Chatham County Police Department Investigating Shots Fired Incident at Apartment Complex

Chatham County, GA (August 14, 2019) – The Chatham County Police Department is investigating an incident where shots were fired at the Westlake Apartments early Wednesday morning.

Three people at the apartments reported they heard gunfire and ran. Two people reported that they were hit by gun shots. However, after being transported for medical treatment, it was determined that no one was hit by a bullet and that the superficial injuries most likely occurred when the young men were trying to escape the gun fire. Detectives retrieved evidence from the scene that indicates shots were, in fact, fired in the area.

Anyone who has any information is asked to call Chatham County Police at 912-652-6920 or Crime Stoppers at 912-234-2020. Tipsters are anonymous and may qualify for a cash reward.
