### **Chatham County Police Department Urges Motorists to Avoid Area Due to Structure Fire**

**Chatham County, GA (October 11, 2019)** – The Chatham County Police Department is asking motorists to avoid the area around St. George Boulevard while crews battle a major structure fire at an apartment complex.

Chatham County Police units were dispatched to the River Walk Apartments located at 101 St. George Boulevard just before 7 a.m. today. Officers on the scene say traffic will be impacted for hours while crews fight the fire and clear the scene, and motorists should avoid the area.

Chatham Emergency Services and the Savannah Fire Department are on scene and will be the media contacts for information regarding the fire, damage, and any resulting fire investigation.
