### **Chatham County Police to Celebrate National Night Out**

**Chatham County, GA (August 6, 2019)** – The Chatham County Police Department will celebrate National Night Out tonight with community members in several different Chatham County neighborhoods.

Patrol officers and members of the department's command staff will drop by National Night Out celebrations throughout the county. Events are being hosted by the Wilmington Park, River Oaks and Henderson neighborhoods.

National Night Out is an event that gives police officers and residents the chance to get to know each other in a fun, neighborhood setting. The event began in 1984, and is often celebrated with block parties and cookouts. Community policing is one of the foundations of the Chatham County Police Department, and National Night Out is just one of many opportunities citizens have to interact one-on-one with the department's officers.
