Chatham County Police Respond to Industrial Workplace Fatality

Chatham County, GA (January 7, 2020) – On Monday, January 6, 2020 Chatham County Police were called to the scene of an industrial workplace fatality at 100 Seapoint Boulevard.

Upon arrival, officers found 20-year-old Daniel Wayne Blackmore deceased. Chatham County Police Department detectives and the forensics unit gathered information and processed the scene. However, because this is an industrial workplace fatality, the investigation into the incident will be handled by the proper federal and state authorities who investigate workplace safety issues.
