

Greenest County Initiative CEMA

1. Recycling office paper through County recycling program.
2. Reducing wattage of some light bulbs from 150 watts to 75 watts.
3. Ballasts and light bulbs of all types are recycled through Facilities Maintenance.
4. Printer cartridges are recycled through Chatham County's Resource Conservation Education Center.
5. Purchasing copy paper that is manufactured with 30% to 50% postconsumer content.
6. Tin cans, aluminum cans, and plastic containers and cardboard are recycled through Chatham County's Resource Conservation Education Center.
7. Application of strict on/off light conservation measures.

If you have a local vendor for Green/Recycled Vendors & Products that should be added to this list, email their contact information to: Henry Lewandowski hblewand@chathamcounty.org
