Traffic Delays on Highway 204 Following Accident

Chatham County, GA (May 23, 2019) – Drivers can expect major traffic delays on Highway 204 Eastbound near the Forest River Bridge following an accident.

The accident has several lanes of traffic blocked, and motorists should expect delays or find another route.

The Georgia State Patrol has been called in to investigate the crash, and will be the law enforcement agency to provide details about the accident, injuries, and the investigation.
