Debris and Dry Trash Collection for Unincorporated Chatham County

Chatham County, GA (October 16, 2018) – All available resources from Chatham County Public Works are collecting dry trash/debris from Hurricane Michael. With the large quantities of dry trash/debris as a result of Hurricane Michael, crews may not be able to finish their routes in a single day.

Please remain patient! Dry trash/debris will be removed as soon as possible. At this time, Public Works crews will continue to work normal routes on their scheduled days.

What residents can expect:

Crews will begin working each route listed below on their normal day and at the end of the work day, crews will mark the last location they finished. The following week on the scheduled day, crews will resume collecting from the last location serviced.

Dry Trash Schedule:

<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>
Westside and Georgetown	The Landings - Skidaway Island	Isle of Hope, Whitfield Avenue/Dutch and Burnside Islands	Island areas - Wilmington, Talahi and Whitemarsh Islands
