out of Christ Church Parish and St. Phillip Parish in 1777. It is the fifth oldest county in Georgia and is the home of Savannah, which serves as the county seat.

During the Civil War (1861-65), Chatham County became an important center of trade for the Confederacy, as the multitude of creeks and rivers in the area made the total blockade of the port of Savannah difficult for the Union.

Other than the brief attack on Fort Pulaski in April 1862, and a minor skirmish on Whitmarsh Island, the war bypassed Chatham County until the very end, when Union general William T. Sherman occupied the area in December 1864 at the conclusion of his march to the sea.

### **Education**

#### **Community Schools:**

Savannah-Chatham County Public School System (SCCPSS) is run by an elected Board of Public Education and operates most public schools in the Chatham County including those in the city of Savannah. The current superintendent is Dr. Thomas B. Lockamy, Jr. The total budget for the district in FY2015 is \$478,770,941.

The system had an enrollment of 37,790 students for the 2015 school year. SCCPSS operates 25 elementary schools, 10 middle schools, 7 K-8 schools, 10 high schools, and satellite facilities including the Massie Heritage Interpretation Center (a preserved historic school), the Oatland Island Education Center (an environmental education complex). The school system supports two alternative schools for middle and/or high school students and an adult learning center.

For more information on Savannah-Chatham Schools, go to: [www.sccpss.com](http://www.sccpss.com)

#### **Higher Education:**

Savannah has four colleges and universities offering bachelors, masters, and professional or doctoral degree programs: Armstrong State University, Savannah College of Art and Design (SCAD), Savannah State University, and South University. In addition, Georgia Tech Savannah offers certificate programs,

and Georgia Southern University has a satellite campus in the downtown area. Savannah Technical College, a two-year technical institution and the Skidaway Institute of Oceanography, a marine science research institute of the University of Georgia located on the northern end of Skidaway Island, offer educational programs as well. Savannah is also the location of Ralston College, a liberal arts college founded in 2010. Nearly 55,000 students are enrolled in 18 institutions of higher learning in and around the Savannah area. Universities and colleges include:

*Armstrong State University* - approximately 7,094 students. 55 undergraduate and graduate degree-granting programs.

*Savannah College of Art and Design* - Founded in 1978 to provide degrees in programs not yet offered in the southeast, the university now operates two locations in Georgia, a degree-granting location in Hong Kong, a degree-granting online education program, and a study abroad location in Lacoste, France with rotating course offerings. The university enrolls more than 11,000 students from across the United States and around the world with international students comprising up to 14 percent of the student population. SCAD offers degrees in over 40 areas of study.

*Savannah State University* - approximately 4,915 students. Savannah State operates three colleges, the College of Business Administration, the College of Liberal Arts and Social Sciences, the College of Sciences and Technology) and the Office of Graduate Studies and Sponsored Research (OGSSR). SSU offers 25 undergraduate degrees and 5 graduate programs.

*Savannah Technical College* - approximately 2,558 students. Offering more than 70 instructional programs in Allied Health, Business and Technology, Industrial Technology and Public Services – all supported by a full slate of college core courses in General Studies.

### **Municipal Services**

**Fire Protection:** 211 full-time city personnel. Savannah Airport- 30 full-time personnel, Southside Fire Department (Chatham County) subscription service - 28 full-time personnel. 8 volunteer fire departments in Chatham County. Fire insurance classification 2.

**Zoning:** City and county have zoning ordinance and subdivision design standards. (Source: <http://georgiafacts.net>)

**Police Protection** – Savannah-Chatham Metro Police Department.

Number of police Authorized - 737

### **Corrections:**

Chatham County Jail - Design Capacity - 2,360. Operational Capacity due to staffing - 1,650

### **Recreation and culture:** (Chatham County & City of Savannah)

Number of libraries - 14

Major Number of Recreation Sites – 140 including: aquatic center, tennis, golf, water, soccer complex, ball fields, bicycle and nature trails and others

**Transportation**

**Commercial Airport:** Savannah Airport (local) service by Allegiant, American Airlines, Delta, Jet Blue, Sun Country, and United

**General Aviation Airport:** Savannah Airport (local) with a 9,000 feet concrete runway, aircraft tie down, airframe & power plant repair, hangar, lighted runways.

**Rail:** CSX piggyback - Savannah (local); CSX rail - Savannah (local); Norfolk Southern piggyback - Savannah (local); Norfolk Southern rail - Savannah (local).

**Water:**

Navigable River: Savannah River (9 foot channel depth) with public barge dock at Savannah.  
Seaport: Savannah Seaport (local) with maintained channel depth of 42 feet.

**Bus Lines:** Greyhound offers 32 arrivals and departures daily.

**Interstate Highways:** I-16 and I-95

**Utilities**

**Electricity:** A part of Georgia's modern integrated electrical transmission system, Georgia Power has excellent ability to supply industrial demands within Chatham County. Compared to 47% for the U.S., coal accounts for 84% of fuel used by the Georgia Powers generating plants. If demand exceeds 900kw, any supplier can step in and offer service.

**Natural Gas:** Available in industrial quantities on both firm and an interruptible basis.

**Water:** Plant capacity: 77,110,000 gal/day. Consumption: 25,020,000 gal/day average, 31,458,000 gal/day maximum. Storage capacity: 975,000 gallons elevated, 5,150,000 gallons ground. Source: 41 deep wells. Pumping capacity: 52,052 gal/min. City of Savannah I & D System - Plant capacity: 62,500,000 gal/day. Consumption: 29,780,000 gal/day average, 45,840,000 gal/day maximum. Storage capacity: 15,000,000 gal. Source: surface water from tributary of Savannah River. Pumping capacity: 43,402 gal/min.

**Sewer:** Plant Capacity: 35,450,000 gal/day; Plant Load: 13,000,000 gal/day; Primary, secondary treatment plant.

Source: <http://georgiafacts.org>

**Health and Medical**

Number of Hospitals - 3

Number of Beds - 1100+

Physicians - 500+

Registered nurses - over 2000

**CHAPTER 7: SUPPLEMENTAL INFORMATION  
CHATHAM COUNTY, GEORGIA**

Additionally, there are two state of the art cancer research and treatment centers in Savannah that provide specialized cancer care and research with the newest developments in cancer care technology. These two specialty centers service the entire region as they are in the forefront of their profession.

**Communications:**

Radio Stations – 22

Television Stations - 8

Newspapers: *Savannah Morning News, the Herald Newspaper, Creative Loafing*

**Museums and Historic Sites**

Savannah is unique among American cities with its celebrated 18th, 19<sup>th</sup>, and early 20th century architecture, including a one square mile National Historic Landmark District, 12 National Register districts, twenty-two of an original twenty-four squares, and even the charming Spanish moss draped from the trees. Some of the historic sites include:

- ❖ Andrew Low House
- ❖ Beach Institute - African American Cultural Center
- ❖ Davenport House Museum - Savannah's first restoration project (1815)
- ❖ Flannery O'Connor Home
- ❖ Fort Pulaski
- ❖ Georgia Historical Society (Hodgson Hall)
- ❖ Juliette Gordon Low Birthplace
- ❖ King-Tisdell Cottage Foundation
- ❖ Mighty Eighth Air Force Museum
- ❖ Old Fort Jackson
- ❖ Ralph Mark Gilbert Civil Rights Museum
- ❖ Roundhouse Railroad Museum
- ❖ Ships of the Sea Museum
- ❖ Telfair Museum of Art
- ❖ Owens-Thomas House

*Chatham County's unique history as well as its coastal location provides economic benefits to the region. Data on the County is presented herein:*

**History of Chatham County**

Chatham County is the nucleus from which the present great State of Georgia has grown. Savannah was the first settlement recognized by the English government in colonial days. At Savannah, on February 12, 1733, with 116 settlers, the colony of Georgia was founded by James Edward Oglethorpe, a member of the English Parliament. In 1741, the Trustees divided the new colony into two colonies - the Savannah Colony and the Frederica Colony. In 1743, Oglethorpe departed for England leaving William Stephens, the first President of Georgia, over the government made up of the two colonies.

In 1758, the province was divided into eight parishes, one being Christ Church, which later formed most of the territory of Chatham County. In 1777, the first regular Constitution of the State was promulgated and at this time, parishes were abolished and counties named in their place. The County is named for William Pitt, the Earl of Chatham, an English nobleman. In 1786, the Chatham Artillery, the nation's oldest active military organization, was organized.

Chatham County is the sixth largest of the State's 159 counties. The County encompasses 438 square miles and still has its early boundaries as laid down in the Revolution. The County is bounded on the north by the Savannah River and South Carolina, on the east by the Atlantic Ocean, the south by the Ogeechee River and Bryan County, and on the west by Effingham County. It is the most easterly county in the State, and has many winding estuaries, rivers, and Sea Islands. It has as its county seat the main port of the State, the historic City of Savannah.

**General overview**

*Fountain located downtown Savannah in beautiful Forsyth Park*

*Old Chatham County Courthouse circa 1908*

Chatham County represents the major metropolitan area in the Southeast Georgia region; ranks fifth in population in the state and is noted for having a stable economy.

The County has a dual personality, that of a major tourist attraction, and an extraordinarily successful port. This gives it a vibrancy that few other places can match. The city of Savannah also is a premier destination for national conventions and trade shows.

## CHAPTER 7: SUPPLEMENTAL INFORMATION CHATHAM COUNTY, GEORGIA

### Population

Population in the Savannah MSA is projected to grow 69%, adding more than 202,000 people from 2000 to 2030, according to a study by Georgia Office of Planning and Budget. During this period, Chatham's population is expected to increase 39.7%; Bryan will grow by 154%; and Effingham will jump 198%.

*Chatham County Aquatic Center*

### POPULATION - CHATHAM COUNTY AND SAVANNAH METROPOLITAN AREA

Year	Chatham County	Effingham County	Bryan County	Total Metro Area
1980	202,226	18,727	10,175	231,128
1990	216,774	25,687	15,438	257,899
2000	232,048	37,535	23,417	293,000
2010	265,128	52,250	30,233	347,611
2015	283,379	55,423	39,906	378,708

*SOURCES: Bureau of the Census, Georgia Office of Planning and Budget*

### Income

In the fourth quarter of 2014, the average weekly wage was \$871. This can be compared to the national average weekly wage of \$1,035 and State of Georgia at \$958.

Fourth quarter wage gains in 2014 compared to fourth quarter 2013 were 2.7%. The purchasing power of those wages is enhanced due to the relatively low cost of living and housing in the region. This, combined with Savannah/Chatham's high quality of life, implies that workers and employers continue to receive a high return on value for area wages.

*SOURCES: US Department of Labor/Bureau of Labor Statistics*

## CHAPTER 7: SUPPLEMENTAL INFORMATION CHATHAM COUNTY, GEORGIA

### Labor Force / Employment

In the last three years, unemployment in Chatham County has been slightly higher than Statewide. Chatham's unemployment has been consistently 1% above the United States rate. In 2015, Savannah's employment will rise by 2.5 percent, or 4,000 jobs. The area's long-term growth prospects are among the best in the nation.

*The Chatham County Sheriff's Office and Detention Center employs 631 employees*

### EMPLOYMENT DATA – CHATHAM COUNTY, GEORGIA

### Manufacturing

The Savannah Metropolitan Statistical Area's manufacturing firms created approximately 19.3% of the area's economic output as measured by Gross Domestic Product, accounting for \$2.7 billion of output in 2013. The number of manufacturing establishments in the Savannah CMSA was 249 firms employing 15,667 workers as of mid-2014

**MAJOR MANUFACTURING EMPLOYERS IN THE CHATHAM COUNTY AREA**

Firm	Product	Employment
Gulfstream Aerospace	Jet aircraft, aerospace equipment	10,000+
Georgia Pacific Corporation	Paper products	1,000-4,999
International Paper Corporation	Paper, chemicals, corrugated containers	500-999
Chemtall, Inc.	Chemicals	500-999
JCB, Inc.	Construction equipment	500-999
Savannah Morning News	Newspaper publishing	250-499
Mitsubishi Power Systems	Turbines	250-499
Imperial Sugar	Refined sugar	250-499
Efacec Power Transformers	Transformers	250-499
Weyerhaeuser	Bleached pulp	250-499
Interstate Paper LLC	Kraft linerboard	250-499
Derst Baking Co.	Baked goods	250-499

**Tourism**

The preservation and restoration of Savannah's downtown historic district and the riverfront has served as the anchor for tourism in the area. Complementing the tourism sector is convention trade. Savannah's Civic Center includes a 2,566 seat theater, an arena with a capacity of 9,600, a ballroom with a capacity of 550 and over 25,000 square feet of exhibit space. In addition, the Savannah International Trade & Convention Center has allowed Savannah to compete for larger conventions, meetings and events. Savannah's tourism and hospitality industry currently employs over 24,000 people and continues to be one of the largest economic drivers of Savannah. Travel to Savannah remains strong and the city enjoys visitors from all over the world. Most recently, the city was named "A World's Best City for United States & Canada" by Travel & Leisure.

*View of Savannah International Trade & Convention Center (top left) on the Savannah River*

Chatham County has over 14,900 hotel/motel rooms and a variety of restaurants in the downtown area and throughout the Metropolitan Area. During the past ten years, the growth in retail trade and service sectors is attributable to increased tourism and reflects its importance to the County's income.

The Savannah tourism sector has experienced strong growth in 2014. In 2014, over 13.5 million visitors came to Savannah, including 7.5 million overnight visitors and 6 million day-trippers. Visitor spending total \$2.5 billion, and room tax revenue collections exceeded \$20 million for the first time in 2014.

**CHAPTER 7: SUPPLEMENTAL INFORMATION  
CHATHAM COUNTY, GEORGIA**

Room Tax Revenue

Year	Number of	Person-stays	Savannah &	Total Direct
	Hotel Rooms	Overnight	Unincorporated	Visitor Spending
2010	14,893	6,300,000	\$14,400,000	\$1,700,000,000
2011	15,026	6,800,000	\$15,500,000	\$1,940,000,000

2013	14,743	7,300,000	\$17,900,000	\$2,300,000,000
2014	14,983	7,600,000	\$20,700,000	\$2,500,000,000

*SOURCE: Savannah Area Chamber of Commerce, Savannah 2015 Economic Trends*

**Transportation**

*Logistics Today* has rated this area "the most logistics friendly city in the nation" - recognizing the area as a superior transportation hub. Here are some of the reasons for the honor:

Savannah is only a few miles from Interstate 95, as well as at the eastern terminus of Interstate 16 - which gives the residents speedy access to Atlanta.

Savannah is only two hours away from the burgeoning Florida market, yet has the cost and business advantages of a Georgia location.

The area enjoys a strategic location on the East coast, but is far more westerly than other coastal cities; located 647 miles due south of Cleveland, Ohio.

*CSX Transportation and Norfolk Southern Railroad serve the Chatham County area*

The taxpayers understand the importance of quality infrastructure and improvements by the continued approval of Special Purpose Local Option Sales Taxes (SPLOST).

Amtrak provides rail passenger service to the Savannah area. Freight service is provided by CSX, Georgia Central and Norfolk Southern Corporation. Trucking service is provided by over 100 motor freight carriers to the Savannah area.

### **Port of Savannah**

The County's continued economic progress is based to a large extent on the continuing development of the Port of Savannah. The definition of the Savannah Harbor is "that it comprises the lower 21.3 miles of the Savannah River generally forming a boundary between South Carolina and Georgia and 11.0 miles of bar channel for a total length of 32.3 miles." Savannah is the farthest inland port on the East Coast. This places Savannah within a day's haul over road or rail to many major Midwestern markets, thus greatly reducing the cost of shipping, a definite advantage for the Port of Savannah. Although the Port has a large number of private businesses having docking facilities, the Georgia Ports Authority (GPA) has the largest wharfing facilities for handling cargo for both imports and exports on the East Coast.

The Port of Savannah, home to the largest single-terminal container facility of its kind on the U.S. East and Gulf coasts, is comprised of two modern, deep-water terminals: Garden City Terminal and Ocean Terminal. Together, these facilities exemplify the Georgia Port Authority's exacting standards of efficiency and productivity.

The Port of Savannah is the fourth largest and fastest growing container terminal in the United States. In FY 2015, Georgia Ports Authority set an all-time record in fiscal 2015, having moved more than 31.7 million tons of cargo a 7.8 percent increase from fiscal 2014. Also, 3.66 million twenty foot container units (TEUs) were moved, up 16.9 percent over fiscal 2014. A total of 714,021 auto and machinery units passed through the Port, up 1.9 percent over fiscal 2014. The port serves approximately 21,000 companies in all 50 states, more than 75% of which are headquartered outside of Georgia.

Georgia Governor Nathan Deal released a statement July 27, 2015 describing the Port's fiscal 2015 success, "The deep-water Ports of Savannah and Brunswick are cornerstones of Georgia's success and major factors in creating new jobs and prosperity across the state. The wave of economic impact created by our logistics network supports virtually every industry, from manufacturing and agriculture to mining, distribution, technology and transportation."

The Garden City Terminal is owned and operated by the Georgia Ports Authority. The Garden City Terminal is a secured, dedicated container facility, the largest of its kind on the U.S. East and Gulf coasts. The 1,200 acre single terminal facility features 9,693 linear feet of continuous berthing and more than 1.2 million square feet of covered storage. The terminal is equipped with fifteen high-speed container cranes (4 super post-panamax and 11 post-panamax) as well as an extensive inventory of yard handling equipment.

*The port of Savannah is the fourth largest port in the United States*

The Ocean Terminal is a secured, dedicated breakbulk facility specializing in the rapid and efficient handling of a vast array of forest and solid wood products, steel, RoRo (Roll-on / Roll-off), project shipments and heavy-lift cargoes. The 200.4-acre general cargo terminal features 9 berths totaling 5,768 linear feet and over 1.4 million square feet of covered storage. The leading imports were iron and steel, machinery, plywood, cocoa bean, granite, lumber, aluminum, and

paper products. Kaolin clay, linerboard, machinery, wood pulp, military ordinance, lumber, and foodstuff were the leading exports.

The port also includes a foreign trade zone which consists of twenty eight acres at the Savannah International Airport and twelve acres at Georgia Ports Authority facilities. It allows imports into the United States to be processed, displayed, or otherwise handled free from duties and taxes. The 2,600 acre Crossroad Business Center was recently made a part of the Zone. Only when cargo leaves the zone to be distributed in the United States is it subject to these charges. If it is exported, these costs are avoided.

*SOURCE: Savannah Area Chamber of Commerce, Savannah 2015 Economic Trends*

### **Military**

Fort Stewart and Hunter Army Airfield are the home of the 3rd Infantry Division, and combine to be the Army's Premier Power Projection Platform on the Atlantic Coast. It is the largest, most effective and efficient armor training base east of the Mississippi, covering 280,000 acres including parts of Liberty, Long, Tattnall, Evans and Bryan counties in southeast Georgia.

*Hunter Army Airfield is in honor of Lieutenant Colonel Frank O'Driscoll Hunter, a Savannah native and World War I flying*

Hunter Army Airfield is home to the Army's longest runway on the east coast (11,375 feet) and the Truscott Air Deployment Terminal. Together these assets are capable of deploying units such as the heavy, armored forces of the 3rd Infantry Division or the elite light fighters of the 1st Battalion, 75th Ranger Regiment.

Ft. Stewart, located just outside of the Savannah MSA, and Hunter Army Airfield generate sufficient economic activity to warrant inclusion of Liberty and Long counties in the larger Savannah CMSA. Ft. Stewart and Hunter AAF have an annual financial impact of \$4.9 billion.

Ft. Stewart and Hunter AAF together are one of Coastal Georgia's largest employers. The ratio of military to civilian employees is approximately five to one, with 23,835 officers and enlisted military and 3,967 civilians employed at both installations. Ft. Stewart accounts for nearly three-fourths of the military employment in the area.

Several small-scale deployments will have elements of the Third Infantry Division (3<sup>rd</sup> ID) overseas during 2015. Two hundred soldiers of the divisional headquarters deployed to Afghanistan for a training mission focusing on high level operational activities for Afghan security forces. Three hundred soldiers with the 3rd Sustainment Brigade deployed to Kuwait to provide logistical support for troops, and the 82<sup>nd</sup> Civil Affairs Battalion deployed to West Africa to assist in the Ebola outbreak.

## **FINANCIAL POLICIES**

As Amended by the Chatham County Board of Commissioners August 2014

### **OVERVIEW**

#### Summary

Chatham County's Financial Policies represent guidelines and tools adopted by the Chatham County Board of Commissioners to enable Chatham County to reach and maintain its financial potential through consistent approaches in financial management. Financial policies will always be evolving; therefore, this document will be a living document representative of the goals of the County Commission. Below is a summary of the financial policies included in this document:

- Chatham County will develop and maintain a level of unrestricted fund balance in its General Fund equivalent to at least two month's budgeted expenditures or a minimum 16.6% of budgeted expenditures. These balances will be shown as Committed Fund Balance on the County's financial statements.
- Chatham County will develop and maintain a level of unrestricted fund balance in the Special Service District Fund equivalent to at least two month's budgeted expenditures or a minimum 16.6% of budgeted expenditures. These balances will be shown as Committed Fund Balance on the County's financial statements.
- Chatham County shall annually adopt annual fund budgets that ensure a balance between operating resources and resource uses. By law the County is required to adopt annual balanced budgets for its general fund, each special revenue fund, and each debt service fund. Project-length budgets are required for capital project funds. The Commission may elect to create annual budgets for other fund types for use as a management tool. Within the two main operating funds of the County (General Fund and SSD Fund), recurring operating expenditures will be funded by recurring operating revenues. Other funds may consider fund balance as an operating resource depending on the specific nature of the fund.
- Chatham County shall be committed to establishing and maintaining a revenue policy through the revenue ordinance to meet the budgetary needs of the organization on an ongoing basis. The goal of this policy is to assure revenues are realistic in the current budgetary environment.
- Chatham County will review and update fees and charges at least annually to ensure they keep pace with actual program costs, cost-of-living changes, and methods or levels of service delivery.
- Chatham County will encourage a diversified yet stable revenue system to protect it from possible short-term fluctuations in any of its revenue sources.
- In order to create and maintain structural balance for the County's funds, the Chatham County Commission shall be committed to using one-time revenues to pay for one-time expenditures. Because one-time revenues are generally not available for expenditure in future budget periods, their use to fund recurring operating expenditures is discouraged.
- During its annual budget process, Chatham County will review revenues to identify unpredictable revenue sources that could impact operational funding. A conservative approach will be utilized in estimating such revenues with consideration being given to historical revenue trends, revenue volatility, and the legal and economic climate. When actual revenues received exceed revenue budgets for unpredictable revenues, the excess will be treated in accordance with adopted fund balance policies.
- Chatham County will follow State law in its application of SPLOST tax revenues for the purpose of capital project development and construction. Investment income from SPLOST revenues will be used for the purposes outlined below. In addition, Title Ad Valorem Tax revenue allocated to

the County on the basis of current SPLOST distribution percentages will be deposited to the related SPLOST fund and used for these enumerated purposes:

- Funding of SPLOST projects as approved by the Board of Commissioners
- Administrative costs for the construction management of SPLOST projects
- Indirect cost allocation expenses as calculated by the County's annual indirect cost allocation plan
- Payment of interest expense related to pre-funding of SPLOST projects
- Other costs outlined in the related referendum.
- Chatham County will seek to develop a funding and replacement strategy for its capital assets. Capital project needs will be evaluated annually in association with the annual budget process and priority projects will be determined. In association with other adopted financial policies, Chatham County will seek a balance between pay-as-you-go funded projects, which include projects funded by SPLOST dollars, and debt-financed projects.
- Chatham County shall be committed to addressing the level of indebtedness the County can reasonably expect to incur without jeopardizing its existing financial position and operational capabilities. The County Commissioners will adopt a maximum debt service level of 7% of the benefitting fund's expenditures/expenses and will seek to maintain debt service within those limits. When the County acts as a debt guarantor, the potential operating impact of any debt default, including repayment sources, should be determined prior to providing the guarantee.
- Chatham County will develop long-range financial forecasts for the General M&O Fund, the Special Service District Fund, and for all enterprise funds. The funds' financial course of action will be contemplated for a five year period. Forecasts will be analyzed and updated annually by Finance staff. Forecasts will be used to analyze financial trends, determine revenue needs, review the impact on expenditures of new or revised services or projects, and consider methods for accomplishing long-range financial goals.
- Chatham County will adhere to the fund balance categories as defined in GASB Statement 54 for financial reporting purposes, and will follow adopted policies in categorizing and appropriating fund balance.
- Chatham County will utilize the services of bond counsel and/or disclosure counsel for legal advice and direction in the process of issuing new or refunding governmental bonds.
- Chatham County will require departments with the responsibility of cash handling to develop written procedures for the cash collection processes, deposits and safekeeping of funds.
- The Chatham County Board of Commissioners shall annually appropriate sufficient funds to the Plan for the payment of the actuarially determined contribution.

## **FUND BALANCE POLICY**

### **GENERAL M&O FUND**

#### Introduction

Historical instabilities in fund balance have highlighted the interest and need of Chatham County to restore and maintain levels of fund balance that promote the County's long-range financial stability. In addition, the Government Finance Officers Association has issued a recommended practice encouraging governments to adopt a formal policy on the level of unrestricted fund balance that should be maintained in the General Fund. The GFOA also recommends that governments maintain unrestricted fund balance of no less than two months of regular operating revenues or operating expenditures.

#### Policy Statement

Chatham County will develop and maintain a level of unrestricted fund balance in its General Fund equivalent to at least two month's budgeted expenditures or a minimum of 16.6% of budgeted expenditures. These balances will be shown as Committed Fund Balance on the County's financial statements.

#### Rationale

It is essential that Chatham County maintain an adequate level of fund balance to mitigate current and future risks (e.g. revenue shortfalls, recessionary environments, and unanticipated expenditures) and to ensure stable tax rates. Adequate levels of fund balance are also crucial in developing long-range financial plans. In addition, credit rating agencies review fund balance and unrestricted fund balance levels to evaluate the government's continued creditworthiness.

#### Specific Policies

Chatham County will maintain an unrestricted fund balance level of two month's expenditures or 16.6% of budgeted expenditures. Chatham County may appropriate funds within its annual budget process for the purpose of building up fund balance reserve levels.

In the event fund balance exceeds the targeted level, Chatham County will follow a methodology for fund balance use as follows:

First, consider raising the targeted fund balance level after a review of economic conditions, contractual obligations and long-range financial planning results, then

Consider the funding of capital projects as described in the Adopted Annual Budget based on project ratings, then

Consider a strategy for millage rate reductions based upon a review of the County's long-range financial plan.

Reference is made to other financial policies adopted by the Board of Commissioners.

### **SPECIAL SERVICE DISTRICT FUND**

#### Introduction

Historical instabilities in fund balance have highlighted the interest and need of Chatham County to restore and maintain levels of fund balance that promote the County's long-range financial stability. In addition, the Government Finance Officers Association has issued a recommended practice encouraging governments to adopt a formal policy on the level of unrestricted fund balance that should be maintained in the General Fund. Since the Special Service District is largely supported by tax revenues, the County should also consider a fund balance policy for the fund.

#### Policy Statement

Chatham County will develop and maintain a level of unrestricted fund balance in its Special Service District Fund equivalent to at least two month's budgeted expenditures or a minimum of 16.6% of budgeted expenditures. These balances will be shown as Committed Fund Balance on the County's financial statements.

### Rationale

It is essential that Chatham County maintain an adequate level of fund balance to mitigate current and future risks (e.g. revenue shortfalls, recessionary environments, and unanticipated expenditures) and to ensure stable tax rates. Adequate levels of fund balance are also crucial in developing long-range financial plans. In addition, credit rating agencies review fund balance and unrestricted fund balance levels to evaluate the government's continued creditworthiness.

### Specific Policies

Chatham County will maintain an unrestricted fund balance level of at least two month's expenditures or 16.6% of budgeted expenditures within the Special Service District. Chatham County may appropriate funds within its annual budget process for the purpose of building up fund balance reserve levels.

In the event fund balance exceeds the targeted level, Chatham County will follow a methodology of fund balance use as follows:

First, consider raising the targeted fund balance level after a review of economic conditions, contractual obligations and long-range financial planning results, then

Consider the funding of capital projects as described in the Adopted Annual Budget based on project ratings, then consider a strategy for millage rate reductions based upon a review of the County's long-term financial plan.

Reference is made to other financial policies adopted by the Board of Commissioners.

## **BUDGETARY POLICIES**

### Introduction

A government should develop a policy stating its commitment to adopting balanced fund budgets and should have mechanisms in place to ensure compliance with the adopted budget.

### Policy Statement

The Chatham County Commission shall annually adopt fund budgets that ensure a balance between operating resources and resource uses. By law Chatham County is required to adopt annual budgets for its general fund, each special revenue fund and each debt service fund. Project-length budgets are required for capital project funds. The Commission may elect to create annual budgets for other fund types for use as a management tool (i.e. enterprise funds).

Within the two main operating funds of the County (General and SSD Fund), recurring operating expenditures will be funded by recurring operating revenues. Other funds may consider fund balance as an operating resource depending on the specific nature of the fund.

### Rationale

A structural balance must be struck between operating resources and resource uses so that the public can realize the benefits of a strong, stable government. By law, budgeted appropriations cannot exceed available

resources, defined as revenues generated in the current period added to balances carried forward from prior years. However, in the County's two main operating funds, recurring operating expenditures should be funded by recurring operating revenues. This will allow the County to reach and maintain the goals of the Fund Balance Policy, and the Long Term Financial Plan.

### Specific Policies

At a minimum, the adopted budgets will meet the requirements of state law, specifically code sections 36-81-3 through 36-81-6. These code sections define a budget ordinance or resolution as being balanced when the sum of estimated revenues and appropriated fund balances is equal to appropriations.

In governmental fund types, taxes are considered operating revenues. Operating resources and resource uses should represent realistic and quantitative financial transactions.

Fund balances may be considered an operating resource of all funds except for the General M&O Fund and the Special Service District Fund. Reference is made to the Fund Balance Policies for the General M&O and Special Service District Funds.

Except for the Special Service District Fund, special revenue funds are generally supported by special levies and fees, grants or intergovernmental revenues. Expenditures in these funds are strictly limited to the mandates of the funding source. Special Revenue Funds are not to be used to subsidize other funds, except as required or permitted by program regulations.

Unless the fund is mandated by legislation, enterprise funds are expected to derive at least 50% of their revenues from charges and user fees. An enterprise should strive to become a self-supporting entity through annual review of its fee structure, charges for services, and other operating revenues and expenditures. Where the fund is not self-supporting but is required by law, subsidies from other funds may be required to avoid deficit net assets.

Sufficient charges and rate schedules shall be levied to support operations of the County's Internal Service Funds. No trend of deficit net assets shall be allowed. The Internal Service Funds may require subsidies from other funds if chargebacks are not sufficient to cover their operations.

Non recurring revenues will be incorporated into the operating budget and Capital Improvement Program Budget in accordance with the One-Time Revenue Use Policy.

Annual operating budgets shall be prepared to address and progress toward the goals and objectives of the Fund Balance Policy.

A five year Capital Improvements Program (CIP) shall be prepared and updated each year. The operating impact of each project shall be identified and incorporated into the annual operating budgets. Within the parameters of other adopted financial policies, capital assets will be purchased and maintained on a regular schedule and in compliance with any contractual obligations. Debt may be issued for capital asset purchases. One-time revenues will be used as a funding source in accordance with the One-Time Revenue Use Policy.

The Debt Service appropriation in the annual operating budgets shall conform to the Debt Management Policy.

Chatham County will annually roll forward open encumbrances and purchase orders from the previous fiscal year into the current year's budget. As required by generally accepted accounting principles, for financial reporting purposes encumbrances will be included as part of Unassigned Fund Balance in the General Fund and Assigned Fund Balance in the Special Service District Fund.

The Finance Department will prepare quarterly financial reports for the County Commission that compare budget to year-to-date actual financial results. Unusual activities will be noted. The Finance Department will also monitor departmental budgets to ensure budget compliance and will notify the County Manager throughout the fiscal year of any departments that may exceed budgeted appropriations.

After budget adoption, the Board of Commissioners will approve any budgetary amendments that change adopted departmental budgets, staffing levels or departmental salary appropriations for current or future years. It has been the County's practice to recognize the cost savings from vacant positions by incorporating those savings into the adopted budget each year. County staff monitors vacancies to ensure that these savings are achieved. For this reason, the use of staff vacancy savings by departments to restructure staff levels and salaries is not allowed unless approved by specific action of the Board.

Reference is made to other financial policies adopted by the Board of Commissioners.

## **REVENUE POLICY**

### Introduction

A revenue policy is a living document used to govern the establishment of as well as the increases and decreases of fees and charges used to fund programs determined by the needs of its citizens.

### Policy Statement

The Chatham County Commission shall be committed to establishing and maintaining a revenue policy through the revenue ordinance to meet the budgetary needs of the organization on an ongoing basis. The goal of this policy is to assure revenues are realistic in the current economic environment.

### Rationale

Policies that require identification of both the cost of the program and the portion of the cost that will be recovered through fees and charges allow governments and citizens to develop a better understanding of the cost of services and to consider the appropriateness of established fees and charges.

### Specific Policies

The revenue ordinance shall include any revisions, additions, or deletions to the fees and charges based on the level of cost recovery for services and the reason for the subsidy and the frequency with which cost-of-services will be undertaken.

Changes to the ordinance shall originate during the budget process and shall be used in the preparation of the annual budget. Changes may also occur outside of the budget process. State and local law may govern the establishment of fees and charges.

Chatham County may choose not to recover all costs, but should identify such costs. Reasons for not recovering full costs should be identified and explained.

The Chatham County Commission shall publish a revised revenue ordinance within 45 days adoption of the budget. The publication will include all changes that occurred over the past fiscal year, both prior to and during the budget process. Citizens will be given an opportunity to provide input at the second public reading for any revenue ordinance amendment.

Within the two main operating funds of the County (General Fund and SSD Fund), recurring operating expenditures will be funded by recurring operating revenues.

Reference is made to other financial policies adopted by the Board of Commissioners.

## **POLICY ON FEES AND CHARGES**

### Introduction

Chatham County should adopt policies that identify the manner in which fees and charges are set and the extent to which they cover the cost of services provided.

### Policy Statement

Fees and charges will be reviewed and updated at least annually to ensure that they keep pace with actual program costs, cost-of-living changes and methods or levels of service delivery.

### Rationale

Policies that require identification of both the cost of the program and the portion of the cost that will be recovered through fees and charges allow governments and stakeholders to develop a better understanding of the cost of services and to consider the appropriateness of established fees and charges.

### Specific Policies

The amount of a fee should not exceed the overall cost of providing the facility, infrastructure or service for which the fee is imposed. In calculating that cost, planned capital projects that are related by nature to the fee will be considered as well as direct costs, indirect costs and portions of assets used (i.e. depreciation). That is:

Costs which are directly related to the provision of the service; and,

Support costs which are more general in nature but provide support for the provision of the service.

The extent to which the total cost of service should be recovered through fees depends upon the following factors:

- The nature of the facilities, infrastructure or services.
- The nature and extent of the benefit to the fee payers.
- The level of demand for a particular service and the effect of pricing on the demand for services.
- The feasibility of collection and recovery.
- Type of fund. For example, in an enterprise fund approximately 50% of the cost of services should be recovered through fees.
- State or federal laws governing allowable fees.

- The extent to which fees should recover the cost of services in particular funds is stated in the Specific Policies section of the Budgetary Policies.
- All fees imposed by the County will be established by the County Commission by ordinance. When applicable, the state or federal law that grants authority to charge the fee will be considered. The ordinance establishing the fees will determine:
- The level of cost that should be recovered through the fees according to the criteria established in this Policy;
- An appropriate method for apportioning the cost of providing each service among the users of the service;
- A procedure for periodically reviewing and modifying the amount of fees in order to maintain appropriate cost recovery levels.
- Fees charged may be modified only by ordinance of the County Commission.
- All fee revenues will be estimated by the County Manager and submitted to the County Commission as part of the County Manager’s recommended budget.
- If the amount of a fee is considered too high to accommodate the needs of particular segments of the community and the public interest would be served by adjusting the amount or manner of payment of such fees in particular instances, the amount of the fee may be waived, rebated or deferred as appropriate. Any criteria for waiving, rebating, or deferring payment of such fees will be established by the County Commission by ordinance.

Reference is made to other financial policies adopted by the Board of Commissioners.

## **POLICY ON REVENUE DIVERSIFICATION**

### Introduction

In the Chatham County fiscal system, the monitoring and control of revenues is a primary concern. The County’s primary revenue policy goal is to maintain a diversified revenue system to protect it from possible short-term fluctuations in any of its various revenue sources.

### Policy Statement

Chatham County will encourage a diversified yet stable revenue system to protect it from possible short-term fluctuations in any of its revenue sources.

### Rationale

All revenue sources have particular characteristics in terms of stability, growth, sensitivity to inflation or business cycle effects, and impact on tax and rate payers. A diversity of revenue sources can improve a government’s ability to handle fluctuations in revenues and potentially help to better distribute the cost of providing services.

### Specific Policies

The County will, after having considered all possible cost reduction alternatives, explore the possibility of obtaining new or expanded revenue sources as a way to help ensure a balanced budget. Cost recovery revenue sources will be analyzed on an annual basis and modified as necessary to insure that revenue collections reflect the cost of providing associated County services. The structure will follow the policies set forth in the Policy on Fees and Charges.

The County will actively oppose State and/or Federal legislation which would mandate costs to the County without providing or increasing a revenue source to offset those mandated costs.

The County will follow an aggressive policy to protect current revenues received from State and Federal sources.

The County will follow an aggressive policy of enforcement of revenue regulations and collection of revenues.

The County will actively pursue State and Federal grants.

All revenues will be analyzed by the County Manager and submitted to the County Commission as part of the County Manager's recommended budget in accordance with the Revenue Policy.

Reference is made to other financial policies adopted by the Board of Commissioners.

## **POLICY FOR USE OF ONE -TIME REVENUES**

### Introduction

The use of one-time revenues to fund recurring programs should be avoided whenever possible. More appropriate uses of one-time revenues include establishing and rebuilding fund balance, early retirement of debt, additional funding for pension plan liabilities, capital expenditures, vehicle replacement and other nonrecurring expenditures.

### Policy Statement

In order to create and maintain structural balance for the County's funds, the Chatham County Commission shall be committed to using one-time revenues to pay for one-time expenditures. Because one-time revenues cannot be relied on in future budget periods, their use to fund recurring operating expenditures is discouraged.

### Rationale

One-time revenues cannot be relied on in future budget periods. A policy on the use of one-time revenues provides guidance to minimize disruptive effects on services due to non-recurrence of these sources. When one-time revenues are used to pay for ongoing programs, it makes it more difficult to achieve the goal of a balanced budget.

### Specific Policies

One-time revenues such as proceeds from asset sales, debt refinancing, one-time grants, budget savings and similar nonrecurring revenue will not be used for current or new, ongoing operating expenditures. Such revenues are often not part of original fund budgets. To the extent feasible, one-time revenues will be applied toward one-time expenditures.

Proceeds from the sale of other assets or reimbursements will be placed in the fund from which the asset originated except for vehicle sales. Vehicle sales proceeds will be placed in the CIP Fund and will be used for fleet replacement.

The County will not budget or commit to spend non-recurring dollars until they are received. The County will consider the impact on the operating budget before funding capital improvement projects.

Reference is made to other financial policies adopted by the Board of Commissioners.

## **POLICY FOR UNPREDICTABLE REVENUES**

### Introduction

Unpredictable revenue sources generally cannot be relied on as to the level of revenue they will generate. It is important to consider how significant variations in revenue receipts will impact the County's ability to operate and its financial outlook in both current and future budget periods.

### Policy Statement

During its annual budget process, Chatham County will review revenues to identify unpredictable revenue sources that could impact operational funding. A conservative approach will be utilized in estimating such revenues with consideration being given to historical revenue trends, revenue volatility, and the legal and economic climate. When actual revenues received exceed revenue budgets for unpredictable revenues, the excess will be treated in accordance with adopted fund balance policies.

### Rationale

It is the intent of Chatham County to promote and encourage a stable revenue stream. Where revenues are deemed to be unpredictable, the County should avoid funding recurring operational expenditures with fluctuating revenues due to the risk that revenue estimates may not be met.

### Specific Policies

It is the policy of the Chatham County Board of Commissioners that non-recurring revenues shall not be used to fund recurring expenditures. Therefore, in preparing annual budgets for unpredictable revenues, a conservative approach will be utilized to prevent dependence on upswings in unpredictable revenues.

Potential uses for one-time and unpredictable revenues will be reviewed on an annual basis by the County Commissioners as part of the operating budget cycle. If necessary, the Board of Commissioners and appropriate governing board will review potential uses for unpredictable revenues outside of the annual operating budget cycle which, if approved, will require special appropriation for expenditure. In addition, reserves in excess of the amount established by policy may be retained, and not expended, by the County at the discretion of the County Commissioners. In times of favorable variances, the County Commissioners may consider transferring excess revenues to a stabilization fund which will be used to offset revenues during periods of unfavorable variances.

Unpredictable revenues are the increment of a volatile revenue source, which is defined as the amount above what is normally expected to be collected during a fiscal year. Such revenues may include intergovernmental revenues, interest income, recreation fees, and recording/transfer taxes. Such revenues are frequently impacted by economic upturns and downturns.

## **POLICY ON USE OF SPLOST REVENUES**

### Introduction

Chatham County voters have approved the imposition of a one cent sales tax to fund various capital projects. A separate capital projects fund has been established to record financial transactions associated with each special purpose local option sales tax (SPLOST) referendum. In addition, other revenues are allocated to the SPLOST funds, including investment income and portions of the Title Ad Valorem Tax (TAVT) identified in O.C.G.A. § 48-5B-1 and 48-5C-1.

### Policy Statement

Chatham County will follow State law in its application of SPLOST tax revenues for the purpose of capital project development and construction. Investment income from SPLOST revenues will be used for the purposes outlined below. In addition, Title Ad Valorem Tax revenue allocated to the County on the basis of current SPLOST distribution percentages will be deposited to the related SPLOST fund and used for these enumerated purposes:

Funding of SPLOST projects as approved by the Board of Commissioners

Administrative costs for the construction management of SPLOST projects

Indirect cost allocation expenses as calculated by the County's annual indirect cost allocation plan

Payment of interest expense related to pre-funding of SPLOST projects

Other costs outlined in the related referendum.

### Rationale

Chatham County's use of SPLOST funds should be consistent with the terms of the related SPLOST referendum and other State laws.

### Specific Policies

On an annual basis, Chatham County will review SPLOST funds and revise project budgets to reflect the use of revenues in accordance with the above policy statement. Board approval is required to amend capital project funds. Management of the funds, including authorization of spending, will rest with the County Engineer.

Reference is made to other financial policies adopted by the Board of Commissioners which may apply.

## **CAPITAL ASSET FUNDING POLICY**

### Introduction

Funding for capital assets and projects represents a continuous challenge for the County. However, such assets are often a required element of providing or enhancing services to citizens. Emergency repairs and service interruptions can cost the government in both money and goodwill.

Policy Statement

Chatham County will seek to develop a funding and replacement strategy for its capital assets. Capital project needs will be evaluated annually in association with the annual budget process and priority projects will be determined. In association with other adopted financial policies, Chatham County will seek a balance between pay-as-you-go funded projects, which include projects funded by SPLOST dollars, and debt-financed projects.

Rationale

Policies and plans for capital asset funding help ensure that needed capital assets or improvements receive appropriate consideration in the budget process and that older capital assets are considered for retirement or replacement. Such a policy is necessary to plan for large expenditures and to minimize deferred maintenance costs. Capital project planning gives consideration to longer-range needs and goals, and enables the County to evaluate funding options while gaining a consensus on project priorities.

Specific Policies

Through its annual budget process, Chatham County will determine capital project planning needs and evaluate project priorities. A list of needed capital projects will be developed annually that includes project name, project cost, and when funding is needed. Scoring and inclusion criteria will be maintained by the Finance Department and presented to the County Commissioners.

Capital asset purchases may be required as a result of legislation or other contractual provisions, and such assets will receive priority. Other projects will be considered for funding based on their priority in the CIP plan.

Chatham County will seek to match the useful life of projects with the maturity of the debt when considering debt financing.

Chatham County will develop a replacement program for its capital assets in association with other financial policies.

Reference is made to other financial policies adopted by the Board of Commissioners which may apply.

**DEBT MANAGEMENT POLICY**

Introduction

Chatham County is frequently asked by non-profit entities and/ or other governmental entities to either provide funding or funding guarantees for debt issuances. The Chatham County Commission recognizes there are no absolute rules or easy formulas that can substitute for a thorough review of all information affecting these transactions. Debt decisions should be the result of deliberate consideration of all factors involved.

Policy Statement

Chatham County shall be committed to addressing the level of indebtedness the County can reasonably expect to incur without jeopardizing its existing financial position and operational capabilities. The County Commissioners will adopt a maximum debt service level of 7% of the benefitting fund's

expenditures/expenses and will seek to maintain debt service within those limits. When the County acts as a debt guarantor, the potential operating impact of any debt default, including repayment sources, should be determined prior to providing the guarantee.

### Rationale

When considering debt issuance, the County should review its operating capabilities, the life of the asset for which debt is being issued, and service level needs in the community. The annual debt service impact should be incorporated into the County's long-range financial plan. Debt should be structured to provide intergenerational equity, which means that the users of the asset will pay for the asset over its productive life.

### Specific Policies

**Borrowing Limitations and Structuring** - The County will follow state and federal laws and regulations governing debt issuance, including current State laws that limit direct general obligation levels. In addition the County Commissioners should evaluate acceptable debt service levels and develop public policy on fund debt limits since issuing debt will commit the County's revenues several years into the future.

The present constitutional limit on direct general obligation bonds for Chatham County is the amount equivalent to 10% of the net assessed valuation of taxable property for debt service purposes. This limit applies to all general obligation bonds authorized. Additional general obligation bonds may be authorized to be issued if so approved by a majority of those voting in an election for that purpose.

If the County's long-term capital plan is nonexistent or ineffective, a lower maximum debt service level may be needed to offset any future unpredictable capital costs. This provides the County with some capability for emergency purposes.

Within a calendar year period, the County may issue tax anticipation notes for cash flow needs. These notes will have a maturity of one year or less. Short-term debt may include interfund loans which will be repaid to the source fund with interest.

The County will confine long-term borrowing to capital improvement needs, and moral and contractual obligations.

Long-term debt will be used for capital projects that cannot be financed from current revenue sources. A due diligence review will be conducted by County staff to ensure that the debt financing is the most probable revenue source

The maturity of any debt will not exceed the expected useful life of the project for which the debt is issued.

General obligation debt will not be used for enterprise activities since these financings are generally paid from specific revenue sources.

The County may undertake refinancing of outstanding debt if it allows the County to realize significant debt service savings without lengthening the term of the refinanced debt. Also, the benefits of replacing such debt must outweigh the costs associated with the new issuance.

If consistent with State law, conduit financing (the County financing the project of a third party) may be undertaken if it has a general public purpose and is consistent with the County's overall service and policy

objectives. The County will conduct a due diligence process to ensure that the borrower can repay the debt. All expenses related to the conduit financing will be borne by the conduit borrower.

The County will strive to obtain the highest bond ratings from Rating Agencies in their assessment of the creditworthiness of the government.

Capital leases, general obligation bonds and special revenue bonds are forms of debt to consider in any formulation of appropriate levels of debt service.

Debt service structures will conform to best practices promulgated by GFOA, including consideration of laddered maturity schedules.

Debt Issuance - The County will select an outside consultant (Financial Advisor) and any necessary bond counsel to assist in issuing bonds and other debt, preparing debt documents and marketing to investors. Both the consultant and bond counsel will be selected through the County's Purchasing process. Debt will be issued through the competitive bidding process unless otherwise directed by the Board of Commissioners. County staff will work closely with the Financial Advisor and review any recommendations before presenting them to the Commissioners.

Investment of Bond Proceeds - Investment of bond proceeds shall at all times be in compliance with the County's Investment Policy and relevant debt covenants, with consideration of potential arbitrage issues.

#### Reporting Practices –

The County will follow a policy of full disclosure on every financial report and bond prospectus.

The County will comply with the standards of the Governmental Accounting Standards Board for financial reporting and budget presentation as well as the disclosure requirements of the Securities and Exchange Commission.

The County will maintain good communications with bond rating agencies to inform them of the County's financial position. A copy of the Comprehensive Annual Financial Report (CAFR) will be provided to them annually.

The Nationally Recognized Municipal Securities Information Repositories (NRMSIRS) will receive copies of the CAFR annually. A current list of NRMSIRS is found on the websites <http://www.emma.msrb.org>

The County's Finance Director will be responsible for assuring "post issuance compliance" for the County's tax exempt financings. The post issuance compliance responsibilities of the Finance Director will include the following:

Tracking of bond proceeds, including keeping such proceeds separate from all other monies from the County;

Establishing a calendar for monitoring all rebate compliance dates;

If necessary, retaining and consulting with a qualified rebate compliance firm to make rebate computations and to certify whether a rebate liability exists; and

Maintaining a records retention policy for bond documents and records associated with the use of bond proceeds and interest earnings.

## **LONG-RANGE FINANCIAL FORECASTING**

### Introduction

The fundamental objectives of Chatham County's financial planning process are to understand and respond pro-actively to the internal and external (financial) environment, pursue a moderate course, and be as prepared as possible to deal with the unexpected. The long-range financial forecast is an important element in the county's long-term growth and operating blueprint, and a document that will be continually updated and adjusted.

The use of the forecast will enable Chatham County to evaluate the impact of budgetary and operational decisions over more than one fiscal period. Financial alternatives can be considered that address revenue or expenditure fluctuations so that any adverse effects on service levels and/or the quality of services provided to citizens will be minimal. Forecasts will incorporate and enable the development of long-term strategies for dealing with reasonably predictable revenue and expense fluctuations and shorter-term strategies that are more effective in addressing unusual, unpredictable, or time-limited budgetary issues as they arise.

The evaluation of both long-term and short-term impacts help the County make the best use of current resources while preparing for leaner times during periods of prosperity. It maximizes flexibility in responding to changes in the financial environment without having to curtail or eliminate essential services when such changes occur.

### Policy Statement

Chatham County will develop long-range financial forecasts for the General M&O Fund, the Special Service District Fund, and for all enterprise funds. The funds' financial course of action will be contemplated for a five year period. Forecasts will be analyzed and updated annually by Finance staff. Plans will be used to analyze financial trends, determine revenue needs, review the impact on expenditures of new or revised services or projects, and consider methods for accomplishing long-range financial goals.

### Rationale

Analyses developed under long-range financial forecasts will seek to answer questions such as:

- Can the County afford to operate new buildings and facilities after construction is completed?
- Are one-time revenues matched to one-time expenses?
- What is the impact of new revenues and expenses on fund balance levels?
- What is the cost of the County's baseline operations and how will funding be maintained into the foreseeable future?

### Specific Policies

Chatham County will develop five-year financial forecasts for its General M&O Fund, the Special Service District Funds, and all enterprise funds. The plans will review i the Chatham County economy as well as revenues and basic operating expenditures. The model will seek to identify surpluses or shortfalls over the

five year horizon. Surplus funds or new revenues not previously committed to programs then can be allocated in accordance with other financial policies.

The County will utilize the long-range financial forecasts in its decision making processes to analyze the financial impact of decisions over multiple years. Data will be communicated annually to the Board of Commissioners during budget planning sessions. Forecasts will be incorporated into the County's Annual Adopted Budget document.

Reference is made to other financial policies adopted by the Board of Commissioners.

## **POLICY ON FUND BALANCE CLASSIFICATION & DISBURSEMENT OF CONSTRAINED AMOUNTS**

### Introduction

GASB Statement 54 defines categories within overall fund balance and suggests that governmental entities establish policies governing classification and disbursements of constrained amounts. This policy is being established in response to the GASB statement.

### Policy Statement

Chatham County will adhere to the fund balance categories as defined in GASB Statement 54 for financial reporting purposes, and will follow adopted policies in categorizing and appropriating fund balance, as defined herein.

### Rationale

As a local government entity, the County's financial statements are prepared under generally accepting accounting principles which include GASB statements.

### Specific Policies

Chatham County will classify its fund balance in its governmental funds into the following categories as defined herein:

*Nonspendable Fund Balance* – Includes amounts that cannot be spent because they are either i) in nonspendable form or II) they are legally or contractually required to be maintained intact. The County includes items that are not expected to be converted into cash such as inventories and prepaid amounts. If applicable, property acquired for resale, long-term amounts of loans and notes receivables would also be included as nonspendable fund balance. Based on a review of each fund's accounts, the Finance Director will determine the nonspendable amount of fund balance for annual disclosure purposes.

*Restricted Fund Balance* – Includes amounts that are restricted to specific purposes, as defined under GASB 34, paragraph 34 as restricted, which includes i) constraints on funds externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments, or II) constraints imposed by law through constitutional provisions or enabling legislation. Based on a review of each fund's accounts, the Finance Director will determine the restricted amount of fund balance for annual disclosure purposes.

*Committed Fund Balance* – Includes amounts that can only be used for specific purposes as approved by formal action of the Board of Commissioners. Amounts committed cannot be used for any other purpose unless the Board of Commissioners removes or changes the specific use by approving such action at a Commission meeting. Budget resolutions are considered a plan for specific use. Contractual obligations are included in this category to the extent that existing resources in the fund have been committed for use to satisfy the contractual obligation. Recommended fund balance reserve levels as defined in financial policies adopted by the Board are also classified as Committed Fund Balance. Formal board action to commit fund balance for a specific purpose should occur prior to the end of the fiscal year, although the amount committed may be determined in a subsequent period. (E.g. financial policy fund balance reserve levels).

*Assigned Fund Balance* – Includes amounts constrained by the County’s intent to be used for specific purposes that are neither restricted nor committed. Assigned fund balance includes all remaining amounts (except negative balances) reported in governmental funds, other than the General Fund, that are not classified as nonspendable, restricted or committed, II) amounts appropriated to eliminate a projected budget deficit in the subsequent year, and III) amounts in the General Fund intended for a specific purpose identified by either the County Manager or Finance Director. Based on a review of each fund’s accounts, the Finance Director will determine amounts to be shown as assigned fund balance for annual disclosure purposes. The Finance Director can also remove the assignment.

*Unassigned Fund Balance* – Amounts in the General Fund that have not otherwise been classified as nonspendable, restricted, committed or assigned; and negative fund balance amounts from other governmental funds, where expenditures incurred for specific purposes within the fund exceed the amounts restricted, committed or assigned for that purpose.

For purposes of fund balance disbursement, unless otherwise approved by the Board of Commissioners, the County first will expend restricted fund balances when an expenditure is incurred for which both restricted and unrestricted fund balance is available. In non-major governmental funds, when only unrestricted fund balance is available for use the County would next disburse committed fund balance, then fund balance assigned for purposes of the fund before disbursing other assigned fund balance classifications. In the General Fund when only unrestricted fund balance is available, the County will expend unassigned fund balance before expending fund balance committed for financial policy reserve levels or amounts assigned to eliminate subsequent year’s budget deficits, except that expenditures for the Chatham Emergency Management Agency (CEMA) will be charged to a fund balance account committed for CEMA. In the Special Service District when only unrestricted fund balance is available, the County will expend fund balance assigned for purposes of the fund before expending fund balance committed for financial policy reserve levels or amounts assigned to eliminate subsequent year’s budget deficits.

Compliance with this policy shall be subject to annual review by the Finance Director, who will maintain written records outlining restrictions, commitments and assignments.

Reference is made to other financial policies adopted by the Board of Commissioners.

## **POLICY ON BOND AND DISCLOSURE COUNSEL**

### Introduction:

Issuance and refunding of governmental bonds requires legal counsel with a specialty in the bond market and broad knowledge of the all legal aspects of issuance, refunding and disclosure requirements. State law allows professional services, including legal counsel, to be appointed at the will of the governing body.

Policy:

Chatham County will utilize the services of bond counsel and/or disclosure counsel for legal advice and direction in the process of issuing new or refunding governmental bonds.

Rationale:

The issuance of bonds occurs infrequently and, therefore, the level of expertise and specialization required in this process is only needed during these short periods, which would render a full time legal expert inefficient.

Specific Policies:

Chatham County will appoint a committee consisting of the County Attorney, the County Manager, or his designee, and the Finance Director to appoint legal counsel, as needed, for the issuance and refunding of governmental bonds. Consideration will be given to the prospective firms in the following criteria:

Reputation of the firm in the community.

Qualifications of the individuals who will be performing the legal services.

Prior experience and satisfactory references by former clients. Experience should be included for qualification purposes only if the applicant acted as sole bond or sole disclosure counsel.

Commitment to serving Chatham County with excellence and enthusiasm as demonstrated by past work product and/or service.

The competitiveness of the negotiated price.

Prices and hourly rates will be negotiated, but are not the primary factor in the selection of the successful law firm. Included in the price will be a specified number of hours required on a monthly basis for the remaining life of the bonds.

Separate disclosure counsel would be engaged in a negotiated bond sale or upon recommendation of the municipal financial advisor.

**POLICY ON HANDLING OF CASH**

Introduction:

This policy outlines Chatham County policy with respect to the handling, receiving, transporting and depositing of cash. The term cash includes currency, checks, money orders, negotiable instruments and charge card transactions. County funds are monies received for taxes, licenses, permits, fees, and all checks made payable to the County or any sub-division of the County are considered County funds.

The collection and control of cash at the County are very important functions. Ideally, from a control perspective, the collection and controlling of cash should be centralized in one location; however it is not always possible or practical. As a result, the collection of money is, for the most part, decentralized.

Policy:

Chatham County will require departments with the responsibility of cash handling to develop written procedures for the cash collection processes, deposits and safekeeping of funds.

Rationale:

It is the responsibility of County personnel and elected officials of the County to safeguard all assets of the County, including cash collections.

Specific Policies:

There must be a separation of duties between the person receiving the cash and the person responsible for maintaining the accounting records.

All forms of cash, which include currency, checks, money orders, negotiable instruments and charge card transactions, should be physically protected through the use of vaults, locked cash drawers, cash registers, cashiers cages, locked metal boxes or any other mechanism to deter theft or mishandling.

Transfer of accountability of cash must be documented by both the party relinquishing control and the party accepting control. Such documentation should include the date, amount transferred, time and signature of both parties.

When possible, all cash transactions will be entered and receipted in the County cash receipts system. Reconciliation between the cash collected and the system generated totals at the end of each day.

Hand written receipts will only be used in situations where the cash receipts system is unavailable. Such receipts will have the County logo on them and will be pre-numbered. Reconciliations from the receipt book to the cash receipts system will be performed monthly.

Deposits are to be made in a timely manner and totals should match the cash receipts total. Discrepancies between the cash deposit and the cash total posted to the general ledger through the cash receipts system should be explained in detail by the department head and forwarded immediately to Finance.

Department heads are responsible for complying with the policies and procedures outlined in this policy and for developing detailed written departmental operating procedures. In addition, departments are responsible for training designated employees in cash handling policies and procedures.

Internal Audit will, on occasion, conduct surprise audits to ensure policies are being adhered to. No prior notice will be given to the departments regarding the timing of such audits.

**PENSION FUNDING POLICY**

Introduction

In prior years, the Chatham County Board of Commissioners adopted an ordinance authorizing the formation of the Chatham County Employees Retirement Plan (the “Plan”), a single-employer defined benefit pension plan which operates as a trust. The Plan is governed by the Chatham County Pension Board which includes a cross-section of County staff, elected employee and retiree representatives, one member

of the Board of Commissioners and a community representative. Accrued retirement benefits are funded by annual County budget appropriations and investment returns. Retiree cost of living adjustments are not a recurring Plan provision and have historically been implemented only upon approval of both the Pension Board and the Board of Commissioners. The Pension Board engages an actuary who conducts an annual Plan valuation, and provides required funding amounts to serve as the basis for the County's annual budget contribution. The funding level conveyed by the actuary is called the actuarially determined contribution (ADC).

### Policy Statement

The Chatham County Board of Commissioners shall annually appropriate sufficient funds to the Plan for the payment of the actuarially determined contribution.

### Rationale

As a local government entity, the County has a fiduciary responsibility to adequately fund its defined benefit pension plan in a manner that provides future, promised benefits to retirees. Annual funding of the ADC is the best way to spread the cost of future benefits over the employee's working career. In addition, consistent funding of the ADC enables the County's Plan to comply with State-legislated funding level requirements.

### Specific Policies

The County will incorporate into its annual adopted budget appropriations sufficient for the payment of the Plan's actuarially determined contribution. The actuary will use the following methods and assumptions when computing the ADC:

The actuarial cost method selected for funding purposes will be the entry age method – level percentage of pay normal cost. This method conforms to actuarial standards of practice. It allocates normal cost over a period beginning no earlier than the date of employment and no later than the last assumed retirement age. This method also supports a level approach to annual contributions by equitably allocating costs over the employee's working career.

The Plan will employ asset smoothing as a way to reduce the effect of market volatility and stabilize contributions. The Plan will recognize market gains and losses over a five-year period.

The Plan's unfunded actuarial accrued liability will be amortized by the level dollar amortization method over the following periods, which are compliant with State statutes:

- Demographic and economic gains and losses – 15 years
- Plan assumption changes – 30 years
- Retiree cost of living adjustments – 10 years
- Plan amendments and changes – 20 years.

Future retiree cost of living adjustments (COLAs) are not included in the calculation of the actuarially determined contribution since there is not a provision for automatic retiree cost of living adjustments. As a result, COLAs will increase required Plan funding in future years. The Board will consider funding retiree COLAs upon the formal recommendation and request of the Pension Board. In their fiduciary roles, both the Pension Board and the Board of Commissioners will review Plan funding levels when considering retiree COLAs, keeping in mind the funding requirements under Title 47 Chapter 20 of the Official Code of Georgia Annotated (O.C.G.A.) and the projected financial impact of the COLAs on the Plan's liabilities.

**CHAPTER 7: SUPPLEMENTAL INFORMATION  
CHATHAM COUNTY, GEORGIA**

**FY 2015-2016 ADOPTED EMPLOYEE POSITION SUMMARY**

## CHAPTER 8: GLOSSARY OF TERMS CHATHAM COUNTY, GEORGIA

The following definitions of terms are presented to facilitate understanding of the narrative discussions and illustrations included in this text and the terminology generally employed in governmental budgeting, accounting, auditing, and financial reporting.

**A.C.C.G.** – Association of County Commissioners of Georgia

**ACCOUNTING PERIOD** – The period at the end of which and for which financial statements are prepared.

**ACCOUNTING PROCEDURES** – All processes which discover, record, classify, and summarize financial information to produce financial reports and to provide internal control.

**ACCOUNTING SYSTEM**– The total structure of records and procedures which discover, record, classify, summarize, and report information on the financial position and results of operations of a government or any of its funds, fund types, balanced account groups, or organizational components.

**ACCRUAL BASIS OF ACCOUNTING** – The basis of accounting, under which transactions are recognized when they occur, regardless of the timing of related cash flows.

**ACCRUED EXPENSES** – Expenses incurred and recorded but not due for payment until a later date.

**ACTIVITY** – A specific and distinguishable line of work performed by one or more organizational components of a government for the purpose of accomplishing a function for which the government is responsible. For example, "food inspection" is an activity performed in the discharge of the "health" function.

**ADA** – American Disabilities Act

**ADOPTED (APPROVED) BUDGET** – The funds appropriated by the legislative body at the beginning of the year.

**AD VALOREM TAX** – A tax based on the value of property.

**AGENCY FUND** – A fund used to account for assets held by a government as an agent for individuals, private organizations, other governments, and/or other funds.

**ALLOCATE** – To divide a lump-sum appropriation into parts which are designated for expenditures by specific organization units and/or for specific purposes, activities, or objects.

**ALLOTMENT** – Part of an appropriation which may be encumbered or expended during an allotment period.

**APPRAISE** – To make an estimate of value, particularly of the value of property. If the property is valued for purposes of taxation, the less-inclusive term "assess" is substituted for this term.

**APPROPRIATION** – A legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes.

**ASSESS** – To value property officially for the purpose of taxation.

**ASSESSED VALUATION** – A stated percentage of the fair market value.

**ASSESSED VALUE** – The value at which property is taxed. The assessed value in the State of Georgia is 40% of the fair market value.

**ASSETS** – Resources owned or held by governments which have monetary value.

**AUDIT** – A methodical examination of utilization of resources. It concludes in a written report of its finding. An audit is a test of management's accounting system to determine the extent to which internal accounting controls are both available and being used.

**AUTHORITY** – A government or public agency created to perform a single function or a restricted group of related activities. Usually such units are financed from service charges, fees, and tolls, but in some instances they also have taxing powers.

**BALANCE SHEET** – The basic financial statement which discloses the assets, liabilities, and equities of an entity at a specified date in conformity with GAAP.

**BALANCED BUDGET** – A budget is balanced when the sum of estimated revenues and appropriated fund balances are equal to appropriations.

**BOND** – A written promise to pay a specified sum of money, called the face value or principal amount, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate. Bonds are typically used for long-term debt.

**BUDGET** – A financial operating plan for a given period which displays the estimated expenditures to provide services or to accomplish a purpose during that period together with the estimated sources of revenue (income) to pay for those expenditures.

**BUDGET CALENDAR** – The schedule of key dates which the local government follows in the preparation, adoption, and administration of the budget.

**BUDGET DOCUMENT** – The instrument used by the budget-making authority to present a comprehensive financial program to the appropriating body.

**BUDGET MESSAGE** – A general discussion of the proposed budget as presented in writing by the budget-making authority to the legislative body.

**BUDGET RESOLUTION** – The official enactment by the legislative body legally authorizing local government officials to obligate and expend resources.

**BUDGET STRUCTURE** – The manner in which the budget is organized; often determined by the size, the form of government and the amount of services provided.

**BUDGETARY CONTROL** – The control or management of a government or enterprise in accordance with approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available revenues.

## CHATER 8: GLOSSARY OF TERMS CHATHAM COUNTY, GEORGIA

**CHATHAM APPRENTICE PROGRAM (CAP)** – Work program established to recruit and manage unemployed or underemployed residents to complete Life Skills/Work Ethics Training for sustainable employment.

**CAPITAL BUDGET** – A spending plan for the acquisition of capital assets, such as roads, buildings, water and sewer infrastructure, land, and equipment.

**CAPITAL GRANTS** – Grants which are restricted by the grantor for the acquisition and/or construction of fixed assets.

**CAPITAL OUTLAYS** – Expenditures which result in the acquisition of or addition to fixed assets. Within the departmental operating budget these types of expenditures would be over \$5,000. Within the Capital Improvement Program these types of expenditures would have a minimum threshold of \$25,000.

**CAPITAL PROJECTS FUND** – A fund created to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds, Special Assessment Funds, and Trust Funds).

**CASH** – An asset account reflecting currency, coin, checks, postal and express money orders, and bankers' drafts on hand or on deposit with an official or agent designated as custodian of cash and bank deposits.

**CASH BASIS OF ACCOUNTING** – A basis of accounting under which transactions are recognized only when cash changes hands.

**CHATHAM AREA TRANSIT (CAT)** – Provider of public transportation.

**(CEMA) CHATHAM EMERGENCY MANAGEMENT AGENCY** – County agency responsible for protection of lives and property from the threat of major emergencies and disasters, both natural and manmade. Provide emergency assistance in time of disaster by providing community-wide leadership, guidance, support and coordination in the areas of mitigation, preparedness, response and recovery.

**CGRDC** – Coastal Georgia Regional Development Commission

**CAPITAL IMPROVEMENT PROGRAM (CIP)** – A plan for capital expenditures to be incurred each year over a fixed period of years to meet capital needs arising from the long-term work program or otherwise.

**CLASSIFIED POSITIONS** – Positions subject to the position classification plan which assigns positions to a specific class based on an analysis of the tasks, duties, and responsibilities of the position along with the required qualifications, knowledge, and skills, and carry the same salary range.

**CMSA** – Consolidated Metropolitan Statistical Area; a geographic entity defined by the federal Office of Management and Budget for use by federal statistical agencies. An area becomes a CMSA if it meets the requirements to qualify as a metropolitan statistical area, has a population of 1,000,000 or more, if component parts are recognized as primary MSA, and local opinion favors the designation.

**CNT** – Counter Narcotics Team

**COMPREHENSIVE ANNUAL FINANCIAL REPORT (CAFR)** – the official annual report of a government. It includes five Combined Statements – Overview (the “liftable” General Purpose Financial

## CHAPTER 8: GLOSSARY OF TERMS CHATHAM COUNTY, GEORGIA

Statements) and basic financial statements for each individual fund and account group prepared in conformity with (GAAP) and organized into a financial reporting pyramid.

**COUNTY TAX RATE** – Rate applied to the value of the property to determine the amount of taxes owed on it.

**DCA** – Department of Community Affairs

**DEBT** – An obligation resulting from the borrowing of money or from the purchase of goods and services. Debts of governments include bonds, time warrants, notes, and floating debt.

**DEBT LIMIT** – The maximum amount of gross or net debt which is legally permitted.

**DEFICIT** – (1) The excess of the liabilities of a fund over its assets. (2) The excess of expenditures over revenues during an accounting period.

**DEPRECIATION** – Expiration in the service life of fixed assets, other than wasting assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy, and obsolescence.

**DIGEST GROWTH** – Increase in the assessed value of taxable property in the County.

**E911** – Emergency Telephone System

**ENCUMBRANCE** – The commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for a specified future expenditure. It may be in the form of a purchase order, purchase requisition, or a contract for goods and services.

**ENTERPRISE FUND** – A fund established to account for operations (a) that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

**EXCISE TAXES** – Also known as selective sales taxes. There are three basic types; benefit based excise tax attempts to recover the cost of providing a service to those who use it, such as hotel/motel tax, privilege taxes such as business/occupation taxes, and sumptuary tax, such as the alcohol (sin) taxes.

**EXPENDITURES** – Decreases in net financial resources. Expenditures include current operating expenses which require the current or future use of net current assets, debt service, and capital outlays used in funds that are accounted for on the modified accrual basis of accounting. (Governmental funds)

**EXPENSES** – Decreases in net total assets. Expenses represent the total cost of operations during a period regardless of the timing of related expenditures used in funds that are accounted for on the accrual basis of accounting. (Proprietary funds)

**FAIR MARKET VALUE** – What the property would bring if it were sold on the open market at the usual value.

**FISCAL YEAR** – 12 - month period to which the annual operating budget applies and at the end of which a government determines its financial position and the results of its operations.

## CHAPTER 8: GLOSSARY OF TERMS CHATHAM COUNTY, GEORGIA

**FIXED ASSETS** – Assets of a long-term character which are intended to continue to be held or used, such as land, buildings, improvements other than buildings, machinery and equipment.

**FIXTURES** – Attachments to buildings which are not intended to be removed and which cannot be removed without damage to the buildings.

**FUNCTION** – A group of related activities aimed at accomplishing a major service or regulatory program for which a government is responsible. For example, public health is a function.

**FUND** – A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

**FUND BALANCE** – The difference between revenues and expenditures.

**FY** – Fiscal Year

**GAAP** – General Accepted Accounting Principals

**GASB** – Governmental Accounting Standards Board

**GENERAL FUND** – The fund used to account for all financial resources except those required to be accounted for in another fund.

**GENERAL OBLIGATION BONDS** – Bonds for the payment of which the full faith and credit of the issuing government are pledged.

**GENERAL REVENUE** – The revenues of a government other than those derived from and retained in an enterprise.

**GOVERNMENTAL ACCOUNTING** – The composite activity of analyzing, recording, summarizing, reporting, and interpreting the financial transactions of governments.

**GOVERNMENTAL FUNDS** – Funds general used to account for tax-supported activities. There are five different types of governmental funds: the general fund, special revenue funds, debt service funds, capital projects funds, and permanent funds.

**GRANT** – A contribution of assets (usually cash) from one government unit or organization to another. Typically, these contributions are made to local governments from the state or federal governments to be used for specific purposes and required distinctive reporting.

**(HAZ MAT) HAZARDOUS MATERIAL** –Term used for the program of hazardous material clean up.

**HOMESTEAD EXEMPTION** – A reduction in real property valuations for people living on their land.

**(ICS) INFORMATION AND COMMUNICATION SERVICES** – County department responsible for service, design, implementation and maintenance of the automated systems and hardware throughout the county government.

## CHAPTER 8: GLOSSARY OF TERMS CHATHAM COUNTY, GEORGIA

**IDC** – Indirect Cost; an expense that is not directly connected to a specific operation or function but is incurred in support of that operation or function.

**IMPROVEMENTS** – Buildings, other structures, and other attachments or annexations to land which are intended to remain so attached or annexed, such as sidewalks, trees, drives, tunnels, drains, and sewers.

**INTERNAL AUDIT** – An independent appraisal activity within an organization for the review of operations as a service to management. It is a managerial control which functions by measuring and evaluating the effectiveness of other controls.

**INTERNAL SERVICE FUND** – A fund used to account for the financing of goods or services provided by one department or agency to other departments or agencies of a government, or to other governments, on a cost-reimbursement basis.

**INVENTORY OF SUPPLIES** – An asset account which reflects the cost of supplies on hand for use in operations.

**LEGAL DEBT MARGIN** – The net amount of external financing resources that is available to the jurisdiction through the issuance of General Obligation bonds. In Georgia, the constitutional debt limit for GO bonds for counties is 10 percent of the assessed value of taxable property.

**LIABILITIES** – Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed, or refunded at some future date.

**(LOST) LOCAL OPTION SALES TAX** – A voter approved 1% sales tax collected from retailers in Chatham County.

**MAJOR FUND** – Any fund whose revenues or expenditures, excluding other financing sources and uses, constitute more than 10 percent of the revenues or expenditures of the appropriated budget.

**MILLAGE RATE** – A factor, when applied to the appraised value of a parcel of property, determines the tax due. The ad valorem tax rate expressed in the amount levied per thousand dollars of the taxable assessed value of property. One mill is equal to one dollar per thousand.

**MODIFIED ACCRUAL BASIS OF ACCOUNTING** – Basis of accounting used in conjunction with the current financial resources measurement focus that modifies the accrual basis of accounting in two important ways (1) revenues are not recognized until they are measurable and available, and (2) expenditures are recognized in the period in which governments in general normally liquidate the related liability rather than when that liability is first incurred (if earlier).

**M&O** – Maintenance and Operations

**MPC** – Metropolitan Planning Commission

**MSA** – Metropolitan Statistical Area; a geographic entity defined by the federal Office of Management and Budget for use by federal statistical agencies, based on the concept of a core area with a large population nucleus, plus adjacent communities having a high degree of economic and social integration with that core.

**M/WBE** – Minority/Women Business Enterprise

**NET ASSETS** – An account reflecting the accumulated earnings of an Enterprise or Internal Service Fund.

**NON-CLASSIFIED POSITIONS** – Positions not subject to the position classification plan.

**NON MAJOR FUND** – A fund that does not meet the criteria for a major fund as defined.

**(OPEB) OTHER POST EMPLOYMENT BENEFITS** – Benefits provided to retired employees other than their pensions (i.e. health, life, and dental insurance).

**OPERATING BUDGET** – Plans of current expenditures and the proposed means of financing them. The annual operating budget (the biennial operating budget) is the primary means by which most of the financing, acquisition, spending, and service delivery activities of a government are controlled. Where not required by law the annual operating budgets are essential to sound financial management and should be adopted by every government.

**ORDINANCE** – A formal legislative enactment by the governing board of the County. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the boundaries of the local government to which it applies.

**PAY-AS-YOU-GO BASIS** – A term used to describe the financial policy of a government which finances all of its capital outlays from current revenues rather than by borrowing.

**PROPERTY TAXES** – Tax based on assessed value of a property, either real estate or personal. Tax liability falls on the owner of record as of the appraisal date.

**RESERVE** – (1) An account used to earmark a portion of fund balance to indicate that it is not appropriate for expenditure; and (2) an account used to earmark a portion of fund equity as legally segregated for a specific future use.

**RESOLUTION** – A special or temporary order of a legislative body; an order of a legislative body requiring less legal formality than an ordinance or statute.

**RESTRICTED ASSETS** – Monies or other resources, the use of which is restricted by legal or contractual requirements.

**RETAINED EARNINGS** – A fund equity account which reflects accumulated net earnings (or losses) of a proprietary fund. As in the case of fund balance, retained earnings may include certain reservations of fund equity.

**REVENUE BONDS** – Bonds whose principal and interest are payable exclusively from specific projects or special assessments, rather than from general revenues.

**REVENUES** – Sources of income received during a fiscal year, operating transfers from other funds, and other financing sources such as the proceeds derived from the sale of fixed assets.

**ROLLBACK RATE** – A tax rate calculated to offset growth in the tax digest due to reassessment of property. It is equal to the previous year's millage rate minus the millage equivalent of the total net assessed value added by reassessments. The intent is to keep the tax bill to the property owner level from year to year.

**SAGIS** – Savannah Area Geographic Information System

**SCMPD** – Savannah Chatham Metropolitan Police Department

**SPECIAL ASSESSMENT** – A compulsory levy made against certain properties to defray part or all of the cost of a specific improvement or service deemed to primarily benefit those properties.

**SPECIAL DISTRICT** – An independent unit of local government organized to perform a single governmental function or a restricted number of related functions. Special districts usually have the power to incur debt and levy taxes.

**SPECIAL REVENUE FUND** – A fund used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or for major capital projects) that are legally restricted to expenditure for specified purposes.

**SPECIAL PURPOSE LOCAL OPTIONS SALES TAX (SPLOST)** – An optional sales tax of one cent per dollar approved by local referendum. Proceeds are used for capital projects and debt retirement. The referendum authorizes collection for a specific period.

**SPECIAL SERVICE DISTRICT (SSD)** – A defined area within the county where special services are rendered and the costs of the special services are paid from revenues collected from service charges imposed within that area.

**(TANs) TAX ANTICIPATION NOTES** – Note (sometimes called warrants) issued in anticipation of collection of taxes. Usually retireable only from tax collections and frequently only from the proceeds of the tax levy whose collection they anticipate.

**TAX DIGEST** – A listing of the total taxable value (i.e. fair market value) of all property, real and personal, in the County.

**TAX RATE** – The amount of tax stated in terms of a unit of the tax base; for example, 25 mill per dollar of assessed valuation of taxable property.

**TAX RETURN** – Form used to report taxable income and property.

**TAXES** – Compulsory charges levied by a government for the purpose of financing services.

**(ZBB) ZERO-BASED BUDGET** – A budgeting process that asks managers to build a budget from the ground up, starting from zero.
