STATEMENT OF REASONS

The court adopts the factual findings and guideline application in the presentence report.

OR

The court adopts the factual findings and guideline application in the presentence report except
(See attachments if necessary)

Guideline Range Determined by the Court:

Total Offense Level: 40

Criminal History Category: I

Imprisonment Range: 292 to 365 months

Supervised Release Range: --- to five years

Fine Range: \$ 25,000 to \$ 4,000,000

Fine is waived or is imposed below guideline range, because of defendant's inability to pay.

Restitution \$ N/A

Full restitution is not ordered for the following reason(s):

The sentence is within the guideline range, that range does not exceed 24 months, and the court finds no reason to depart from the sentence called for by application of the guidelines.

OR

The sentence is within the guideline range, that range exceeds 24 months, and the sentence is imposed for the following reason(s): Riley was actively involved in the Michael Woodard conspiracy. Trial testimony by codefendants and witness interviews confirmed that Riley was reasonably aware of the nature and scope of the drug conspiracy and was above average in intelligence and ability. Riley counted money, weighed drugs, and provided advice to Michael Woodard during the conspiracy. Riley also received user quantities of cocaine base on numerous occasions from Woodard and other members of the conspiracy. On August 5, 1993, Riley demonstrated his role in the conspiracy by assisting Michael Woodard in the attempted purchase of ten kilograms of cocaine from an undercover DEA agent. One view of his testimony is Riley attempted to minimize his actions during his perjurious trial testimony. The defendant's actions during the instant offense and the prosecution justify a sentence within the guidelines range. Therefore, a sentence of 292 months is imposed.

OR

The sentence departs from the guideline range

upon motion of the government, as a result of defendant's substantial assistance.

for the following reason(s):
