### **CNT Operation Leads to Large Cocaine, Marijuana, and Cash Seizures**

CHATHAM COUNTY, Georgia (March 11, 2019): Two people remain in custody following an operation resulting in a very large seizure of cocaine, marijuana and money.

In the early morning hours of March 4, 2019, undercover CNT agents were actively working a drug investigation that led agents to conduct a search of a semi-tractor trailer located within the borders of Chatham County. The search resulted in the seizure of four kilograms of cocaine and over 600 pounds of marijuana. Also seized was more than \$20,000 in U.S. currency and the semi-tractor trailer. CNT arrested 53-year-old Gregory Bohannon, and 58-year-old Teresea Bohannon, both of Alabama. Gregory and Teresea Bohannon were both charged with Trafficking a Controlled Substance and remain in the Chatham County Detention Center.

CNT's investigation began following a tip provided by the Pooler Police Department. Through the use of various law enforcement methods, CNT was able to develop the information and seize the drugs before they were able to be distributed throughout Chatham and the surrounding counties.

The seized drugs have an estimated street value of up to 1.2 million dollars.

CNT would like to thank the Pooler Police Department, Port Wentworth Police Department, Effingham County Sheriff's Office Drug Unit, and the United States Customs and Boarder Protection who assisted in the operation.

Said CNT Director Everett Ragan, "This operation is a prime example of CNT's capabilities and highlights how effective this unit is. The dedicated agents worked

tirelessly running down leads and the result was a large seizure that otherwise would have poisoned our community.”
