

Council of Accountability Court Judges

Judge Jason J. Deal

*Executive Committee Chair
Northeastern Judicial Circuit*

Taylor Jones

Executive Director

Pursuant to legislation, in order to receive state grant funding, Georgia's adult felony drug, adult mental health courts, DUI/OUI Courts, and Family Treatment Courts must be certified by the Council of Accountability Court Judges (Council). The same legislation also requires the Council to publish a list of certified courts on or before September 1 every year.

Below is a list of courts that are certified as of **March 1, 2017**. The list is separated by court type. You can find more information about certification on the Council's website at <http://www.gaaccountabilitycourts.org/cacj-certification>. If you have any questions about the list of courts or the certification process, please contact Josh Becker, Chief Certification Officer, at 404-463-6298.
