CEMA Enters Operating Condition 4, the Enhanced Monitoring Phase

Chatham County, GA (October 7, 2018) - The Chatham Emergency Management Agency (CEMA) has entered OPCON 4 and is monitoring Tropical Depression 14, which is forecasted to become Tropical Storm Michael. Chatham County is in the 5-day error cone and residents, business owners, and visitors in our area should maintain awareness of the storm. Potential impacts to Chatham County may include 1-2 inches of rain, increased rip currents, and isolated coastal flooding.

As a common practice, individuals, families, and businesses are encouraged to review their storm preparation activities:

- Monitor local authorities for advice and protective actions.
- Prepare or inspect your emergency supply kit, and do not forget your pet's kit too.
- Document important belongings and consider taking pictures or video of your home.
- Inspect your property for loose, lightweight items that could become airborne.
- If you have functional access or medical needs call the Chatham County Public Health Department to sign up for the registry, 1-833-CHD-REGISTER
