## Budget Team Message

**A** **NOTE FROM YOUR BUDGET TEAM.** *Even though the budget was presented to the Chairman and the Board of Commissioners in May, its preparation began many months prior, with projections of County funding sources, remaining bond authorization, reserves, revenues, and expenditures.*

*It continues through numerous phases and culminates with adoption in June. We, the Budget Team, recognize and appreciate that budgeting is an ongoing process of planning, monitoring, problem-solving, and customer service throughout the fiscal year. Each year, every effort is made to improve the process and the usefulness of these budget documents.*

## County Manager's Budget Message

Lee Smith, County Manager

### To the Honorable Chairman Chester Ellis & Members of the Chatham County Board of Commissioners:

As the County Manager of Chatham County, Georgia, it is my legal responsibility to present the Fiscal Year 2021 - 2022 Budget Message and Budget Recommendation. The Budget Message draws heavily from the Chatham Community Blueprint as well as local and state economic forecasts that detail the challenges and opportunities of the upcoming fiscal year. After months of listening to the citizens and your comments, this budget message and recommended budget are designed to achieve our collective vision and accomplish goals brought to the County through the Blueprint process. This is our road map that led to the consideration and ultimate adoption of the Fiscal Year 2021 - 2022 Budget on June 28, 2021, keeping Chatham County on a planned track of success despite recent economic changes due to COVID-19 response.

### "No Millage increases"

The Fiscal Year 2021 - 2022 Recommended Budget assumed the current millage rate(s) would stay in place with **NO increases in rates**. The adopted rates remained at **11.543** mills in the General Fund M&O and **4.801** mills in the Special Service District (SSD). Revenues and expenditures are balanced for both the M&O and SSD with budgets of **\$209,258,967** and **\$44,279,000** respectively.

The last sixteen months have been a unique challenge for our organization due to the pandemic; however, Team Chatham rallied and pulled together to keep services and departments operational. Some of our biggest challenges were in judicial operations. Our team and the judicial team worked together to keep people safe and adapt to new standards of operations. We continue to live with many changes in operations county-wide, but not all of these changes are negative. The pandemic moved everyone to "think outside of the box" as to how the County could maintain service levels. Technology has played a major role with video and voice meetings and better utilization of electronic correspondence, as well as implementing policies for telework and employee flex scheduling. These process changes may be a way of the future and give the opportunity for much more efficient and cost effective ways to conduct business. In the courts, the use of video arraignments has directly lowered the movement of inmates, reducing safety concerns for our law enforcement officers, the courts and the public. I commend all of Team Chatham for being creative and dedicated to maintaining services for the public.

Obviously, there were unexpected costs dealing with COVID-19 related changes, such as operations, personal protective equipment, new hardware and software. The increased workload in areas such as facilities maintenance with additional cleaning/sanitizing contracts and overtime, Information Communications Services (ICS), the County experienced major budget constraints. However, the federal Cares Act allocation allowed the county to maintain its budget at near expected levels.

### Revenue Assumptions

There have been interesting trends over the last 18 to 24 months. New construction permits have reached a 10-year high as the private sector continues to build new single-family dwellings in unincorporated areas. Sales of single-family homes continue to increase along with higher sale prices. In fact, single family existing homes inventory has dwindled to a record low, causing bidding wars at times for properties. Basically, a sellers' market. Renovations and home improvements also continue to increase.

County sales tax levels have remained stable due in part to additional internet sales. Car sales in Chatham County additionally experienced increases. We do believe some of these increases have been caused by the federal stimulus funds for individuals and families.

Chatham County is fortunate due to our local economy. Being the “hub” for sales in the region, new industry construction and recruitment, Chatham County remains in sound fiscal condition. Continued growth of the Georgia Ports, private and public investment in infrastructure has also played a major role in stabilization in our community.

### **County Workforce**

On the “flip side,” the workforce for businesses and for our organization have suffered. An all-time low unemployment rate and stimulus funding for individuals and families have reduced our ability to find candidates in several of our departments. Our Human Resources department has continuously tried new methods of recruitment utilizing our regular processes plus social media with the aid of Public Information. Our hardest hit areas are public works, facilities, recreation, 911 communications as well as the Sheriff’s Office and detention center. Out of major concern, we researched the reasons for inability to recruit. Our research shows we are competitive for the most part in these sectors regarding salaries and benefits. We have, however, made salary adjustments for several years for areas such as law enforcement, communications, hourly part-time positions as well as maintaining the “living wage” level as directed by the Board of Commissioners. We are not alone regarding this dilemma. We are in hopes once the impact of the pandemic lessens, we may see a movement of a return to work trend.

### **Chatham County is “cautiously optimistic.”**

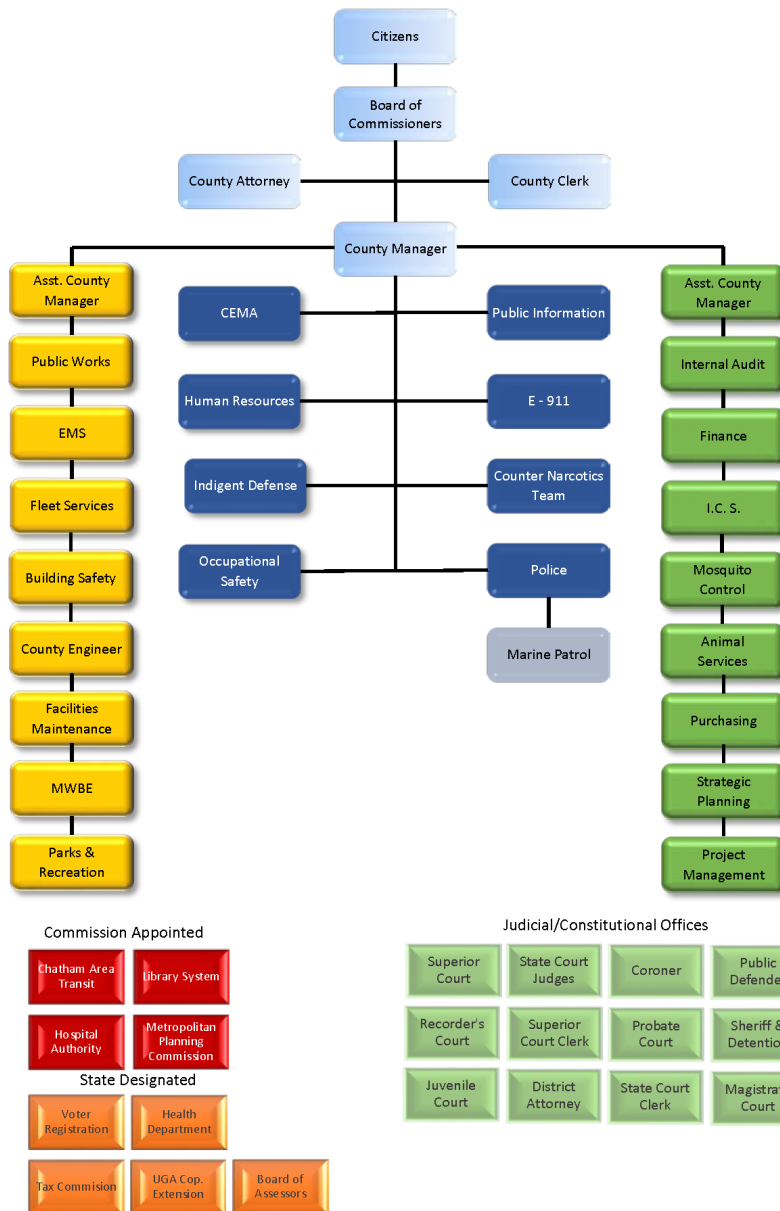

I am recommending a cautious but optimistic approach for the next fiscal year. To counter the uncertain economic climate, our budget team estimated revenues and expenditures at a much more conservative rate. While Chatham County’s digest values are estimated by the Board of Assessors to grow by somewhat over 4%, we, however, reduced the digest assumption to **2%**. This will aid in preventing expenditures from exceeding revenues for the 2021/2022 Fiscal Year. The bottom line, “we maintain our conservative budget direction.” It is also important to recognize the **bulk of the County’s revenues are property value based**, giving the County a much more stable revenue stream.

In the 2020/2021 budget, I recommended delaying new expenditures, such as one-time purchases within the Capital Improvement Plan. Delayed projects, capital, and a hiring freeze for non-essential positions were re-evaluated in December of 2020 to examine actual revenue impacts. Most capital projects and employee freezes were released in January of 2021 as revenues continued to remain stable.

Chatham County’s Monetary and Fiscal policy tools continue to be followed. The policies approved by the Chatham County Board of Commissioners and implemented by management are strengthening the County’s financial standing with **(1)** maintaining the undesignated cash **reserves of just over 30% of expenditures**, **(2)** daily monitoring of expenditures and investments and **(3)** continued assistance by Davenport & Associates (our contracted financial advisors) regarding management of funds, financing of our large capital SPLOST projects, etc.

# Chatham County Organizational Chart

# Population Overview

TOTAL POPULATION  
**288,496**

▲ .5%  
vs. 2018

GROWTH RANK  
**69** out of **152**  
Counties in Georgia

\* Data Source: American Community Survey, 2010 Census, 2000 US Census and 1990 US Census

Aging affects the needs and lifestyle choices of residents. Municipalities must adjust and plan services accordingly.

DAYTIME POPULATION  
**322,744**

Daytime population represents the effect of persons coming into or leaving a community for work, entertainment, shopping, etc. during the typical workday. An increased daytime population puts greater demand on host community services which directly impacts operational costs.

\* Data Source: American Community Survey, 2010 Census, 2000 US Census and 1990 US Census

## POPULATION BY AGE GROUP

\* Data Source: American Community Survey, 2010 Census, 2000 US Census and 1990 US Census

## Household Analysis

TOTAL HOUSEHOLDS  
**108,568**

Municipalities must consider the dynamics of household types to plan for and provide services effectively. Household type also has a general correlation to income levels which affect the municipal tax base.

## Community Profile

*Chatham County's unique history as well as its coastal location provides economic benefits to the region. Presented herein is data on the County:*

### History of Chatham County

Chatham County is the nucleus from which the present great State of Georgia has grown. Savannah was the first settlement recognized by the English government in colonial days. At Savannah, on February 12, 1733, with 116 settlers, the colony of Georgia was founded by a member of the English Parliament, James Edward Oglethorpe. In 1741, the Trustees divided the new colony into two colonies — the Savannah Colony and the Frederica Colony. In 1743, Oglethorpe departed for England leaving William Stephens, the first President of Georgia, over the government made up of the two colonies.

In 1758, the province was divided into eight parishes, one being Christ Church, which later formed most of the territory of Chatham County. In 1777, the first regular Constitution of the State was promulgated and at this time, parishes were abolished and counties named in their place. The County is named for William Pitt, the Earl of Chatham, an English nobleman. In 1786, the Chatham Artillery, the nation's oldest active military organization, was organized.

Chatham County is the sixth largest of the State's 159 counties. The County encompasses 438 square miles and still has its early boundaries as laid down in the Revolution. The County is bounded on the north by the Savannah River and South Carolina, on the east by the Atlantic Ocean, the south by the Ogeechee River and Bryan County, and on the west by Effingham County. It is the most easterly county in the State, and has many winding estuaries, rivers, and Sea Islands. It has as its county seat, the main seaport of the State, the historic City of Savannah.

### General overview

Chatham County represents the major metropolitan area in the Southeast Georgia region; ranks fifth in population in the state and is noted for having a stable economy. The County has a dual personality, that of a major tourist attraction, and an extraordinarily successful port. This gives it a vibrancy that few other places can match. The City of Savannah also is a premier destination for national conventions and trade shows.

## Manufacturing

Gross Regional Product (GRP) in Savannah grew \$549 million (3.6%) from 2016 to 2017; which puts Savannah in third place for growth among the Georgia metropolitan areas measured by the U.S. Department of Commerce's Bureau of Economic Analysis. At over \$15 billion, Savannah's GRP remains the state's third largest, behind only Atlanta and Augusta. Economic activity generated by Savannah's private sector industries measured \$13.4 billion in 2017 and accounted for 85% of the regional economy in 2017.

A diverse mix of industries, busy ports and strategically networked transportation, logistics, energy and communications infrastructures create a business climate in Savannah that is unmatched in many larger cities. Savannah's exceptionally high value-adding production in manufacturing represents 21% of the region's total output.

MAJOR MANUFACTURING EMPLOYERS IN THE CHATHAM COUNTY AREA		
Firm	Product	Employment
Gulfstream Aerospace	Jet aircraft, aerospace equipment	10,674
SNF	Chemicals	1,500
Georgia Pacific Corporation	Paper products	1,000
International Paper Corporation	Paper, chemicals, corrugated containers	903
JCB, Inc.	Construction equipment	600
SOURCE: Savannah Area Chamber of Commerce, Savannah 2020 Economic Trends		

## Tourism

The preservation and restoration of Savannah's downtown historic district and the riverfront has served as the anchor for tourism in the area. Complementing the tourism sector is convention trade. Savannah's Civic Center includes a 2,566 seat theater, an arena with a capacity of 9,600, a ballroom with a capacity of 550 and over 25,000 square feet of exhibit space. In addition, the Savannah International Trade & Convention Center has allowed Savannah to compete for larger conventions, meetings and events.

Savannah's tourism and hospitality industry currently employs over 27,000 people and continues to be one of the largest economic drivers of Savannah. Travel to Savannah remains strong and the city enjoys visitors from all over the world. Most recently, the city was named "A World's Best City for the United States & Canada" by Travel & Leisure. Chatham County has over 15,300 hotel/motel rooms and a variety of restaurants in the downtown area and throughout the Metropolitan Area. During the past ten years, the growth in retail trade and service sectors is attributable to increased tourism and reflects its importance to the County's income. Savannah exudes a beauty and charm that few, if any, destinations can match. Savannah's tourism and hospitality industry continues to be one of the largest economic drivers for the region. Travel to Savannah remains strong, and the city enjoys visitors from all over the world. Recently, the city ranked in the "Best U.S. Cities" (#4) by *Travel + Leisure* magazine. The Savannah tourism sector continued to grow with total overnight person-stays increasing from 8 million in 2017 to 8.2 million in 2018. In 2018, over 14.5 million visitors came to Savannah including 8.2 million overnight visitors and 6.3 million day-visitors. The demand for rooms increased 2.6% in 2018, and visitor spending increased by 3.1% to \$3 billion. In 2018, room tax revenue climbed to \$26.7 million, setting another record high.

Tourism and convention business will continue to be one of the fastest growing sectors of Chatham County's economy, reflecting substantial investments in the area's infrastructure, including numerous new well-situated hotels as well as the Savannah International Trade and Convention Center.

## Transportation

*Logistics Today* has rated this area "the most logistics friendly city in the nation" — recognizing the area as a superior transportation hub with access to the Port of Savannah and major railways. Here are some reasons for the honor:

- Savannah is only a few miles from Interstate 95, as well as at the eastern terminus of Interstate 16 — giving business and residents speedy access to Atlanta.
- Savannah is a short distance from the burgeoning Florida market, yet has the cost and business advantages of a Georgia location.
- The area enjoys a strategic location on the East coast, but is far more westerly than other coastal cities; located 647 miles due south of Cleveland, Ohio.
- The taxpayers understand the importance of quality infrastructure and improvements by the continued approval of Special Purpose Local Option Sales Taxes (SPLOST).

### **Port of Savannah**

The Port of Savannah is fourth largest port in the United States. The County's continued economic progress is based to a large extent on the continuing development of the Port of Savannah. The Port of Savannah is home to the largest single-terminal container facility of its kind in North America. The Port of Savannah is the largest single-container terminal in the Western Hemisphere. In FY2019, it handled 4.5 million TEUs (Twenty Foot Equivalent Units) in through-put. FY2019 had the highest volume in the Port of Savannah's history. The Port of Savannah moved 9% of total U.S. containerized loaded cargo volume and 20% of the East Coast container trade. The port handled 10.5% of all U.S. containerized exports in FY2019 (USA Trade online).

The port has access to two railroads, over 3 million Ft<sup>2</sup> of warehouse space within 30 miles of the port. Immediate access to two major interstates covering all directions, 9,700 feet of contiguous berth space, and the largest concentration of import distribution centers on the East coast. The Savannah Harbor comprises the lower 21.3 miles of the Savannah River generally forming a boundary between South Carolina and Georgia and 11.0 miles of bar channel for a total length of 32.3 miles. Savannah is the farthest inland port on the East Coast, which places Savannah within a day's haul over road or rail to many major Midwestern markets, thus greatly reducing the cost of shipping. Although the Port has numerous private businesses having docking facilities, the Georgia Ports Authority (GPA) has the largest wharfing facilities for handling cargo for both imports and exports on the east coast. The Georgia Ports Authority broke ground on its \$126.7 million Mason Mega Rail Terminal, which will expand the Port of Savannah's rail lift capacity to 1 million containers per year, and open new markets spanning an arc of cities from Memphis to St. Louis, Chicago to Cincinnati.

### **Military**

Fort Stewart and Hunter Army Airfield are the home to the 3rd Infantry Division, and combine to be the Army's Premier Power Projection Platform on the Atlantic Coast. It is the largest, most effective and efficient armor training base east of the Mississippi, covering 280,000 acres including parts of Liberty, Long, Tattnall, Evans and Bryan counties in southeast Georgia.

Hunter Army Airfield is home to the Army's longest runway on the east coast (11,375 feet) and the Truscott Air Deployment Terminal. Together these assets are capable of deploying units such as the heavy, armored forces of the 3rd Infantry Division or the elite light fighters of the 1st Battalion, 75th Ranger Regiment.

# Quick Facts

## **Tourism**

Annual Visitors: nearly 14.5 million (2018)  
Nation's largest Historic Landmark District

# **BUDGET OVERVIEW**

---

# The Budget Process

The annual budget is a fiscal plan, which presents the services, provided for the community and describes the resources needed to perform these services. Each government department defines its budget to serve the unique circumstances and therefore, each department budget process is unique. Chatham County operates under a fiscal year beginning on July 1 and ending on June 30 of the following year. The budget process consists of four chronological phases - preparation, integration, presentation, and execution.

## **BUDGET FORMULATION**

Formulation of the budget requires consolidation of information and detailed analysis of the data available. Priorities must be established with future revenues and expenditures projected and balanced against Board expectations, new program requests, and public input.

## **REVENUE PROJECTIONS**

Departments provide estimates of current year's revenues and projections for the upcoming budget year and any variances from the current year's budget are identified. Projections include calculations, assumptions made, and methodology. Budget staff reviews estimates and the underlying data provided. Data is compared to year-to-date actual revenue for the current year, trends from past years and expected trends for future years. The effect of statutes, ordinances, regulations, and legal contracts are considered and additional information is requested from departments as needed. Certain general revenues are projected jointly by the Finance Division and the Budget Office, including Property Taxes, Local Option Sales Taxes, and Franchise Fees. Projections are finalized by the Budget Office and the Finance Director.

## **EXPENDITURE PROJECTIONS**

Departments provide estimates of current year's expenditures and projections for the upcoming budget year. Variances from the current budget must be explained. Many expenditure object lines, Professional and Service Contracts, Vendor Leases, Employee Travel and all capital expenditures, require full justification each year. The Budget staff reviews estimates and the underlying data provided, comparing the data to year-to-date actual expenditures for the current year, trends from past years, and integrates the information with knowledge obtained from other sources to develop a projection. Other factors that contribute to development include:

- Purchasing - existing contracts and lease agreements.
- Human Resources - salary and fringe benefits.
- The effect of ordinances, statutes, and regulations are considered.
- Additional information as requested from departments as needed.

The Budget team, Finance Director, and County Manager finalize expenditures. Budgets for the General, Special Revenue, Debt Service and Capital Projects Funds are developed using the modified accrual basis of accounting. This basis of budgeting is the same as the basis of accounting used in the audited financial statements. Proprietary fund budgets are not required by state law but are utilized as a management tool.

## **NEW PROGRAMS**

New programs are defined as an addition to the budget and can be revenue, expenditures or both. Examples include adding new positions, a new activity, a new service or a transition to a new process or type of equipment. Evaluated separately and apart from the baseline budget, new programs are and are graded based on relevance to the county's mission, objectives of the strategic plan, cost/benefit, efficiency, effectiveness, need, and potential for a positive outcome. The County Manager makes recommendations to the Board of Commissioners regarding significant new programs and, if approved by the Board, the programs are integrated into the budget.

## **PUBLIC INPUT**

Throughout the year, information is collected from citizens primarily through Commission members, County staff attendance at neighborhood meetings, and various meetings held by the Board of Commissioners. Using this information, the proposed budget addresses requests voiced by citizens and neighborhood councils. Additionally, as required by State Statute, the County held several Public Hearings scheduled related to the Budget and Millage Levy prior to the adoption of the budget by the County Commission.

## **BUDGET AMENDMENTS**

Under State Law, the legal level of control is at department level for each fund for which a budget is required. In addition, the governing authority of Chatham County has established salary appropriations within a department as a lower level of control. During the fiscal year, the County Manager, Finance Director, and Budget Officer are authorized to transfer budgeted amounts within departments, with the exception of transfers, which increase salary appropriations. The Board of County Commissioners must approve transfers of amounts between departments and must approve appropriations of additional resources, including salaries.

## **BASIS OF BUDGETING**

The basis of budgets for the General, Special Revenue, Debt Service and Capital Projects Funds are developed using the modified accrual basis of accounting. This basis of budgeting is the same as the basis of accounting used in the audited financial statements. Proprietary fund budgets are not required by state law, but are used as a management tool.

## Budget Calender

The Budget calendar is designed to ensure the process remains on track and all required deadlines are met.

DATE	ACTIVITY
September 15, 2020	HR Process Begins
December 1, 2020	Final day to submit personnel requests to HR.
January 4, 2021	Distribute Budget Request & CIP Packets – Departments and Outside Agencies
February 1, 2021	FY2022 CIP requests due from Departments and Outside Agencies
February 5, 2021	Revenue estimates due from Departments
February 12, 2021	Budget Request and updated five year goals due from all departments
February 16, 2021 – March 5, 2021	Analyze department budget requests/hold conferences with Department Heads/Budget Staff. (To clarify requests)
March 2021	Budget Reviews – County Manager/Department Heads/Executive Committee/Budget Staff
May 24, 2021	Advertise availability of the proposed budget and June 11, 2020 public hearing (State Law). The proposed budget was posted on the county website on May 28, 2021.
May 28, 2021	Ad for budget adoption sent to paper
June 2, 2021	The 2021 Digest provided to the Finance Department for Millage Levy calculations and an advertisement for the 5-year history sent to local newspaper.
June 8, 2021	The advertisement for the 1 <sup>st</sup> and 2 <sup>nd</sup> Public Hearing on Millage Levy and year 2021 Tax Digest and 5-year. Information on Millage Levy is posted on the county website.
June 9, 2021	Department Budget Workshop
June 11, 2021	Hold public hearing on proposed budget
June 17, 2021	Board Budget Workshop at 10:00 a.m. and 1 <sup>st</sup> and 2 <sup>nd</sup> Public Hearing on Millage Levy.
June 25, 2021	Adoption of the FY2022 budget by County Commissioners using a continuing resolution.
July 6, 2021	Advertised 3 <sup>rd</sup> Public Hearing on Millage Levy to be held on July 16, 2021 at 9:30 a.m.
July 16, 2021	Adoption of the FY2022 budget by County Commissioners 1) Held 3rd Public Hearing on Millage Levy at 9:30 a.m. (2) Adoption of year 2021 Chatham County M&O, SSD, and Chatham Area Transit Millage Levy by the County Commissioners
July 16, 2021	Adoption of year 2021 Board of Education Millage Levy by County Commissioners
July 16, 2021	Resolutions and forms for digest package to the Chairman for signature and forwarded to the Board of Assessors

## Priorities & Issues

Despite the pandemic and Chatham County maintaining its financial position, the following project initiatives are ongoing and moving forward. This budget message provides an opportunity to update you about the status of these initiatives. These include completed, in process and upcoming initiatives, capital investments, and program changes affecting County operations and services. The Fiscal Year 2021 - 2022 Budget recommendations (with updates) include, but are not limited to, these initiatives:

### New Trial Court Building

After over 15 years of consultation, conversations, design, RFP and awarding of the bid to JE Dunn in cooperation with our judiciary representatives, this project is officially underway. Funding for this project is in place with the issuance of bonds in 2020, the passage of SPLOST 7 to pay off bonds and inclusion of interest payments in the County operating budget beginning 2021-2022. County issued revenue bonds will generate cash flow for the \$83 million cost of the facility. The facility is projected to be completed in 27 to 30 months from now. Keep in mind, when the doors open, operational expenses will increase due to new contracts for elevators, janitorial services, water, sewer, personnel, etc. Staff is in the process of gathering this data as we do with all capital projects, forecasting the impact on the operational budget in future years. The new trial court facility will be a major architectural centerpiece in Chatham County and in the downtown area.

### Chatham County Computer Aided Dispatch & Records Management System:

Over the last two years, a team of employees from municipalities throughout Chatham County, including multiple agencies (Police, Fire, EMS, CEMA, and County staff), have collectively worked on a focused approach to enhancing and improving 911 and public safety services and response to life-critical emergencies.

A few of the goals are:

1. Enhance interoperability between public safety agencies.
2. Improve communications.
3. Enhance employee productivity and capabilities. and
4. Add more robust analytics and data mining capabilities for improving decision-making within the county.

After the team completed a formal RFP, and with the Board of Commissioners' approval, the team entered into the negotiation phase with Central Square. Currently, the team is in the final stages of contract negotiations, and anticipate presenting it to the Board for final approval at the beginning of June. The team created the programs TCO (Total Cost of Ownership) and cost sharing models, established the implementation approach and determined an 18 to 24-month time line from contract signing to entering into service is expected.

### New Chatham Emergency Management Agency facility

The design of the Chatham County Multi-Agency Public Safety Facility continues to move forward. The approximate 83,000 square foot, public safety facility will be located at the Savannah-Hilton Head International Airport supporting the operations and administrative offices for 911 and the County Dispatch Center; CEMA and the County's Emergency Operations Center; the Airport's Department of Public Safety; allocate space for a County-wide Traffic Management Center; and serve as the County's Continuity of Government location. The facility will be constructed to withstand the hazards associated with a Category 5 hurricane and an EF-4 tornado. Currently, we are entering into the Design Development phase and this is anticipated to be completed by spring 2022. Bidding and contract consideration are anticipated to take place during the summer of 2022, and construction is anticipated to be completed in the Fall/Winter of 2023.

### Behavioral Health

While Chatham has a long tradition of maintaining its historical character and natural reserves, traditionally leadership has not focused planning efforts on health and human resources. Realizing this shortcoming, the Chatham County Board of Commissioners made an effort to align budget requests with community needs by creating and now implementing a long-term community wide strategic plan known as the *Chatham Community Blueprint (Blueprint)*. The local long-range strategic plan identifies four areas of priority; Economy, Education, Health and Quality of Life. The overarching vision of the Blueprint is to promote opportunities for economic mobility, safety, lifelong learning, and exceptional health for all residents. Two issues that rose to the top of the plan were mental health and recidivism.

Chatham County created a Criminal Justice Advisory Council under our vision to achieve a superior quality of life within a safe, active and healthy environment. In 2017, the Board signed a resolution, a call to action for Chatham County to participate in the Stepping Up Initiative. This initiative is a national model, presented in partnership by The American Psychiatric Association, National Association of Counties and Justice Center to reduce the number of individuals booked into county jail with mental illness. The Chatham County Criminal Justice Advisory Council with representatives from law enforcement, mental health, homeless service providers, policy makers and many community stakeholders, including Sheriff Wilcher, Chatham County launched a local initiative “Breaking the Cycle” aligning with the national model and supported by the Bureau of Justice. The mission of “Breaking the Cycle” is to reduce the recidivism rate for offenders through an array of strategies focused on individuals with mental illness, including; (1) reducing the number of people booked in the Chatham County Detention Center, (2) shortening the length of stay at the jail, and (3) increase the percentage of individuals with connection to care.

The Advisory Council completed an assessment using the Sequential Intercept Model which details how individuals with mental and substance-abuse disorders come into contact with and move through the criminal justice system. This process allows staff and management to identify local behavioral health service needs, introduce the community to evidence-based practices, enhance relationships across systems and create customized action plans to address the identified gaps. As a result, Chatham County made a commitment to (1) divert people into local crisis care services and treatment instead of being arrested, (2) diversion to community-based wrap-around resources and (3) supporting reentry back into the community.

Since 2018, Chatham County has offered an application process to support internal and external initiatives that align with the Chatham Community Blueprint and support an array of needed services for our residents. Therefore, the FY22 funding recommendations took into consideration the ongoing impact of the COVID-19 pandemic as it relates to non-mandated services. Furthermore, recommendations align with the opportunity to use some of the recently approved federal funds to support local governments.

### **County ordinance(s) codification and online access:**

The Chatham County Code has always been managed in-house, meaning when an ordinance is adopted or revised, county staff make changes to the code. The process is very tedious and time-consuming. The Board approved the codification and management by Municode making our county code easily searchable. Prior to sending our code to Municode, we confirmed that all ordinances were current. Sent to Municode in March, the Chatham County Code is being reviewed for upload providing a searchable, accessible, and readable foundation for all users, internally and externally.

### **County Recreation Master Plans, SPLOST and timeframes:**

We began collecting SPLOST 7 in the fall of 2021. SPLOST 7 revenue is the predominate funding source for future recreation projects as generally outlined in the County Recreation Plan. County Staff is in the process of developing a simplified document outlining these projects. We will be utilizing data such as census information to see where various age groups are located, ensuring proper placement of projects. Examples: projects aimed at children 5 to 12 with an interest in specific sports should be located where appropriate and easy to access. Larger projects like a regional gym with 10+ courts must be located near amenities such as restaurants, hotels and major highways. We anticipate coming to the Board of Commissioners in the fall of 2021 with recommendations as to recreation projects as well as anticipated additional operational costs in future years to properly service existing and new facilities.

### **Canal and Storm water Management & New Master Plan**

As a coastal community, with low elevations as it relates to sea level, more attention and actions are needed now. Heavy rainfall, major construction of residential, industrial, and commercial buildings, in the county and from adjacent counties is, will produce record high storm water runoff. It is recommended the county enter into agreements with all local governments in Chatham County to reassess and develop a master storm water plan to address this issue and to recommend needs and requirements to improve flow to avoid flooding in this community. Sea level rise, tidal issues and construction must be re-examined. Chatham County should look at how we can fund this issue with possible impact fees from those developing and building causing major runoff. To date, the taxpayers in the county pay for these impacts. Maintenance of ditches and canals is paramount. A

major problem is water flows through multiple jurisdictions and maintenance is not consistent. Inter-governmental agreements must be developed to avoid these problems and ALL assume the cost of development and storm water runoff.

### **Early Childhood Development Facility**

Per the direction of the Board of Commissioners, County staff was directed by way of Board priorities to look at ways to partner with public and private agencies to begin the work of supporting children ages 0 to 4. Presently, East Savannah United, the Housing Authority of Savannah, County and the City of Savannah are working together to develop a plan for the facility. Funding from SPLOST of \$6,250,000 (\$3,125,000 from the County & \$3,125,000 from the City of Savannah) will assist in the construction of a facility. Additionally, SPLOST is funding \$500,000 for library space on-site. Private funding for capital and operations will be derived through private fundraising. Other partners are planning to build facilities on the site as well. These partners consist of the YMCA, Goodwill, and the Boys and Girls Club. 2023 is the target time frame for the opening of the Early Childhood Development Center. This project is also in total alignment with the County's Blueprint.

# Strategic Plan

The Chatham Community Blueprint has been used to guide workflow and budget conversations since 2015. In an effort to ensure alignment with the budget process, the Board of Commissioners contracted with the Leadership Institute of Columbus State University to facilitate strategic planning sessions. Community information is constantly gleaned from the Coastal Georgia Indicators Coalition and Georgia Southern University's community survey along with various focus groups and local countywide indicator data. Staff monitors the progress of contractual agreements and certain county departments to ensure that we are working in a coordinated manner to meet the needs of the community.

Chatham County's mission and vision statement along with priorities were identified as follows:

## ***Mission Statement***

The mission of Chatham County Government is to protect and serve the public and provide services to improve the quality of life.

## ***Vision Statement***

To make Chatham County, Georgia the best place to live, work and play.

**ECONOMY** - Preferred Goal: Using accurate and reliable data, linking current and projected needs of employers through the development of apprenticeship and vocational programs for the placement of individuals with quality employment, leading to self-sufficiency.

### ITEMS OF HIGH PRIORITY:

- People (Children) Living Below Poverty (Role: Investor, Influencer)
- Economic Development (Role: Collaborative Partner)
  - Focus on (a) small businesses, (b) unemployed, and (c) under employed

**EDUCATION** - Preferred Goal: Incentivize and promote parental involvement in schools by teaching parents to advocate for their children, facilitating better communication between parents and school leadership, and eliminating barriers to parent engagement

### ITEMS OF HIGH PRIORITY:

- Early Childhood Care and Education (Birth-Age 3) (Role: Collaborative Partner, Investor)
- Youth Development
  - Focus on children being ready to learn and afterschool programming

**HEALTH** - Preferred Goal: Effectively address mental health by educating the public and reducing stigma, increasing early intervention programs, removing gaps and barriers, and increasing access to treatment, particularly as it impacts incarcerated individuals, children, and adolescents.

### ITEMS OF HIGH PRIORITY:

- Recreational Facilities, Parks & Green Space (Role: Actively "doing", Investor)
- Food Access & Food Insecurity (Role: Collaborative Partner)
  - Focus on access to healthcare services for the under-insured population and provide healthy food choices for food desserts

**QUALITY OF LIFE** - Preferred Goal: Reduce crime, particularly abuse and violence, by building trust between law enforcement and residents, focusing on enforcement individuals involved in risky behaviors and activities, and expanding the visibility of police to ensure all residents feel safe.

### ITEMS OF HIGH PRIORITY:

- Public Safety & Crime Reduction (Role: Actively "doing", Investor)
- Sidewalks, Trails, Bike Paths (Role: Actively "doing", Investor, Collaborative Partner)
  - Focus on (a) keeping people safe in their homes (reduce theft) and (b) while being active (well lit recreational areas); (c) reduce juvenile crime and recidivism.

## Strategic Plan "Blueprint" Grants

Beginning in FY18, the County implemented a process whereby outside agencies and internal departments could submit applications for the funding of programs that aligned with the Chatham Community Blueprint. The Blueprint is a 20-year plus plan to attain progress in four core areas: Economy, Education, Health and Quality of Life. The Board has prioritized its preferred goals within the Blueprint. Over the past year, community surveys were conducted to confirm public opinion aligned with community indicators. A Staff Committee was appointed to consider community needs, define gaps, and consider programmatic opportunities, review appropriation requests and rank programs based on several factors:

- Organizational Programmatic and Financial History
- Programmatic Capacity and Sustainability
- Program Delivery and Potential Impact on Needs as Defined by Relevant Data
- Individual Client Performance Outcomes and Impact on Investment
- Compliance with federal, state and local licensing and registration
- Alignment to the Community Blueprint and Priorities of the County Board of Commissioners
- Partnerships and Collaboration

Per the Communities input and direction, the following priorities were established:

- People (Children) Living Below Poverty (Role: Investor, Influencer)
- Economic Development (Role: Collaborative Partner) *Focus on (a) small businesses, (b) unemployed, and (c) under employed*
- Early Childhood Care and Education (Birth-Age 3) (Role: Collaborative Partner, Investor)
- Youth Development - *Focus on children being ready to learn and afterschool programming*
- Recreational Facilities, Parks & Green Space (Role: Actively "doing", Investor)
- Food Access & Food Insecurity (Role: Collaborative Partner) - *Focus on access to healthcare services for the under-insured population and provide healthy food choices to food deserts*
- Public Safety & Crime Reduction (Role: Actively "doing", Investor)
- Sidewalks, Trails, Bike Paths (Role: Actively "doing", Investor, Collaborative Partner) - *Focus on (a) keeping people safe in their homes (reducing theft) and (b) while being active (well lit recreational areas); (c) reduce juvenile crime and recidivism.*

The Committee prioritized all applications based on affiliation with community needs and performance, then presented funding recommendations to the County Manager. The Committee and County Manager understand that there is more need than the budget can support. After thoughtful consideration, the final funding recommendation is shown herein:

**FY2022 - Chatham County Blueprint Grant Funding**

<b>Name</b>	<b>FY20 Awarded</b>	<b>FY21 Awarded</b>	<b>FY22 Awarded</b>

# **FINANCIAL STRUCTURE**

---

# Financial Management & Policies

Chatham County financial policies set forth the basic framework for the fiscal management of the County. The policies are intended to assist the County Commission and County staff in evaluating current activities and proposals for future programs, and in making fiscally responsible decisions in the day-to-day management of the County. Policies were developed within the provisions of the Official Code of the State of Georgia, the County Code, and generally accepted accounting principles as established by the Governmental Accounting Standards Board, and recommended budgeting practices. The policies are reviewed and modified as necessary to accommodate changing circumstances or conditions.

## ***Auditing and Internal Control Policies***

In developing and evaluating the county's accounting system, consideration is given to the effective implementation of financial accounting policies and, specifically, to the adequacy of internal controls. Internal accounting controls are designed to provide reasonable, but not absolute, assurance regarding: (1) the safeguarding of assets against loss from unauthorized use or disposition; and (2) the reliability of financial records for preparing financial statements and maintaining accountability for assets.

Internal Audit is an independent entity established within the Chatham County Executive Department to serve the Chairman, the County Manager and County staff. In order to ensure objectivity and independence, Internal Audit has no direct responsibility or authority over activities it reviews. Additionally, Internal Audit reports directly to the County Manager. Internal Audit prepares an annual audit plan, which outlines adopted audits that the County Manager approves.

## **Single Audit**

As a recipient of federal and state grants, the County is responsible for ensuring that an adequate internal control structure is in place to secure compliance with applicable laws and regulations. The County's Financial Grants Manager provides the daily management of this function and monitors grants for compliance. This internal control structure is also subject to periodic evaluation by Internal Audit.

## ***Budgetary Policies***

The Budget represents the process through which policy is made and implemented. The summary of Chatham County policies outlined below acts as a framework for the County Commission to identify its budgetary goals and objectives as they pertain to the operating budget and the capital budget. The operating budget is prepared separately from capital projects budgets because of the different planning processes and financing sources involved. The County maintains budgetary controls to ensure compliance with legal provisions and the Financial Policies represent guidelines and tools adopted by the Chatham County Board of Commissioners to enable Chatham County to achieve and maintain its financial potential through consistent approaches in financial management. Financial policies will always be evolving.

## **State Law**

The Official Code of Georgia contains several provisions relating to the local government budget process:

- Public hearings must be held before adoption of a municipality's budget. Proper notice must be given in a paper of general circulation not less than fifteen days in advance of the public hearing.
- Property tax millage rates must be set according to state law. Millage rates must be rolled back in reassessment years to avoid a windfall to the municipality.
- A municipality may not impose or increase a business license fee unless approved by local ordinance.
- State law governs the imposition and use of certain fees assessed by the County, such as the Hotel/Motel Tax.

## **County Policies**

- Balanced Budget – A balanced budget must be presented. The General Fund and Enterprise Funds are presented together as one budget, with the total revenues and other financing sources from these funds equaling the total expenditures or expenses and other financing uses of these funds as a whole. Special Revenue Funds are balanced individually.
- The budget must be adopted by June 31<sup>st</sup> for the ensuing year.

- Appropriation Limits – Current appropriations in all funds are limited to the sum of available, unencumbered fund balances and revenues estimated to be received in the current budget year.
- Encumbrances – Encumbrances are considered re-appropriated in the ensuing year and are included in the overall working budget for the ensuing year.

### **Revenue Policies**

- Revenue Ordinance – the revenue ordinance shall include any revisions, additions, or deletions to the fees and charges based on the level of cost recovery for services and the reason for the subsidy and the frequency with which cost-of-services will be undertaken. Changes may occur outside of the budget process. State and local law may govern the establishment of fees and charges. The Chatham County Commission shall publish a revised revenue ordinance within 45 days of the adoption of the budget.
- Diversification of Revenues – The County avoids excessive reliance on one source of revenue by actively seeking new sources of revenue. Property taxes are the most stable revenue. Some revenues can be significantly affected by factors such as economic or weather conditions. Tourism-related revenues are greatly susceptible to economic trends and weather events. Diversification provides the country with a wider base of revenues, but at the same time, the revenue base can become less stable and predictable.
- Fees and Charges – The amount of a fee should not exceed the overall cost of providing the facility, infrastructure or service for which the fee is imposed. In calculating that cost, planned capital projects that are related by nature to the fee will be considered as well as direct costs, indirect costs and portions of assets used (i.e. depreciation).
- One-time Revenue - the Chatham County Commission shall be committed to using one-time revenues to pay for one-time expenditures. Because one-time revenues cannot be relied on in future budget periods, their use to fund recurring operating expenditures is discouraged.

### **Expenditure Policies**

- Enterprise Funds – Enterprise operations should be funded either exclusively or primarily by user fee revenues. Enterprise funds should strive to become self-supporting entities through annual review of fee structures, other revenue sources and operating policies.
- New Programs – Future and current funding sources are identified for all new programs and program expansions. New programs are defined to include the addition of personnel, an addition to the vehicle/equipment fleet, or providing of new or additional services. New programs that are not self-supporting through fees or charges should provide a tangible benefit to the county and its residents. The County Manager must approve new programs before inclusion in the Draft Budget presented to the Chairman and County Commission.
- Grant Funding - Continuing costs for grant funded operations or personnel additions must be identified and approved prior to acceptance of the grant. Funding sources for any local match required must also be identified prior to the acceptance of a grant award.
- Chatham County will develop and maintain a level of unrestricted fund balance in its General and Special Service District funds equivalent to at least three month's budgeted expenditures or a minimum of 25% of budgeted expenditures. These balances will be shown as Committed Fund Balance on the County's financial statements.
- Budget Performance Reporting – Quarterly Management Reports are prepared to show budget to actual comparisons. These reports are analyzed in depth to detect and address any troubling trends and issues in a timely manner. The reports are reviewed by the Finance Director and provided to the County Manager and County Commission with explanations of variances.

### **Capital Asset Policies**

- Definition of Capital Asset – Capital assets other than infrastructure are defined as assets with an initial, individual cost of more than \$5,000 and an estimated useful life of more than one year.
- Capital Expenditures – Routine capital expenditures, such as equipment replacement, are included in the operating budget either in capital accounts within a department budget or, in the case of assets purchased through a lease-purchase program, in debt service for the capital lease.
- Nonrecurring Capital Expenditures – Capital expenditures, such as new facilities and facility improvements, are budgeted and accounted for in capital projects funds. The capital projects funds are not included in this budget. There are no significant, nonrecurring capital expenditures included in this operating budget.
- Inventory and Control – Each department is required to perform an annual inventory of its capitalized assets. The Finance Division will maintain control of the capital asset listing. Establishing and maintaining

adequate written controls and procedures at the department level will provide control over non-capital tangible assets.

### **Long-Range Financial Planning Policies**

- The County has adopted long-range plans in the areas of equipment replacement, capital projects, cash management/investment, and debt. The policies guide assessing the long term financial and budget implications of current decisions.
- Chatham County will develop five-year financial forecasts for its General M&O Fund, the Special Service District Funds, and all enterprise funds. The plans review the Chatham County economy as well as revenues and basic operating expenditures. The model will seek to identify surpluses or shortfalls over the five-year horizon. Surplus funds or new revenues not previously committed to programs can then be allocated in accordance with other financial policies.
- Equipment replacement - equipment is considered for replacement when the expected costs of maintenance in the upcoming budget year exceed the value of the equipment or the replacement cost. The expected maintenance costs are estimated based on maintenance history, age, mileage, and function performed. Functional obsolescence is also considered in replacement decisions.
- Approximately 15% of the Police Department's marked and unmarked patrol cars are replaced each year.
- The Fleet Management Division maintains service records for other vehicles and equipment. During the budget process, fleet personnel generate a list by department of vehicles that currently meet some or all of the basic replacement criteria. Each department analyzes and prioritizes their list based on their anticipated needs during the budget year. The prioritized department lists are combined and reprioritized into a countywide list by Fleet Management based on the departmental input and Fleet personnel's knowledge of the vehicles and equipment. The extent of the replacements budgeted is a function of the funding available in the budget year.

### **Capital Improvement Plan**

- Presented later in this document, Chatham County has prepared a Five-Year Capital Improvement Plan (CIP), updated annually and includes anticipated funding sources.
- Capital projects financed through the issuance of bonds will be financed for a period not to exceed the useful life of the project.
- Chatham County will preserve its assets at a level adequate to protect the capital investment and minimize future maintenance and replacement costs.
- Chatham County will establish appropriate distribution of bonded debt and cash financing in the funding of capital projects.
- The operating impact of each project will be identified and incorporated into the annual operating budget.

### **Cash Management/Investment Policies**

- Investment of funds is the responsibility of the Finance Director.
- The primary policy objective is the safety of the principal. Secondary objectives include adequate liquidity to provide cash as needed and the rate of return on investments.
- It is the policy of Chatham County to limit investments to those authorized by the State of Georgia. The Official Code of Georgia, generally to obligations of the United States and its agencies; general obligations of the State of Georgia or any of its political units; savings and loan association deposits to the extent that they are insured by an agency of the federal government; certificates of deposit and repurchase agreements held by a third party as escrow agent or custodian; and the Georgia Fund I.
- To ensure liquidity and reduce market risks, investments have maturity dates at or prior to the estimated time cash will be required to meet disbursement needs.

### **Debt Policies**

The County's primary objective in debt management is to maintain a debt level within available resources and within the legal debt margin as defined by State statutes, while minimizing the costs to the taxpayer. Chatham County maintains such high standards by complying with the following policies:

- Long-term debt will not be used to finance ongoing daily operations.
- The County Commissioners will adopt a maximum debt service level of 7% of the benefitting fund's expenditures/expenses and will seek to maintain debt service within those limits.
- Long-term debt will only be issued to finance capital improvements too extensive in scope to be financed with current revenues.
- Long-term debt will be issued for a period not to exceed the useful life of the project.

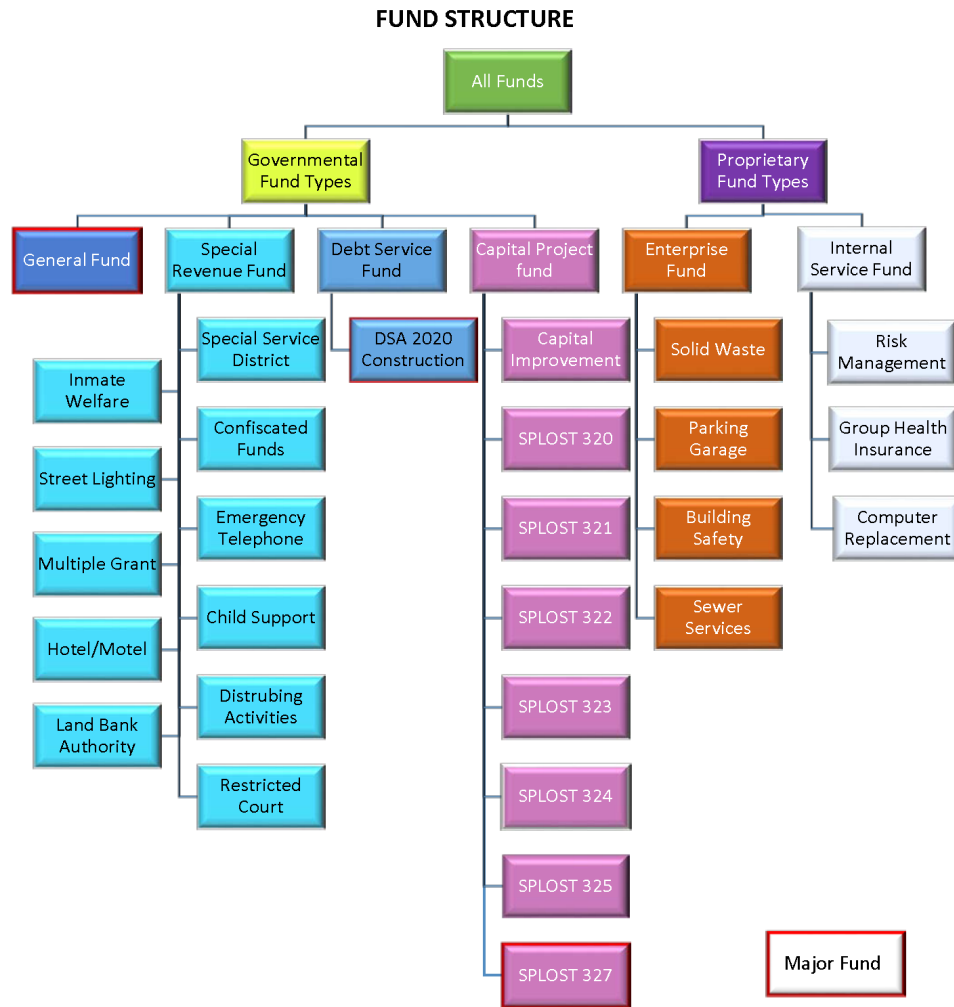

- When possible, self-supporting long-term debt like revenue bonds will be used instead of General Obligation bonds.

# Fund Structure

The financial transactions of Chatham County are recorded in individual funds. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, reserves, fund equity, revenues, and expenditures/expenses. Funds can be described as major and non-major. A major fund is one with an annual budget equal to ten percent or more of the total county budget. In fiscal year 2022, Chatham County has three funds that meet this definition: The General Fund, Special Purpose Local Option Sales Tax VII, and the DSA 2020 Construction fund. The General Fund is always considered a major fund.

## **Fund Descriptions**

### **MAJOR FUNDS**

Major funds are defined as funds whose total assets, liabilities, revenues, or expenditures/expenses of the individual governmental or enterprise fund are at least 10 percent of the corresponding total (assets, liabilities, etc.) for all funds in that category (governmental funds) or of that type (enterprise funds). Major funds in the FY2022 budget include the following:

Governmental Funds - The General Fund is the general operating fund of the County. It accounts for financial resources except those required to be accounted for in another fund.

The Capital Project Fund accounts for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by Business-type/Proprietary Funds). The County budgets one major capital fund, the SPLOST VI, 2014-2021 sales tax referendum. This fund accounts for the proceeds of a special one cent sales tax adopted by referendum and related expenditures for roads, drainage and other improvements.

### **NON-MAJOR FUNDS**

Non-major funds include Special Service District, Enterprise, Special Revenue, Debt Service, Capital Projects, and Internal Service funds with individual annual budgets less than ten percent of the total county budget. These funds are described in the sections that present detailed information on the respective budgets.

## Revenue Sources

### TAXES:

Property and local sales tax revenues account for 88.88% of the FY2022 General Fund budgeted revenue, with the majority of revenue derived from property taxes, driven by the tax digest. The tax digest is an annual valuation process for real, personal, motor vehicles, motor homes, and timber located within the county. It is prepared by the Board of Assessors' Chief Appraiser, and is submitted to the State of Georgia each year representing the county's annual tax levy. Property tax revenues are budgeted based on the tax digest. The remaining tax revenues are projected using the straight-line approach, based on five-year historical information and economic trends. The tax millage rate has remained constant from 2015 to 2021. However, the increase in property values has proven beneficial to the revenue stream. Another major tax revenue, Intangible taxes, which has remained stagnant in recent years, saw an increase with the economic recovery. The other major tax revenues, the Local Option Sales Tax (LOST) and Special Purpose Local Option Sales Tax (SPLOST), which are distributed between the county and municipalities based on negotiated formulas, have shown increases with the growth of tourism within Chatham County.

### PROPERTY TAXES — TAX DIGEST

The Chief Appraiser is responsible for receiving returns while fairly and impartially assessing property. Property taxes are the county's largest revenue source and are billed in semi-annual installments by the Chatham County Tax Commissioner. The table below shows a five-year tax levy for the General Fund, the Special Service District, and the Chatham Area Transit Authority. During this period, the Consolidated (General Fund) digest increased because of rising property values. The General Fund digest saw an increase of 25.19% from 2017 through 2021. The Special Service District increased 24.38% from 2017 to 2021. Overall, the county has experienced a combined increase of 22.20% in value since 2017.

GENERAL FUND	2017	2018	2019	2020	2021

SPLOST REVENUE:

Special Purpose Local Option sales taxes (SPLOST) are the primary revenue source for the County's capital project funds. The General Assembly of the State of Georgia in 1985 amended Chapter 8 of Title 49 of the Official Code of Georgia Annotated, relating to the sales and use taxation and authorized the imposition of a special county one (1) percent sales and use tax. Several factors determine the length of time that a SPLOST may be imposed. In general, the tax may be levied for up to five years. If the county and municipalities enter into an intergovernmental agreement, the tax may be imposed for six years. Chatham County held its first referendum on June 11, 1985, and voters approved a Special One Percent Sales Tax to fund transportation needs countywide. The collection period was for four years effective October 1, 1985 through September 30, 1989. The actual cash receipt period was December 31, 1985 through November 30, 1989 with revenues collected under this referendum at \$92.2 million. Legislation provided for imposition of the tax for another four (4) years. Again, via local referendum, the tax was extended for four years from October 1, 1989 through September 30, 1993. The actual sales and use tax revenues for the second four years totaled \$111.0 million. Revenues received from this special purpose sales tax levy, in combination with state funding, were used to construct roads, streets and bridges in Chatham County. Since then, additional SPLOST funds were approved by referendum with the latest collections beginning in October 2014. SPLOST VII will begin tax collection on October 1, 2020. SPLOST funds are now used for roads, drainage, recreation, cultural, and capital building projects. Original revenue estimates for the SPLOST funds were prepared before the referendum. The revenues are based on historical trend data and a review of local economic trends. Once the revenue estimates are established, the county and municipalities within the county work together to determine which projects should be included in the funding.

#### LICENSE AND PERMIT REVENUES:

These revenues are from marriage licenses, pistol permits and motor vehicle penalties. This revenue source comprises 0.27% of the total revenue budget. Revenues are projected based on historical collections and a review of local economic conditions, including analysis of any new business locations.

#### INTERGOVERNMENTAL REVENUE:

Intergovernmental revenues are revenues from other governments in the form of operating grants, entitlements, shared revenues, or payments in lieu of taxes and comprise .27 percent of the budget.

#### CHARGES FOR SERVICES:

These revenues include court fees, commissions, charges for housing prisoners, recreation fees, and charges to other funds for indirect costs. Indirect costs are based on the Indirect Cost Allocation study which is updated annually. Other revenues are based on historical experience. These revenues account for 6.58 percent of the revenue budget.

#### FINE AND FORFEITURE REVENUES:

Fines and fees from the courts are recorded in this category. The Restricted Court Fees & Accounts Special Revenue Fund accounts for legally restricted court collections for victim witness fees, drug surcharge fees, and juvenile court supervision fees. Revenues are projected based on historical data, and have remained steady in recent years. In the fiscal year, this category accounts for 1.43% of the budget.

#### INTEREST REVENUES:

Investment income includes monies derived from the investment of assets. This is less than 1% of General Fund revenue estimates. Revenues for this category have been increasing due to increased available funds as a result of increasing the required fund balance reserve.

#### MISCELLANEOUS REVENUE:

Miscellaneous revenue are revenues received that are not otherwise classified. Estimates are budgeted for known events.

#### OTHER FINANCING SOURCES:

Interfund transfers and loans are budgeted in this category. Transfers include support for Health Insurance, Risk management, Solid waste funds, the Special Service district capital as well as others.

### **OTHER FACTS RELATED TO THE COUNTY'S PROPERTY TAXES**

Millage Value for Chatham County Government. One mill is the equivalent of \$1 of tax for each \$1,000 of assessed value of a resident's home. Assessed value for homeowners is derived by multiplying 40% times the estimated fair market value of the property. If a resident has a home with the estimated fair market value of \$100,000, the assessed value is \$40,000 ( $100,000 \times 40\%$ ). A \$12,000 Homestead Exemption (HE) is applied to the \$40,000 value. As an example, the table below calculates county taxes on a home with a market value of \$100,000.

Sample Millage Value Calculation		
Tax Year 2020		
	Millage Rate	Value
Estimated market value of home		\$100,000
Assessment factor		40%
Assessed value (40%)		\$40,000
Less homestead exemption (county)		( \$12,000)
Difference		\$28,000
County taxation		
Consolidated - General Fund	11.543	\$323.20
Unincorporated area - SSD	4.99	\$139.72

### TAX REDUCTION FACTORS

Residents of Chatham County who own and occupy a home and the land it rests on are eligible for an exemption. Property owners can claim only one homestead exemption, in which case it must be on their primary residence. Rental property does not qualify. All exemptions, once approved, are automatically renewed each year until eligibility changes. Exemptions include but are not limited to the following:

- **Homestead Exemption:** The homeowner's tax bill is reduced because of an increase to the homestead exemption. The homeowner's tax bill can be further reduced due to several types of additional exemptions allowed. This budget document does not address other taxing levies for the other municipalities in Chatham County.
- **Freeport Exemption:** *Freeport* is the general term used for the exemption of ad valorem tax on inventories as defined by Georgia law. The law offers manufacturers, distributors, wholesalers and warehouse operations an attractive inventory tax exemption on three classes of property. Chatham County exempts 100% of all classes of certain business inventory from property taxation.
- **The Property Taxpayer's Bill of Rights:** This law, which took effect on January 1, 2000, calls for a mandatory rollback in the millage rate whenever the tax digest increases. The stated aim is to prevent creeping tax bills. If elected officials propose adopting a millage rate greater than the mandatory rollback rate, they must hold three public meetings - at times when the most constituents can attend - to explain why the tax hike is necessary and vote publicly for or against it. The law also shifts the burden of proof from the homeowner to the local government in the appeals process; requires the county assessor's office to provide a written explanation to homeowners as to why their taxes went up; and allows taxpayers going through the appeal to name the time of their hearing before the Board of Equalization. The law also calls on taxing bodies to cover the legal fees of any homeowner who receives a 15 percent reduction or greater in their assessment and allows taxpayers going through the appeals process the right to record the hearing.
- **The Stephens-Day Bill:** This law, which took effect on January 1, 2001, grants each Chatham County homeowner a homestead exemption from all Chatham County ad valorem taxes and is a homestead exemption that is equal to the difference between the current year fair market value and the adjusted base year value (property's value in the year prior to the homestead application plus any improvements since the year of the application). This exemption does not apply to improvements added to the property after January 1 of the base year. In addition, it does not apply to taxes to pay interest on and to retire bonded indebtedness of the County. The exemption is renewed automatically from year to year if the homeowner occupies the residence as a homestead.

The Chatham Area Transit District is a component unit of Chatham County and included in Table 3 because taxes levied are for the benefit of the Chatham Area Transit Authority.

## Long Range Financial Plans

### Projected 5 – Year Statement of Revenues and Expenditures - General Fund

The Projected Statements of Revenues and Expenditures are used to facilitate planning and identify problem areas well ahead of the annual budget cycle. The forecasts are provided by county management and elected officials. Assumptions are based on both historical trends and current economic conditions.

**Tax Revenues:** Tax revenues are projected based on the expenditures and fund balance requirements. When necessary, tax rates may be adjusted to achieve stability in the revenue stream. In this analysis, the tax rate assessed on individual properties was held constant at 11.543 during the projected fiscal years.

**Digest Growth:** To smooth out anomalies in the historical growth rate and normalize anticipated growth over the forecast period, a three-year rolling average is used for subsequent years. As a result, the growth rate adopted in FY2022 was 4.9%, 5.59%, 5.59%, 5.36% and 5.51% respectively in years 2 through 5.

**Other Revenue Categories:** A pre-audit review of FY 2021 revenue collections was performed on all revenues within the fund. Year one projections were adjusted to reflect the year-to-date collections when appropriate. Subsequent year projections were either held constant at the year one projection or a modest growth rate was applied based on historical trends.

**Expenditures:** Projected expenditures in years one through four are based on departmental input as well as the application of annual growth rates based on historical and market trends for specific categories of expenditure. Specific adjustments by expenditure category were included as follows:

General Government:

- Increased costs for employee medical expenses.
- Salaries included a living wage adjustment for all full-time employees and an adjustment to the Law Enforcement pay plan.

Health and Welfare:

- Mosquito Control: Warehouse Supplies costs are anticipated to continue to increase, along with increased maintenance on helicopter costs. These cost increases are primarily attributable to historical trends,

increased pesticide costs, as well as rising concerns associated with Chikungunya, Zika, and West Nile viruses carried by humans and spreadable by mosquitos.

### Expenditure growth projections over the next 5 years

Expenditure Category	Annual Growth Rate				
	2022	2023	2024	2025	2026
Salary, FICA, and Pension <sup>1</sup>	3.00%	3.00%	3.00%	3.00%	3.00%

Interfund/interdepartmental charges <sup>2</sup>	0.00%	0.00%	0.00%	0.00%	0.00%
Other expenditures <sup>2</sup>	0.00%	0.00%	0.00%	0.00%	0.00%
Debt service <sup>3</sup>	Varies - Use Debt Service Schedule				
Transfers out	0.00%	0.00%	0.00%	0.00%	0.00%

Notes:

1. The annual growth rate for this category of expenditures is based on potential merit adjustments and the associated impact on FICA and pension costs.
2. The annual growth rate for this category of expenditures is based on the projected Municipal Cost Index growth rate for the stated period. The Municipal Cost Index is designed to show the effects of inflation on the cost of providing municipal services.
3. The annual growth rate for Debt Service is based on scheduled principal and interest payments like the organization's various debt agreements.

### Projected 5 – Year Statement of Revenues and Expenditures - Special Service District

The Projected Statements of Revenues and Expenditures are used to facilitate planning and identify problem areas well ahead of the annual budget cycle. The forecasts are provided by county management and elected officials. Assumptions are based on both historical trends and current economic conditions.

**Tax Revenues:** Tax revenues are projected based on the expenditures and fund balance requirements. When necessary, tax rates may be adjusted to achieve stability in the revenue stream. In this analysis, the tax rate assessed on individual properties was held constant at 4.801 during the projected fiscal years.

**Digest Growth:** To smooth out anomalies in the historical growth rate and normalize anticipated growth over the forecast period, a three-year rolling average is used for subsequent years. As a result, the growth rate adopted in these fiscal years is shown within the table for years 2 through 5.

Other Revenue Categories: A pre-audit review of FY 2021 revenue collections was performed on all revenues within the fund. Year one projections were adjusted to reflect the year-to-date collections when appropriate. Subsequent year projections were either held constant at the year one projection or a modest growth rate was applied based on historical trends.

## Fund 210 - Confiscated Assets Fund

The Confiscated Assets Fund is a special revenue fund used to account for the proceeds of specific revenue sources that are legally restricted to expenditures from the sale of confiscated assets. This fund enhances the Counter Narcotics, District Attorney, and Police cost centers. This cost center is funded solely through property and asset forfeitures. State law specifically prohibits the use of forfeited assets for the payment of salaries or rewards to law enforcement personnel. There are no employees assigned to this fund.

### Summary

The County of Chatham is projecting \$340K of revenue in FY2022, which represents a 20.000% decrease over the prior year. Budgeted expenditures are projected to decrease by 46.500% or \$295K to \$340K in FY2022.

# Projected Statements of Revenues and Expenditures

## Projected 5 – Year Statement of Revenues and Expenditures – Special Service District

**Tax Revenues:** Tax revenues were projected based on the anticipated expenditures as well as Fund Balance requirements. When necessary, tax rates may be adjusted to achieve stability in the revenue stream. In this analysis, the tax rate assessed to individual properties was held at 4.801 in year 1 through year 5.

**Digest Growth:** To smooth out anomalies in the historical digest growth rate and normalize the anticipated growth over the forecast period, a three-year rolling average was used for each subsequent year.

**Other Revenue Categories:** A pre-audit review of last year's revenue collections was performed on all revenue sources within the fund. Year one projections were adjusted to closely reflect the fiscal year to date collections when appropriate. Subsequent year projections were either held constant at the year one projection or a modest growth rate was applied based on historical trends.

**Expenditures:** Projected expenditures in years one through four are based on departmental input as well as the application of annual growth rates based on historical and market trends for specific categories of expenditure.

The table below depicts the projected annual growth rate applied to various expenditure categories:

Expenditure Category	Annual Growth Rate			
	2020	2021	2022	2023
Salary, FICA, and Pension <sup>1</sup>	1.00%	2.00%	2.00%	2.00%
Insurance and OPEB	1.00%	1.00%	1.00%	1.00%
Purchased services <sup>2</sup>	4.00%	4.00%	4.00%	4.00%
Supplies <sup>2</sup>	0.50%	0.50%	0.50%	0.50%
Equipment/capital outlay <sup>2</sup>	2.00%	2.00%	2.00%	2.00%
Interfund/interdepartmental charges <sup>2</sup>	0.00%	0.00%	0.00%	0.00%
Other expenditures <sup>2</sup>	0.00%	0.00%	0.00%	0.00%
Transfers out	1.00%	2.00%	2.00%	2.00%

Notes:

1. The annual growth rate for this category of expenditures is based on potential merit adjustments and the associated impact to FICA and Pension costs.
2. The annual growth rate for this category of expenditures is based on the projected Municipal Cost Index growth rate for the stated period. The Municipal Cost Index is designed to show the effects of inflation on the cost of providing municipal services.

The following table depicts the projected revenue and expenditures within the Special Service District through fiscal year 2024.

## Land Bank Authority

The Land Bank Authority was created through an intergovernmental agreement between the City of Savannah and Chatham County. Organized and operating under the state laws of Georgia, the Authority is a separate entity created to acquire vacant, abandoned, blighted, tax delinquent properties and assist in the return of the properties to a productive use.

The Authority works in a collaborative effort with local government, neighborhood communities, non-profit and private developers to assist in the revitalization of neighborhoods, supporting the increase of property values, and stabilizing the real estate market through strategic property acquisition, disposition, land use, management, and redevelopment of underutilized properties.

## Summary

The County of Chatham is projecting \$30K of revenue in FY2022, which represents a 0.000% increase over the prior year. Budgeted expenditures are projected to increase by 1.500% or \$438 to \$30.44K in FY2022.

As of June 30, 2021, the outstanding debt is \$598,818.25

### DOWNTOWN SAVANNAH AUTHORITY REVENUE REFUNDING AND IMPROVEMENT BONDS (CHATHAM COUNTY PROJECTS), SERIES 2014

The Series 2014 DSA bonds were issued on October 3, 2014 to advance refund the Series 2005 DSA bonds issued on June 29, 2005, to advance refund the DSA Series 1993 bonds. The bond refund provides a net PV (Present Value) savings of \$1,003,285 for additional capital project needs. The bonds are limited obligations of the DSA, payable from payments made by the County to the DSA under the provisions of an intergovernmental agreement dated October 3, 2014. The bonds pay interest of 2.375% through the maturity date, with a final maturity on January 1, 2026.

As of June 30, 2021, the bonds outstanding is \$4,785,000.

### DOWNTOWN SAVANNAH AUTHORITY REVENUE BONDS, SERIES 2009 - \$2.4 MILLION

The Series 2009 DSA bonds were issued on August 20, 2009 to provide funding for the Chatham County Union Mission Project. The bonds are limited obligations of the DSA, payable from payments made by the County to the DSA under the provisions of an intergovernmental agreement. The bonds pay interest of 3.810%. Final maturity occurs July 1, 2029.

As of June 30, 2021, the bonds outstanding total is \$1,330,000

### THE CYBERSECURITY PRODUCTS (LEASE PURCHASE)

Equipment Lease/Purchase Agreement, dated November 15, 2018 between CDW Government LLC as Lessor and the Board of Commissioners of Chatham County as Lessee, for equipment described as cybersecurity products. Terms are five equal payments of \$107,761.70 beginning December 15, 2019 and commencing on December 15, 2022.

As of June 30, 2021, the outstanding debt is \$191,189.41

### DOWNTOWN SAVANNAH AUTHORITY REVENUE BONDS, SERIES 2020 - \$67.4 MILLION

In March 2020, the Chatham County Board of Commissioners approved the issuance of the Downtown Savannah Authority Revenue Bonds - Series 2020 in the amount of \$67,415,000. The funding will be used to construct and equip a new four-story judicial complex adjacent to the existing courthouse on Montgomery Street in Savannah, Georgia. The County and the Downtown Savannah Authority entered into an intergovernmental agreement that the County would be wholly liable for the payment of the principal and interest on the bonds. The sale of the bonds closed on August 18, 2020. SPLOST funding will be used to pay down to \$83,000,000, with the remainder paid through the general fund. The face value of the bonds was \$167,415,000 with a coupon of 5%. The bonds sold at a price of \$124.1334, accumulating \$83,684,543.90 with an average yield of .7326%

As of June 30, 2021, the outstanding debt balance is 67,415,000.

---

# **CAPITAL PROJECTS**

---

## Capital Improvement Plan

Chatham County seeks a balance between pay-as-you-go funded projects, which include projects funded by SPLOST dollars, and debt-financed projects. During the budget adoption process, up to 4% of anticipated revenues in the General Fund and Special Services District Fund are reserved for capital assets. Excess amounts over the amount required for operational needs may be used to fund capital programs.

Policies and plans for capital asset funding help ensure that needed capital assets or improvements receive appropriate consideration in the budget process and that older capital assets are considered for retirement or replacement. Such a policy is necessary to plan for large expenditures and to minimize deferred maintenance costs. Capital project planning gives consideration to longer-range needs and goals, and enables the County to evaluate funding options while gaining a consensus on project priorities.

Through its annual budget process, Chatham County will determine capital project planning needs and evaluate project priorities. A list of needed capital projects will be developed annually that includes project name, project cost estimate, and when funding is needed. Scoring and inclusion criteria will be maintained by the Finance Department and approved annually by the County Commissioners.

Capital asset purchases may be required as a result of legislation or other contractual provisions, and such assets will receive priority. Other projects will be considered for funding based on their priority in the budget process. Chatham County will seek to match the useful life of projects with the maturity of the debt when considering debt financing. Chatham County will deposit funds annually in a Replacement Fund for replacement of facilities and facilities components.

### Total Capital Requested

**\$4,868,148**

**11 Capital Improvement Projects**

### Total Funding Requested by Department

## NON-SPLOST CAPITAL PROJECT BUDGETS

While the county has many capital project funds, the county also budgets capital projects through the Capital Improvement Project Fund. Departments submit proposed capital projects to a budget committee where project requests are reviewed, scored, and recommendations made to county management. County internal departments listed capital requests not only for FY21, but were instructed to list capital needs for five plus years to allow for capital reserve planning and funding of those reserves to enable the County to pay cash for large capital items.

This process is better known as "Pay as You Go!" and the adopted budget includes funding as shown:

### Capital Improvement Project Funding:

Transfer in from SSD	1,909,091
Transfer in from General Fund	2,543,550
CIP Contingency	7,038,432

**Total CIP Funding \$11,491,073**

### General Fund

100	General Fund Vehicles	2,543,550
100	Aquatic Center – Dehumidification System	1,200,000
100	Sheriff – HVAC Training Building	137,533
100	Henderson GC - Golf Cart Bridge replacement	100,000
100	Henderson GC - Golf Cart path replacement	100,000
100	MOSCON – Roofing System replacement	50,000
100	MOSCON – Helicopter FLIR system	531,524
100	FM&O – Maintenance Reserve	450,000
100	Recreation – Master Plan Funding	400,000

**General Fund M & O Project Cost \$5,512,607**

### Special Service District

270	CCPD - MDT Units (20)	83,540
270	CCPD - Radar/Lidar units	43,500
270	CCPD – Drone UAV units	34,550
270	Engineering – Pavement evaluation software/hardware	60,000
270	SSD Vehicles	1,687,500

**Special Service District Project Cost \$1,909,090**

### Emergency Communications (E-911)

215	Public Safety Emergency Communications Plan	4,069,376
-----	---	-----------

**Emergency Communication Fund Costs \$4,069,376**

**Total Capital Improvement Program Expenditures \$11,491,073**

In addition to the projects listed in the CIP Fund, the budget also includes funding for capital project needs within the County's Solid Waste Enterprise fund.

### Solid Waste Fund

540	Vehicle Replacement	1,176,500
-----	---------------------	-----------

**Total Solid Waste Capital Expenditures \$1,176,500**

Estimated to cost \$2.1M over the next several years, the Sallie Mood Force Main infrastructure project and other infrastructure projects within the Sewer Department will be funded through the Federal American Rescue Plan Grant.

## **Special Purpose Local Option Sales Tax - Fund 320**

### **Sales Tax I – Period 1985 through 1993**

The General Assembly of the State of Georgia in 1985 amended Chapter 8 of Title 49 of the Official Code of Georgia Annotated, relating to the sales and use taxation and authorized the imposition of a special county one (1) percent sales and use tax. The maximum period of time should not exceed five years, or not exceed four years if the proceeds of the tax are to be used for road, street and bridge purposes.

Chatham County held a referendum on June 11, 1985, and voters approved a Special One Percent Sales Tax to fund transportation needs countywide. The collection period was for four years, effective October 1, 1985 through September 30, 1989. The actual cash receipt period was December 31, 1985 through November 30, 1989. The actual revenues collected under this referendum were \$92.2 million.

Legislation provided for imposition of the tax for another four (4) years. Again via local referendum, the tax was extended for another four years from October 1, 1989, through September 30, 1993. The actual sales and use tax revenues for the second four years totaled \$111.0 million. The revenues received from this special purpose sales tax levy, in combination with state funding, will be used to construct roads, streets and bridges in Chatham County. The projected expenditures to be funded from the imposition of the special purpose sales and use tax is estimated at \$232.6 million with additional matching funding will be provided from the State of Georgia Department of Transportation.

## Special Purpose Local Option Sales Tax - Fund 321

### Sales Tax II – Period 1993 through 1998

On May 7, 1993, the Board approved a Resolution to extend the Special Purpose One Percent Sales and Use Tax. The referendum held on June 15, 1993 approved the passage of this sales and use tax extension. The collection period was for five years effective October 1, 1993 through September 30, 1998 (cash receipt December 31, 1993 through November 30, 1998).

The summary below represents the appropriation of funds from the estimated tax proceeds of \$142.5 million over the five years:

Project Description	Project Amount
Roads, streets and bridge projects	57,100,000
Local Roads – Distribution	12,028,000
Recreation, Cultural and Historical Facilities	16,794,000
Replace Main Library	5,000,000
Juvenile Justice Center	5,000,000
Drainage Projects	9,300,000
Thunderbolt Town Center – County Contribution	225,000
Georgia Maritime and Trade Center	37,000,000
<b>TOTAL</b>	<b>142,447,000</b>

On September 19, 1995, a referendum was held and voters approved a Special One Percent Sales Tax for the raising of not more than \$20,848,000 for a period of time not to exceed two calendar quarters, but no later than September 30, 1998 for completion of the following projects:

## Special Purpose Local Option Sales Tax - Fund 322

### Sales Tax III – Period 1998 through 2003

Chatham County held a referendum on June 17, 1997, and voters approved the extension of the Special Purpose Local Option Sales Tax. The collection period was for five years effective October 1, 1998 through September 30, 2003 (cash receipt December 31, 1998 through November 30, 2003) to provide funding for four categories of projects. The resolution was based on a commitment to the community that priority projects would be funded entirely, then any remaining funds would be left for local government projects. The summary below represents the appropriation of funds from the tax proceeds of \$230,000,000.

Project Description	Project Amount
Roads, Streets and Bridges	41,618,000
Drainage Capital Improvements	145,900,000
Open Space & Greenway / Bikeway	9,000,000
Other Capital Outlay Projects	33,482,000
<b>TOTAL</b>	<b>230,000,000</b>

The actual revenues collected totaled \$218,642,282. On September 13, 2002 the Board approved an amendment to reduce the Other Capital Outlay category to recognize the shortfall.

## Special Purpose Local Option Sales Tax - Fund 323

### Sales Tax IV – Period 2003 through 2008

On March 13, 2003, qualified voters residing within Chatham County approved the imposition of a Special Purpose Local Option Sales Tax to be collected from October 2003 to September 2008. The first \$16 million collected under the referendum was used to retire outstanding debt; distributions to municipalities began after collection of the first \$17 million. The proceeds of the tax totaling \$276,627,433 are utilized in the following project categories:

Project Description	Project Amount
Roads, Streets and Bridge Projects	47,620,000
Drainage Projects	79,950,000
Acquisition of Henderson Golf Course & Mighty 8th Air Force Heritage Center Debt	16,000,000
Open Space and Greenway Projects (except Savannah)	5,314,987
Other Capital Outlay Projects	127,742,446
TOTAL	276,627,433

To Include: public safety and emergency equipment; open space, greenway/bikeway, cultural, recreational, and historic facilities; water and sewer capital projects; public buildings; street and sidewalk improvements; drainage capital improvements; and park improvements and other municipal general obligation debt

## Special Purpose Local Option Sales Tax - Fund 324

### Sales Tax V – Period 2008 through 2014

Chatham County held a referendum on September 2006 and voters approved the continuation of the Special Purpose Local Option Sales Tax. The collection period was for six years effective October 1, 2008 through September 30, 2014 (cash receipt December 31, 2008 through November 30, 2014) to provide funding for six categories of projects. The resolution was based on a commitment to the community that priority projects would be funded entirely, then any remaining funds would be left for local government projects.

The summary below represents the appropriation of funds from the tax proceeds of \$445,300,000 over the six years:

Project Description	Project Amount
Level 1 Projects-Jail, Judicial Courthouse,	148,000,000
County-Wide Roads	30,000,000
County-Wide Flood Control	20,000,000
County-Wide Capital Projects	18,000,000
Unincorporated County Projects	40,000,000
Municipality Distributions	189,300,000
<b>TOTAL</b>	<b>445,300,000</b>

## Special Purpose Local Option Sales Tax - Fund 325

### Sales Tax VI – Period 2014 through 2020

Chatham County held a referendum on September 2013 and voters approved the continuation of the Special Purpose Local Option Sales Tax. The collection period was for six years effective October 1, 2014 through September 30, 2020 (cash receipt December 31, 2014 through November 30, 2020) to provide funding for six categories of projects. The resolution was based on a commitment to the community that priority projects would be funded entirely, then any remaining funds would be left for local government projects.

The summary below represents the appropriation of funds from the estimated tax proceeds of \$365,000,000 over the six years:

Project Description	Project Amount
County-Wide Roads	24,000,000
County-Wide Flood Control	12,000,000
County-Wide Capital Projects	37,000,000
Unincorporated County Projects	59,515,000
Municipality Distributions	232,485,000
<b>TOTAL</b>	<b>365,000,000</b>

## **Special Purpose Local Option Sales Tax - Fund 327**

### **Sales Tax VII – Period 2020 through 2026**

Chatham County held a referendum on September 2019 and voters approved the continuation of the Special Purpose Local Option Sales Tax. The collection period was for six years effective October 1, 2020 through September 30, 2026 (cash receipt December 31, 2020 through November 30, 2026) to provide funding for six categories of projects. The resolution was based on a commitment to the community that priority projects would be funded entirely, then any remaining funds would be left for local government projects.

The summary below represents the appropriation of funds from the estimated tax proceeds of \$400,000,000 over the six years:

# 1001110 - Board of Commissioners

**Chester A. Ellis**  
Chairman

The Chatham County Board of Commissioners is the elected Governing Authority of Chatham County. They provide representation in matters of public concern for the people of their respective districts at the local level. There are eight Commissioners elected by districts and a ninth member elected from the County at large, who serves as Chairman.

Through broad policy decisions, they give guidance and direction in providing services and long-range goals. All members, including the Chairman, are required to vote on an issue before the Board. The Chairman acts as chief executive officer for the County. A County Manager is selected by the Board for daily administration of the affairs of Chatham County.

## 1001130 - Clerk of Commission

**Janice Bocook**  
Clerk of Commission

The County Clerk is the staff assistant and executive secretary for the Chatham County Board of Commissioners. Responsibilities include: handling administrative research for Commissioners, preparing and processing correspondence and reports, attending meetings of the Board of Commissioners, preparing minutes of the meetings of the Board of Commissioners, maintaining the official records of Chatham County, and administering the oath of office to all new Police Officers for the unincorporated areas of the County.

The Clerk of Commission also maintains a record of those persons appointed by the Chatham County Board of Commissioners to serve on committees and authorities, corresponds with such appointees, and handles requests by the public for documents in compliance with the "Open Records Act" of Georgia. The Clerk also researches County records upon request for the various departments of the County.

## Goals & Performance

### Department Goals

Description	Strategic Plan Alignment
Goal #1: Develop and maintain effective working relationships with various county departments and business units while offering support and guidance on action-oriented projects.	Superior Work Environment
Goal #2: Manage an expanded Blueprint Application process for internal and external partners with ongoing communication and process improvements.	Quality Service for Our Customers
Goal #3: Investigate and support diversification of funding for projects that impact the Chatham Community Blueprint directly and indirectly.	Superior Stewardship

### Department Objectives and Key Results

Goal	Activities to Accomplish the Goal
1	Continue to support Chatham's Breaking the Cycle initiative to reduce the number of people with mental illness booked into the county detention center.
1	Support community-wide forums and symposiums to increase knowledge and awareness of challenges and opportunities.
2	Provide training on best-practice evaluation models to show community impact.
3	Review funding opportunities on a regular basis and provide assistance and support in completing and submitting applications for funding.
3	Serve as the lead writer and manager for various grant opportunities to ensure consistent messaging and compliance with requirements.

### Performance Measures

Measure	FY2020 Actual	FY2021 Actual	FY2022 Proposed
Ensure at least 80%+ of departments have documented performance measures prior to budget adoption.	N/A	90%	95%
Submit at least two national/federal and two additional grant applications via state or foundation opportunities.	6	12	4
Diversify funding streams, through award of at least one external grant opportunity.	3	7	2

# 1001535 - Information & Communications Services

**Nick Batey**  
Director of ICS

## DEPARTMENT MISSION STATEMENT

Information & Communication Services' mission is to provide technical services throughout the organization for the design, implementation, maintenance, and service of data networking systems through honesty, integrity, and superior customer service.

**DEPARTMENT SERVICES:** Our services include ensuring the availability and integrity of existing data networking systems through implementation, preventative maintenance, repair, and data security. Additionally, we provide technical expertise during the acquisition of new data networking systems, from gathering requirements to final testing and acceptance.

## Personnel

Total	FY2020 Adopted	FY2021 Adopted	FY2022 Adopted
Full Time Equivalents	34	34	37
Part Time Positions	0	0	0
<b>Total</b>	<b>34.00</b>	<b>34.00</b>	<b>37.00</b>

## Goals & Performance

### Department Goals

Description	Strategic Plan Alignment
1. Achieve an overall network uptime of 99.50% or better throughout the fiscal year.	Superior Work Environment
2. Maintain or increase the satisfaction rating from the CIO Business Vision Survey and Diagnostic.	Quality Service for Our Customers
3. Establish a baseline for system planning roadmap for implementation completion throughout the fiscal year.	Superior Stewardship

### Department Objectives and Key Results

Goal #	Activities to Accomplish the Goal
1	Work Order Tracking and Service Level Management. System Maintenance through regular monitoring, updates, and repairs.
2	Perform and review yearly survey and interview departments with post survey results, seeking ways to improve.
3	Yearly comparison of planned implementations to completed implementations.

### Performance Measures

Measure	FY2020 Actual	FY2021 Actual	FY2022 Proposed
Network Uptime	99.73%	99.45%	99.86%
CIO Survey Results	84%	82%	84%
Ratio of plans to implementations	N/A	91%	Expect 10% more 35 Proposed

## 1001540 - Human Resources

**Carolyn Smalls**

Human Resources Director

### **DEPARTMENT MISSION STATEMENT and SERVICES:**

To effectively manage the human capital needs of Chatham County by recruiting, selecting and retaining employees; managing and administering employee benefits programs; coordinating and providing employee training; managing employee relations and performance. Classification and Compliance: To ensure continuing equity in the classification of jobs on the Pay Plan and in the assignment of fair and just salaries to positions within Chatham County. Employee Benefits: To effectively plan, coordinate and administer employee benefits and wellness programs and services that promote health and well-being of employees, provide employees with benefit choices that suit their lifestyles and judiciously manage the financial resources of the County as they relate to health. Talent Management: To recruit, select, and retrain a qualified and engaged workforce to meet the staffing requirements of the County, and to provide workforce development and performance management services to County departments.

## Goals and Performance

### Department Goals

Description	Strategic Plan Alignment
<b>Goal #1:</b> Provide training and resources for County employees to better equip them to meet performance goals, provide excellent service to internal and external customers, and improve overall professionalism in the workplace.	Provide a Superior Work Environment
<b>Goal #2:</b> Administer a competitive compensation program resulting in base salaries being within an acceptable range of comparable market salaries for selected benchmarks, while maintaining internal equity.	Practice Exemplary Stewardship
<b>Goal #3:</b> Deliver modern wellness programs, benefit plans, and retirement resources that bring high value, are sustainable, and attract and retain employees.	Provide a Superior Work Environment

### Department Objectives and Key Results

Goal #	Activities to Accomplish the Goal
1	Human Resources will routinely offer monthly training to all employees, providing the skills necessary to ensure compliance, assist with job performance, and enhance the working environment.
2	Review County jobs against selected market and internal benchmarks on a cyclical basis and make recommendations to County leadership for pay plan adjustments.
3	Educate County employees on plan design, programs and health initiatives. Put wellness and carrier-based programs in place to mitigate risk. Bring employee premium contributions closer to industry standards.

### Performance Measures

# 1001565 - Facilities Maintenance

**Anthony Stephens**  
Facilities Maintenance Director

## DEPARTMENT MISSION STATEMENT

Facilities Maintenance & Operations is a service-oriented department committed to meeting the needs of all county facilities. Our goal is to provide a clean, safe, and secure working environment in cost effective and efficient manner.

## DEPARTMENT SERVICES:

This division provides preventive maintenance, inspection, and repairs to all county owned facilities including the Public Library buildings located throughout Chatham County

## Personnel

Total	FY2020 Actual	FY2021 Adopted	FY2022 Adopted
Full Time Equivalents	36	36	36
Part Time Positions	11	0	0
<b>Total</b>	<b>47.00</b>	<b>36.00</b>	<b>36.00</b>

## Goals and Performance

### Department Goals

Description	Strategic Plan Alignment
Goal #1 – Provide building maintenance and proper Indoor Air Quality throughout all county buildings and facilities.	Health, Safety & Welfare
Goal #2 – Ensure proper and updated custodial cleaning methods and standards are met based on current issues with a mix of in-house and contracted staff throughout the majority of county buildings, facilities and complexes on a daily basis.	Health, Safety & Welfare
Goal #3 – Provide education on submission of work requests to ensure accuracy and improve internal customers' services.	Quality Service for Our Customers
Goal #4 – Provide professional maintenance of shrubbery, lawns, and landscaping of all county buildings and facilities. Also maintain an acceptable state of cleanliness at County Parking Facilities.	Health, Safety & Welfare
Goal #5 – Provide security for the Judicial Courthouse and in the Administrative/Legislative Courthouse.	Health, Safety & Welfare

### Department Objectives and Key Results

Goal	Activities to Accomplish the Goal	Relation to Strategic Plan and Key Factors
Health, Economy and Quality of Life	Maintain, secure, and provide custodial care for County facilities.	Government efficiency

### Performance Measures

Measure	FY2020 Actual	FY2021 Adopted	FY2022 Adopted

# 1001567 - Fleet Operations

Calvin Turner  
Fleet Operations Director

## DEPARTMENT MISSION

Chatham County Fleet Operations is to provide centralized management of the County's vehicle and equipment fleet. We are solely responsible for providing the most efficient and cost-effective support for maintenance and operation for all County vehicles, equipment, and fuel sites.

## DEPARTMENT SERVICES:

Provide high standards of our profession while delivering the highest quality of service and support to State, County, and Local Agencies within Chatham County.

## Personnel

Total	FY2020 Adopted	FY2021 Adopted	FY2022 Adopted
Full Time Equivalents	17	17	17
Part Time Positions	0	1	1
Total	17.00	18.00	18.00

## Goals & performance

### Department Goals

Description	Strategic Plan Alignment
Goal #1: Work with all departments to ensure equipment and vehicle needs are met to satisfactorily complete their job duties.	Public Health, Safety, and Welfare
Goal # 2: Manage and oversee all vehicle and equipment assets to ensure all resources are properly maintained to maximize the county's investment	Superior Stewardship
Goal # 3: Work with departments to plan and control inventory usage and expenses.	Superior Stewardship

### Department Objectives and Key Results

Goal	Activities to Accomplish the Goal
1	Acquire and maintain vehicles for a life expectancy of 5-7 years for light duty vehicles and 10 years for Heavy Duty equipment.
2	Continue the fleet's Preventative Maintenance Compliance program ensuring that vehicles receive routine service and necessary repair services preventing mechanical breakdowns.
3	Work with vendors and commercial customers to receive the best pricing for inventory controls, allowing for fiscal management and informed decisions during budget development.

### Performance Measures

Measure	FY2020 Actual	FY2021 Actual	FY2022 Projected
Percentage of vehicles acquired in relation to replacement schedule.	N/A	96%	100%
Percentage of Preventative Maintenance completed.	85%	85%	87%
Percentage of current inventory compared to estimated fiscal year totals.	N/A	79%	85%

## Expenditures Summary

**\$1,193,790** **-\$113,935**  
(-8.71% vs. prior year)

## 1003251 - Marine Patrol

A sub division of the Chatham County Police Department. Marine Patrol is responsible for patrolling the waterways within Chatham County with a primary mission to ensure a safe boating environment while increasing awareness to the boating population on safe boating and decreasing the number of boating accidents and related incidents. Marine Patrol utilizes experienced and competent personnel who perform random boating safety checks and inspections while enforcing the Georgia Safe Boating Act.

### Personnel

Total	FY2020 Adopted	FY2021 Adopted	FY2022 Adopted

# 1003920 - Emergency Management

**Dennis Jones**  
Emergency Management Director

## DEPARTMENT MISSION STATEMENT:

Promote Emergency Management principles across the whole community.

## DEPARTMENT SERVICES:

The Emergency Management Agency is mandated by the Stafford Act, the Georgia Emergency Management Act and Chatham County's Emergency Management Ordinance. CEMA's main services are to ensure our community is as prepared as possible for, coordinate response to, manage recovery from and facilitate mitigation against major emergencies and disasters. This is accomplished through development of comprehensive planning efforts and collaboration with local, regional, State and Federal partners.

## Personnel

## 1005110 - Health Department

The Chatham County Health Department administers a public health program for the entire population of the County. Services are primarily preventive in nature, except in certain specified communicable diseases such as tuberculosis, venereal disease, and intestinal parasites where treatment is provided to prevent spread of diseases in the community. Examples of the broad sphere of health activities are programs in food and water source inspection, air pollution, waste disposal control, rabies control, housing safety, laboratory and dental facility, vital records, health education, and maternal and child care programs.

## 1005460 - Youth Intercept

The Youth Intercept program is a community-focused, hospital-based program designed to reduce recidivism among youth ages 12-25 affiliated with the Emergency Department (ED) at Memorial Medical Center. Offered by the Victims-Witness Advocacy Program, a division of the Office of the District Attorney, the program counselors work with victims who are in the ED for intentional injuries, such as gunshots and knife wounds. The program is designed to address the physical, emotional, and social needs that victims of violence face after being released from the ED.

## 1006100 - Parks and Recreation

**Stephen Proper**  
Parks and Recreation Director

### DEPARTMENT MISSION STATEMENT:

To provide exceptional parks, facilities, programs, and services to improve the quality of life for the citizens of Chatham County.

**DEPARTMENT SERVICES:** Providing safe, useful, and attractive recreational facilities for citizens of all ages. Management of Parks, and provision of Recreational Programs and Special Events.

### Personnel

Total	FY2020 Actual	FY2021 Adopted	FY2022 Adopted
Full Time Equivalents	49	54	54
Part Time Positions	12	3	3
Total	61.00	57.00	57.00

### Goals and Performance

#### DEPARTMENT GOALS

Description	Strategic Plan Factor
Goal #1 – Increase facility rentals from 300 in FY 21 (Covid restrictions reduced performance in FY21) to 450 in FY22	Superior Stewardship
Goal #2 – Increase sports programming participation from 150 in FY21 (Covid restrictions reduced performance in FY21) to 450 participants in FY22.	Quality Service for our customers
Goal #3 - Complete Capital Improvement project with updating playground inventory with replacement playground installation.	Health, safety, & Welfare

#### DEPARTMENT OBJECTIVES AND KEY RESULTS

Goal #	Activities to Accomplish the Goal
1	As the Covid numbers reduce, more rental requests will occur for family reunions, birthday parties, community meetings, and other gatherings.
2	Focus on reinstating sports programming, after COVID restrictions reduced play the previous year.
3	Work with the Engineering Department to develop the scope of work and timeline for the RFP, award contract and manage project completion.

#### PERFORMANCE MEASURES

Measure	FY2020 Actual	FY2021 Actual	FY2022 Adopted
Number of Facility Rentals	650	300	450
Youth served in sports programming	470	150	450
Update playground inventory through installing updated new playgrounds	1	2	1

<b>Total</b>	<b>10.00</b>	<b>10.00</b>	<b>15.00</b>

## Goals and Performance

### Department Goals

Description	Strategic Plan Alignment
Goal #1: To increase overall revenue by 3% from FY21 to FY22.	Health, Safety & Welfare
Goal #2: To increase the number of rounds by 2% from FY21 to FY22	Quality Service for Our Customers
Goal #3: Complete Capital Improvement Project of bridge replacement and cart path concrete repairs	Superior Stewardship

### Department Objectives and Key Results

Goal #	Activities to Accomplish the Goal
1	Increase programming offerings with clinics, LPGA partnership and youth camps, to drive more visitors to the course.
1	Encourage repeat play with continual improvement of the greens, tee boxes, and hazards throughout the course with a thorough and well-developed maintenance program.
2	Recruit weekday tournaments and events to increase rounds during low visitation times.
2	Continue to develop relationships with hole sponsors and other mutually beneficial businesses to share customer patronage
3	Work with the Engineering Department to develop the scope of work and timeline for the RFP, award contract and manage project completion.

### Performance Measures

Measure	FY2020 Actual	FY2021 Actual	FY2022 Adopted

### Goals & Performance

#### Department Goals

Description	Strategic Plan Alignment
1 - Efficiently deliver capital improvement projects within budget that improve public and quality of life while reducing maintenance costs.	Practice Superior Stewardship
2 - Provide an efficient and timely permitting process while protecting public safety and quality of life.	Health, Safety & Welfare
3 - Enhance public safety and quality of life by ensuring compliance with the National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer (MS4) Permit by meeting permit enforcement, monitoring, public involvement and outreach, and reporting requirements.	Health, Safety & Welfare

#### Department Objectives and Key Results

Goal #	Activities to Accomplish the Goal
1.	Evaluations of quality, efficiency and cost savings decisions at the completion of each project
2.	Semi-annual review of permit issuance, plan review and enforcement actions.
3.	Completing all required stormwater inspections and submission of the MS4 Annual Report.

#### Performance Measures

Measure	FY2020 Actual	FY2021 Adopted	FY2022 Adopted
Flood zone determinations	400	500	525
Sites & subdivision review	300	200	200
SPLOST projects construction- (est.)	\$20,500,000	\$50,000,000	\$77,000,000

### Expenditures Summary

## 2707340 - Coastal Area Development

The Coastal Regional Commission (CRC) is the regional planning and intergovernmental coordination agency for the 10-counties and 35 cities along the coast of Georgia. CRC is dedicated to unifying the region's collective resources to prepare the area for a prosperous future. It does so through professional planning initiatives, the provision of objective information, and the involvement of the community in collaborative partnerships. Memberships fees are based on population.

## 2707412 - SAGIS

SAGIS, an acronym for the Savannah Area Geographic Information System, provides an entrepreneurial approach to manage geographically-based data among various government agencies, creates tools and services for those agencies and the public, provides access to the data and provides support to users to maximum system benefits. Through a public-private partnership, SAGIS not only improves government services but also enhances economic development. SAGIS has become the platform for a new era of data management, including overlays for E-911, property ownership and valuation, building and development, topographical information, subdivision platting, deed records, emergency management, elections, mosquito control, and public property maintenance

## 1002100 - Superior Court Administration

Crystal Cooper  
Court Administrator

The Office of the Court Administrator assists the Judges with the non-judicial and administrative activities of the court. The office oversees criminal case management/scheduling, jury services, court reporting, interpreter services, a Drug Court, a Mental Health Court, and a Veterans Court. The Court Administrator and staff function within general management areas rather than specific legal areas.

The Court Administrator's office administers the court reporting and interpreter needs for Superior and State Court in compliance with State and Federal laws and the Supreme Court of Georgia.

## 1002300 - State Court - Judges

**Judge Gregory Fowler**  
Chief Judge

The judges of the State Court of Chatham County preside over all civil and criminal cases properly filed with the Court. The Judiciary handles criminal misdemeanor cases either by acceptance of pleas, bench trials before the Court or by jury trials depending on the request of the defendant. State Court judges also preside over all civil cases filed in State Court. The Court has concurrent jurisdiction with the Superior Courts with the exception of equity, land and domestic relations. Additionally, the State Court serves as the appellate court for the Magistrate Court of Chatham County and hears all such cases on a de nova basis.

## 1002310 - State Court - Clerk

Brian K. Hart  
State Court Administrator

The State Court Clerk of Court maintains complete and permanent records of all civil and criminal actions filed with the Clerk. The Clerk's Office keeps all records up to date and available to attorneys and the public for review and examination as provided by law. The Clerk's Office provides case management services to the Judges of State Court. The Clerk's Office also receives and distributes funds paid into the Court's registry in the form of escrow and restitution. The Clerk is responsible for receiving and distributing funds paid the Court in the form of fines and fees.

## 1002320 - State Court - DUI Court

**Brian K. Hart**  
DUI Court Administrator

The Savannah - Chatham County DUI Court began as a pilot project in 2003. The program was initially sponsored by National Highway Traffic Safety Administration, the Governor's Office of Highway Safety and the Georgia Administrative Office of the Courts. This unique program has evolved into a collaborative effort of the State Court and the City of Savannah and Chatham County governments. The program requires coordinated support from the Court, a defense attorney, District Attorney's office, PRIDE Probation and the Recovery Place of Savannah, Inc. The basic ingredients are intense supervision, treatment and "carrot and stick" motivators. DUI Court participants receive needed services from local social service agencies. The program's goal is to reduce the number of DUI offenders and enhance public safety for our community.

# 1002450 - Probate Court

THOMAS C. BORDEAUX, JR.  
Judge

The mission of the Probate Court is to safely and efficiently carry out the duties assigned under the Constitution and laws of Georgia as a Court of Record with exclusive jurisdiction over the following:

- Deceased persons' estates
- Guardianship and conservatorships of minors and incapacitated adults
- Determining the need for involuntary treatment of mentally ill and drug and alcohol dependent individuals
- Issuance of marriage, firearms and fireworks licenses
- Preservation of historical data and records pertaining to estates, licenses and guardianships

<b>Total</b>	<b>15.00</b>	<b>18.00</b>	<b>18.00</b>

## Goals & Objectives

### Department Goals

Description	Strategic Plan Factor
Goal #1 - To bring Probate Court into compliance with Georgia Standards for the Security of Courthouses and Other Court Facilities	Superior Work Environment
Goal #2 - To have sufficient staff to meet the needs of the public coming to Probate Court for services and protection on complex issues impacting families and the community.	Quality Service for our Customers
Goal #3 - Reconfigure and equip the Probate Court to store confidential and historical documents safely and securely and to contract with businesses to digitize historical documents to preserve them and to maximize public access.	Superior Stewardship

### Department Objectives and Key Results

Goal	Activities to accomplish the Goal
1	Reconfiguration of existing space, relocating the courtroom to a new adjacent space with a separate and secure entrance to provide safety and efficiency.
2	Building the size and quality of staff to meet the currently unmet needs of citizens coming to Probate Court for probate, guardianship and licensing.
3	Reconfiguring file management systems in the newly reconfigured office space. Use adequate staff and contracted services to digitize historical documents.

# 1002210 - Victim Witness

Director

The Victim-Witness Assistance Program was established within the District Attorney's office to make the historically "offender oriented" criminal justice system more responsive to the needs, plight, and rights of crime victims and witnesses. The program serves a maximum number of clients with minimal costs to the County through the extensive use of community volunteers and student interns. Services include providing information on cases status, crisis counseling, referral to private/public service agencies, court advocacy, notice of court proceedings and changes, support groups, parole notification, and assistance with any problems caused by the crime or court appearances.

## Goals & Objectives

### Department Goals

Description	Strategic Plan Factor
<ul style="list-style-type: none"><li>To inform, support, and conduct outreach to all crime victims</li><li>To further strengthen partnership with Chatham County public middle and high schools for selected at-risk students through Youth Intercept</li></ul>	Quality of Life Education

### Department Objectives and Key Results

Key Indicator	Activity & Objective	Relation to Strategic Plan and Key Factors
Recidivism Rate	Early notification and outreach - reduce crime; provide prevention to victims of violent crime and offer support, information and counseling	Reduce crime; provide prevention
Recidivism Rate	Reduce victim retaliation and increase life skills	Reduce crime; provide prevention
Engaging Students	Enhance students' understanding of goals and opportunities	Increase opportunities for young people with job shadowing and internships

### Performance Measures

Activity	Performance Measure
Quality of Life	Provide early notification and outreach to victims soon after the date of incident with information, support, referrals and counseling by VWAP staff counselor by partnering with all police departments in getting incident reports for contact.
Education	Increase Violence Intervention enrollment of crime victims to 15 from the hospital based program to provide education, job skills, and other life skill programs

## 1003300 - Sheriff's Department

**John Wilcher**  
Sheriff

The Sheriff's office is comprised of three (3) divisions. The Court Services Division, which provides security for the operating courts and judges in the Chatham County courthouse, the Pete Liakakis building, and Juvenile court. The Street Operations Division, which ensures fair and equal administration of law while safeguarding civil liberties and preserving public safety. The K-9 Regional Training Unit provides professionally trained and certified K-9 officers to respond to incidents by local, state, and federal agencies 24 hours a day, seven days a week.

## 1003326 - Detention Center

**John Wilcher**  
Sheriff

The Corrections Division provides a secure, safe and sanitary environment for staff, detainees and the public while providing for the care, custody, and control of legally incarcerated detainees within the facility.

### Personnel

Total	FY2020 Adopted	FY2021 Adopted	FY2022 Adopted
Full Time Equivalents	490	490	490
Part-Time Positions	12	12	12
<b>Total</b>	<b>502.00</b>	<b>502.00</b>	<b>502.00</b>

### Goals & Performance

#### Department Goals

Description	Strategic Plan Factor
◦ Enhance the cadet program — college adults seeking a degree in Criminal Justice to work in part-time uniformed positions.	Economy
◦ Expand the Work Release Program by collaborating with specialty courts and child support to help satisfy the financial demands of the courts.	Economy
◦ Autism and special needs training for staff include crisis intervention training (CIT) to enable better interaction/response to affected individuals.	Health & Welfare

#### Department Objectives and Key Results

Key Indicator	Activity & Objective	Relation to Strategic Plan and Key Factors
Per Capita Income	Seek additional employers and training programs for use within the work release program.	Increasing network of employers
Quality of Life	Implement a “scared straight” program for young people at risk.	Police activity programs

#### Performance Measures

Activity	Performance Measure
Quality of Life	Staff 50% of the Explorer advisory committee, with volunteers from the detention center.
Quality of Life	The Work Release Program will provide reports and statistics on a monthly and annual basis for executive management.

### Expenditures Summary

**\$51,803,873** **\$867,499**

## 1003700 - Coroner

**David Campbell**  
Coroner

Principal duty of this office is to inquire by inquest into the cause of death which there is reason to suppose is not due to natural causes. Autopsies are completed by State of Georgia appointed pathologists at the request of the Coroner.

### Personnel

Total	FY2020 Actual	FY2021 Adopted	FY2022 Adopted
Full Time Equivalents	3	3	3
Part-Time Positions	2	2	2
<b>Total</b>	<b>5.00</b>	<b>5.00</b>	<b>5.00</b>

### Goals & Performance

#### Department Goals

Description	Strategic Plan Factor
It is the mission and goal of the Chatham County Coroner's Office to provide professional and efficient investigations into all deaths within our jurisdiction, as required by Georgia law, O.C.G.A.: 45-16	Quality of Life

#### Department Objectives and Key Results

Key Indicator	Activity & Objective	Relation to Strategic Plan and Key Factors
Health	To effectively determine the cause and manner of death, affix responsibility and to protect public health and safety, while working in cooperation with police jurisdictions.	Health & Safety

#### Performance Measures

Measure	FY2020 Actual	FY2021 Actual	FY2021 Adopted
Death certificates			
Autopsies			
Body pickups

## Enterprise Funds

Enterprise Funds are those operations that are financed and operated in a manner similar to private enterprises where the intent of the governing body is that the cost of goods and services provided is recovered through user charges.

### Expenditures Summary

## 5707210 - Building Safety & Regulatory

**Gregori Anderson**  
Director

### DEPARTMENT MISSION STATEMENT

To safeguard the general welfare of the citizens of Chatham County through the timely issuance of permits, inspections, and tax certificates; and the professional administration of State and County laws and ordinances.

### DEPARTMENT SERVICES

Process and issue all building permits and trade permits at all intervals of construction, to insure compliance with codes adopted by the State of Georgia and conduct construction inspections to correlate site activities with permit scope.

### Personnel

Total	FY2020 Actual	FY2021 Adopted	FY2022 Adopted
Full Time Equivalents	15	15	15
Part-Time Positions	2	0	0
<b>Total</b>	<b>12.0</b>	<b>15.0</b>	<b>15.0</b>

### Goals and Performance

#### Department Goals

Description	Strategic Plan Factor
Maintain compliance with the Georgia "Private Permitting Review & Inspections Act."	Health, Safety & Welfare

#### Department Objectives and Key Results

Goal #	Activities to accomplish the goal
1	Develop procedures that will enable all complete permit submittal applications to be issued within thirty (30) days by December 2021.
2	Implement and utilize new permitting software to track and report permit application and issuance dates.

#### Performance Measures

Measure	FY2020 Actual	FY2021 Adopted	FY2022 Adopted
Building Permits issued	80%	90%	95%

### Revenues Summary

**\$1,435,104** **-\$183,260**  
(-11.32% vs. prior year)

## 2512220 - Child Support Enforcement

Tracy Erwin  
Child Support Director

**DEPARTMENT MISSION STATEMENT** – The mission of the Division of Child Support Services is to increase the reliability of child support paid by parents when they live apart from their children.

**DEPARTMENT SERVICES:**

The Division of Child Support Services is responsible for locating parents, establishing paternity, establishing and enforcing fair support orders, increasing health care coverage for children, and removing barriers to payment, such as referring parents to employment services, supporting healthy co-parenting relationships, supporting responsible fatherhood/motherhood, and helping to prevent and reduce family violence.

### Personnel

# 2907420 - Land Disturbing Act

Suzanne Cooler  
County Engineer

## DEPARTMENT MISSION STATEMENT:

To protect the health, safety and quality of life of the citizens of unincorporated Chatham County through the regulation of land development through the administration and enforcement of the land disturbing activities ordinance, the soil erosion and sedimentation control ordinance, the storm water management ordinance, and the Chatham County engineering policy.

**DEPARTMENT SERVICES:** Georgia law regulates land-disturbing activity, which is defined as "any activity which may result in soil erosion from water or wind and the movement of sediments into state water or onto lands within the state, including, but not limited to, clearing, dredging, grading, excavating, transporting, and filling of land but not including agricultural practices as described in paragraph (5) of Code Section 12-7-17 ([http://www.legis.state.ga.us/cgi-bin/gl\\_codes\\_detail.pl?code=12-7-17](http://www.legis.state.ga.us/cgi-bin/gl_codes_detail.pl?code=12-7-17))."

## 2153800 - Emergency Communications

**Diane Pickney**  
Director

DEPARTMENT MISSION STATEMENT: Chatham 911 Communications Services is committed to providing excellent 911 customer services with honor and integrity through employee development, transparency and community awareness.

DEPARTMENT SERVICES: The Core functions of the 911 Department are to answer 911 and administrative calls regarding police, fire and medical emergencies that occur within the City of Savannah, municipalities and the unincorporated areas of Chatham County and dispatch the appropriate resource agencies. The 911 Center also provides pre-arrival instructions to callers on medical and criminal justice related calls.

### Personnel

Total	FY2020 Adopted	FY2021 Adopted	FY2022 Adopted
Full Time Equivalents	103	103	107
Part-Time Positions	4	4	3
<b>Total</b>	<b>107</b>	<b>107</b>	<b>110</b>

### Goals & Performance

#### Department Goals

Description	Strategic Plan Alignment
#1 — Answer calls in a professional and efficient manner.	Quality Service to our customers
#2 — Review, revise, and develop policies for the 911 Center	Superior Work Environment
#3 — Purchase a new CAD/RMS System	

#### Department Objectives and Key Results

Goal #	Activities to Accomplish the Goal
1.	Work with Human Resources to advertise, test, interview, and hire qualified candidates to fill vacancies in the call center.
2.	Work with management/supervisor/stakeholders to review, revise, and develop policies to ensure compliance with Federal and State laws and organizational best practices.
3.	Develop a CAD Core Team to work with Chatham County Project Management in reviewing proposals and work in conjunction with stakeholders to review features of each system and attend scripted demonstrations by selected vendors.

#### Performance Measures

Measure	FY2019 Actual	FY2020 Actual	FY2021 Proposed
Decrease vacancies by at least 25%	N/A	N/A	25%
Review, revise, and develop a minimum of 15 policies	N/A	N/A	15

## Revenues Summary

**\$9,704,114** **\$958,149**  
(10.96% vs. prior year)

In FY2022, the following changes occurred in relation to the staff of departments.

- County Attorney = (1) Full time Paralegal position
- Engineering - (1) Full time Environmental Program Coordinator
- ICS - (2) Business Systems Managers & (1) Junior Computer Assistant
- Project Management - (1) Part-time Project Management position to Full time
- CNT (1) Full time Sergeant; transfer of fourteen (14) investigator positions to CCPD personnel roster.
- Animal Services - (1) Full time Animal Services Officer
- E911 - (1) part-time Criminal Investigator to Full time; (3) three full-time project management positions
- CCPD (1) Lieutenant & (5) Police Officers; Increase of (14) Police Officers from CNT roster.

# APPENDIX

---

## Glossary

**Abatement:** A reduction or elimination of a real or personal property tax, motor vehicle excise, a fee, charge, or special assessment imposed by a governmental unit. Granted only on application of the person seeking the abatement and only by the committing governmental unit.

**Accounting System:** The total structure of records and procedures that identify record, classify, and report information on the financial position and operations of a governmental unit or any of its funds, account groups, and organizational components.

**Accrued Interest:** The amount of interest that has accumulated on the debt since the date of the last interest payment, and on the sale of a bond, the amount accrued up to but not including the date of delivery (settlement date). (See Interest)

**Amortization:** The gradual repayment of an obligation over time and in accordance with a predetermined payment schedule.

**Appropriation:** A legal authorization from the community's legislative body to expend money and incur obligations for specific public purposes. An appropriation is usually limited in amount and as to the time period within which it may be expended.

**Arbitrage:** As applied to municipal debt, the investment of tax-exempt bonds or note proceeds in higher yielding, taxable securities. Section 103 of the Internal Revenue Service (IRS) Code restricts this practice and requires (beyond certain limits) that earnings be rebated (paid) to the IRS.

**Assessed Valuation:** A value assigned to real estate or other property by a government as the basis for levying taxes.

**Audit:** An examination of a community's financial systems, procedures, and data by a certified public accountant (independent auditor), and a report on the fairness of financial statements and on local compliance with statutes and regulations. The audit serves as a valuable management tool in evaluating the fiscal performance of a community.

**Audit Report:** Prepared by an independent auditor, an audit report includes: (a) a statement of the scope of the audit; (b) explanatory comments as to application of auditing procedures; (c) findings and opinions. It is almost always accompanied by a management letter which contains supplementary comments and recommendations.

**Available Funds:** Balances in the various fund types that represent non-recurring revenue sources. As a matter of sound practice, they are frequently appropriated to meet unforeseen expenses, for capital expenditures or other one-time costs.

**Balance Sheet:** A statement that discloses the assets, liabilities, reserves and equities of a fund or governmental unit at a specified date.

**Betterments (Special Assessments):** Whenever a specific area of a community receives benefit from a public improvement (e.g., water, sewer, sidewalk, etc.), special property taxes may be assessed to reimburse the governmental entity for all or part of the costs it incurred. Each parcel receiving benefit from the improvement is assessed for its proportionate share of the cost of such improvements. The proportionate share may be paid in full or the property owner may request that the assessors apportion the betterment over 20 years. Over the life of the betterment, one year's apportionment along with one year's committed interest computed from October 1 to October 1 is added to the tax bill until the betterment has been paid.

**Bond:** A means to raise money through the issuance of debt. A bond issuer/borrower promises in writing to repay a specified sum of money, alternately referred to as face value, par value or bond principal, to the buyer of the bond on a specified future date (maturity date), together with periodic interest at a specified rate. The term of a bond is always greater than one year. (See Note)

**Bond and Interest Record:** (Bond Register) – The permanent and complete record maintained by a treasurer for each bond issue. It shows the amount of interest and principal coming due each date and all other pertinent information concerning the bond issue.

**Bonds Authorized and Unissued:** Balance of a bond authorization not yet sold. Upon completion or abandonment of a project, any remaining balance of authorized and unissued bonds may not be used for other purposes, but must be rescinded by the community's legislative body to be removed from community's books.

**Bond Issue:** Generally, the sale of a certain number of bonds at one time by a governmental unit.

**Bond Rating (Municipal):** A credit rating assigned to a municipality to help investors assess the future ability, legal obligation, and willingness of the municipality (bond issuer) to make timely debt service payments. Stated otherwise, a rating helps prospective investors determine the level of risk associated with a given fixed-income investment. Rating agencies, such as Moody's and Standard and Poors, use rating systems, which designate a letter or a combination of letters and numerals where AAA is the highest rating and C1 is a very low rating.

**Budget:** A plan for allocating resources to support particular services, purposes and functions over a specified period of time. (See Performance Budget, Program Budget)

**Capital Assets:** All real and tangible property used in the operation of government, which is not easily converted into cash, and has an initial useful life extending beyond a single financial reporting period. Capital assets include land and land improvements; infrastructure such as roads, bridges, water and sewer lines; easements; buildings and building improvements; vehicles, machinery and equipment. Communities typically define capital assets in terms of a minimum useful life and a minimum initial cost. (See Fixed Assets)

**Capital Budget:** An appropriation or spending plan that uses borrowing or direct outlay for capital or fixed asset improvements. Among other information, a capital budget should identify the method of financing each recommended expenditure, i.e., tax levy or rates, and identify those items that were not recommended. (See Capital Assets, Fixed Assets)

**Cash:** Currency, coin, checks, postal and express money orders and bankers' drafts on hand or on deposit with an official or agent designated as custodian of cash and bank deposits.

**Cash Management:** The process of monitoring the ebb and flow of money in an out of municipal accounts to ensure cash availability to pay bills and to facilitate decisions on the need for short-term borrowing and investment of idle cash.

**Certificate of Deposit (CD):** A bank deposit evidenced by a negotiable or non-negotiable instrument, which provides on its face that the amount of such deposit plus a specified interest payable to a bearer or to any specified person on a certain specified date, at the expiration of a certain specified time, or upon notice in writing.

**Classification of Real Property:** Assessors are required to classify all real property according to use into one of four classes: residential, open space, commercial, and industrial. Having classified its real properties, local officials are permitted to determine locally, within limitations established by statute and the Commissioner of Revenue, what percentage of the tax burden is to be borne by each class of real property and by personal property owners.

**Collective Bargaining:** The process of negotiating workers' wages, hours, benefits, working conditions, etc., between an employer and some or all of its employees, who are represented by a recognized labor union. regarding wages, hours and working conditions.

**Consumer Price Index:** The statistical measure of changes, if any, in the overall price level of consumer goods and services. The index is often called the "cost-of-living index."

**Cost-Benefit Analysis:** A decision-making tool that allows a comparison of options based on the level of benefit derived and the cost to achieve the benefit from different alternatives.

**Debt Burden:** The amount of debt carried by an issuer usually expressed as a measure of value (i.e., debt as a percentage of assessed value, debt per capita, etc.). Sometimes debt burden refers to debt service costs as a percentage of the total annual budget.

**Debt Service:** The repayment cost, usually stated in annual terms and based on an amortization schedule, of the principal and interest on any particular bond issue.

**Encumbrance:** A reservation of funds to cover obligations arising from purchase orders, contracts, or salary commitments that are chargeable to, but not yet paid from, a specific appropriation account.

**Enterprise Funds:** An enterprise fund is a separate accounting and financial reporting mechanism for municipal services for which a fee is charged in exchange for goods or services. It allows a community to demonstrate to the public the portion of total costs of a service that is recovered through user charges and the portion that is subsidized by the tax levy, if any. With an enterprise fund, all costs of service delivery--direct, indirect, and capital costs—are identified. This allows the community to recover total service costs through user fees if it chooses. Enterprise accounting also enables communities to reserve the "surplus" or net assets unrestricted generated by the operation of the enterprise rather than closing it out to the general fund at year-end. Services that may be treated as enterprises include, but are not limited to, water, sewer, hospital, and airport services.

**Equalized Valuations (EQVs):** The determination of the full and fair cash value of all property in the community that is subject to local taxation.

**Estimated Receipts:** A term that typically refers to anticipated local revenues often based on the previous year's receipts and represent funding sources necessary to support a community's annual budget. (See Local Receipts)

**Exemptions:** A discharge, established by statute, from the obligation to pay all or a portion of a property tax. The exemption is available to particular categories of property or persons upon the timely submission and approval of an application to the assessors. Properties exempt from taxation include hospitals, schools, houses of worship, and cultural institutions. Persons who may qualify for exemptions include disabled veterans, blind individuals, surviving spouses, and seniors.

**Expenditure:** An outlay of money made by municipalities to provide the programs and services within their approved budget.

**Fiduciary Funds:** Repository of money held by a municipality in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and other funds. These include pension (and other employee benefit) trust funds, investment trust funds, private- purpose trust funds, and agency funds.

**Fixed Assets:** Long-lived, assets such as buildings, equipment and land obtained or controlled as a result of past transactions or circumstances.

**Fixed Costs:** Costs that are legally or contractually mandated such as retirement, FICA/Social Security, insurance, debt service costs or interest on loans.

**Float:** The difference between the bank balance for a local government's account and its book balance at the end of the day. The primary factor creating float is clearing time on checks and deposits. Delays in receiving deposit and withdrawal information also influence float.

**Full Faith and Credit:** A pledge of the general taxing powers for the payment of governmental obligations. Bonds carrying such pledges are usually referred to as general obligation or full faith and credit bonds.

**Fund:** An accounting entity with a self-balancing set of accounts that are segregated for the purpose of carrying on identified activities or attaining certain objectives in accordance with specific regulations, restrictions, or limitations.

**Fund Accounting:** Organizing financial records into multiple, segregated locations for money. A fund is a distinct entity within the municipal government in which financial resources and activity (assets, liabilities, fund balances, revenues, and expenditures) are accounted for independently in accordance with specific regulations, restrictions or limitations. Examples of funds include the general fund and enterprise funds. Communities whose accounting records are organized according to the Uniform Municipal Accounting System (UMAS) use multiple funds.

**GASB 34:** A major pronouncement of the Governmental Accounting Standards Board that establishes new criteria on the form and content of governmental financial statements. GASB 34 requires a report on overall financial health, not just on individual funds. It requires more complete information on the cost of delivering value estimates on public infrastructure assets, such as bridges, road, sewers, etc. It also requires the presentation of a narrative statement the government's financial performance, trends and prospects for the future.

**GASB 45:** This is another Governmental Accounting Standards Board major pronouncement that each public entity account for and report other postemployment benefits in its accounting statements. Through actuarial analysis, municipalities must identify the true costs of the OPEB earned by employees over their estimated years of actual service.

**General Fund:** The fund used to account for most financial resources and activities governed by the normal appropriation process.

**General Obligation Bonds:** Bonds issued by a municipality for purposes allowed by statute that are backed by the full faith and credit of its taxing authority.

**Governing Body:** A board, committee, commission, or other executive or policymaking body of a municipality or school district.

**Indirect Cost:** Costs of a service not reflected in the operating budget of the entity providing the service. An example of an indirect cost of providing water service would be the value of time spent by non-water department employees processing water bills. A determination of these costs is necessary to analyze the total cost of service delivery. The matter of indirect costs arises most often in the context of enterprise funds.

**Interest:** Compensation paid or to be paid for the use of money, including amounts payable at periodic intervals or discounted at the time a loan is made. In the case of municipal bonds, interest payments accrue on a day-to-day basis, but are paid every six months.

**Interest Rate:** The interest payable, expressed as a percentage of the principal available for use during a specified period of time. It is always expressed in annual terms.

**Investments:** Securities and real estate held for the production of income in the form of interest, dividends, rentals or lease payments. The term does not include fixed assets used in governmental operations.

**Line Item Budget:** A budget that separates spending into categories, or greater detail, such as supplies, equipment, maintenance, or salaries, as opposed to a program budget.

**Local Aid:** Revenue allocated by the state or counties to municipalities and school districts.

**Maturity Date:** The date that the principal of a bond becomes due and payable in full.

**Municipal(s):** (As used in the bond trade) "Municipal" refers to any state or subordinate governmental unit. "Municipals" (i.e., municipal bonds) include not only the bonds of all political subdivisions, such as cities, towns, school districts, special districts, counties but also bonds of the state and agencies of the state.

**Note:** A short-term loan, typically with a maturity date of a year or less.

**Objects of Expenditures:** A classification of expenditures that is used for coding any department disbursement, such as “personal services,” “expenses,” or “capital outlay.”

**Official Statement:** A document prepared for potential investors that contains information about a prospective bond or note issue and the issuer. The official statement is typically published with the notice of sale. It is sometimes called an offering circular or prospectus.

**Operating Budget:** A plan of proposed expenditures for personnel, supplies, and other expenses for the coming fiscal year.

**Overlapping Debt:** A community's proportionate share of the debt incurred by an overlapping government entity, such as a regional school district, regional transit authority, etc.

**Performance Budget:** A budget that stresses output both in terms of economy and efficiency.

**Principal:** The face amount of a bond, exclusive of accrued interest.

**Program:** A combination of activities to accomplish an end.

**Program Budget:** A budget that relates expenditures to the programs they fund. The emphasis of a program budget is on output.

**Purchased Services:** The cost of services that are provided by a vendor.

**Refunding of Debt:** Transaction where one bond issue is redeemed and replaced by a new bond issue under conditions generally more favorable to the issuer.

**Reserve Fund:** An amount set aside annually within the budget of a town to provide a funding source for extraordinary or unforeseen expenditures.

**Revaluation:** The assessors of each community are responsible for developing a reasonable and realistic program to achieve the fair cash valuation of property in accordance with constitutional and statutory requirements. The nature and extent of that program will depend on the assessors' analysis and consideration of many factors, including, but not limited to, the status of the existing valuation system, the results of an in-depth sales ratio study, and the accuracy of existing property record information.

**Revenue Anticipation Note (RAN):** A short-term loan issued to be paid off by revenues, such as tax collections and state aid. RANs are full faith and credit obligations.

**Revenue Bond:** A bond payable from and secured solely by specific revenues and thereby not a full faith and credit obligation.

**Revolving Fund:** Allows a community to raise revenues from a specific service and use those revenues without appropriation to support the service.

**Sale of Real Estate Fund:** A fund established to account for the proceeds of the sale of municipal real estate other than proceeds acquired through tax title foreclosure.

**Stabilization Fund:** A fund designed to accumulate amounts for capital and other future spending purposes, although it may be appropriated for any lawful purpose.

**Surplus Revenue:** The amount by which cash, accounts receivable, and other assets exceed liabilities and reserves.

**Tax Rate:** The amount of property tax stated in terms of a unit of the municipal tax base; for example, \$14.80 per \$1,000 of assessed valuation of taxable real and personal property.

**Tax Title Foreclosure:** The procedure initiated by a municipality to obtain legal title to real property already in tax title and on which property taxes are overdue.

**Trust Fund:** In general, a fund for money donated or transferred to a municipality with specific instructions on its use. As custodian of trust funds, the treasurer invests and expends such funds as stipulated by trust agreements, as directed by the commissioners of trust funds or by the community's legislative body. Both principal and interest may be used if the trust is established as an expendable trust. For nonexpendable trust funds, only interest (not principal) may be expended as directed.

**Uncollected Funds:** Recently deposited checks included in an account's balance but drawn on other banks and not yet credited by the Federal Reserve Bank or local clearinghouse to the bank cashing the checks. (These funds may not be loaned or used as part of the bank's reserves and they are not available for disbursement.)

**Undesignated Fund Balance:** Monies in the various government funds as of the end of the fiscal year that are neither encumbered nor reserved, and are therefore available for expenditure once certified as part of free cash.

**Unreserved Fund Balance (Surplus Revenue Account):** The amount by which cash, accounts receivable, and other assets exceed liabilities and restricted reserves. It is akin to a "stockholders' equity" account on a corporate balance sheet. It is not, however, available for appropriation in full because a portion of the assets listed as "accounts receivable" may be taxes receivable and uncollected. (See Free Cash)

**Valuation (100 Percent):** The legal requirement that a community's assessed value on property must reflect its market, or full and fair cash value.
