I-95 South at Mile Marker 93 Closed

Chatham County, GA (May 23, 2019) – Chatham County Police has closed all lanes of traffic on I-95 Southbound near mile marker 93, just south of HWY 204, due to a vehicle fire. An 18 Wheel truck caught on fire just before 7am this morning. No injuries have been reported at this time.

Traffic will be impacted while fire crews put out the fire and crews clear the accident. One lane of traffic is expected to open within the hour. Also, Northbound traffic is slow moving due to firefighting efforts.

Drivers are urged to seek alternate routes.
