# Is Your Pet Prepared?

## Low-Cost Microchip and Rabies Vaccine Clinic

As part of the 2018 Chatham County Prepare-A-Thon, CEMA, Chatham County Animal Services, and the Humane Society of Greater Savannah are partnering to have a Low-Cost Microchip and Rabies Vaccine Event! Join us on **September 27th from 2pm-6pm** at 7211 Sallie Mood Drive.

**Rabies Vaccine**  
**\$10**

All dogs and cats four months of age, and older, are required to be vaccinated against rabies and should be registered with the County. On September 27, Chatham County Animal Services will provide 1-year vaccines and will register your animal on site.

**Microchip**  
**\$20**

### Why Microchip?

If your pet gets lost and is taken to a vet clinic or animal shelter, your pet will be scanned for a microchip to reveal their unique ID number. That number will be linked to your name and phone number. Microchips make reuniting with your pet a reality.

Several great businesses have donated raffle items for this event. Businesses include Godley Station Animal Hospital, Bently's Pet Stuff and Pet Smart. To qualify for the raffle, participants must have their pet(s) vaccinated or micro-chipped OR, participants can make a \$5 donation to the Humane Society of Greater Savannah.

**\*\*Kona Ice will be on site for purchase throughout the event!\*\***
