

CHATHAM COUNTY PURCHASING & CONTRACTING DEPARTMENT

ADDENDUM NO. 1 TO RFP 19-0084-4

FOR: DESIGN / ENGINEERING SERVICES FOR AMBUC BASEBALL COMPLEX

PLEASE SEE THE FOLLOWING FOR ADDITIONS, CLARIFICATIONS AND/OR CHANGES:

QUESTIONS RECEIVED:

1. Q) Can you offer any additional clarification of the design standards to be used for the various fields?

A) The fields are to be contained within the property lines. As stated, they are to be no larger than 220' in depth and be suitable for little league baseball. The minimum amount of disruption to the existing layout of the fields would be preferred for the obvious Civil cost savings. One would also have to take into consideration the needed size of the new structure and ensure that it can be accommodated centrally among the fields with the provision of adequate circulation/pedestrian space.

2. Q) Please confirm as stated in the meeting that the field designated as the "Miracle Field" is meant to be designed in the spirit of a Miracle Field and not a "certified" Miracle Field.

A) The requested "Miracle Field" denoted in the RFP and as was stated during the pre-conference meeting is meant to be designed in the Spirit of a Miracle Field and not a "certified" Miracle Field.

3. Q) What are the qualifications for the cost estimator as required by the RFP?

A) The Cost Estimator is not required to be licensed or certified, but must show experience in projects valued between 1 - 5 million dollars and able to provide breakdown of costs in line item and digital format, i.e. Excel Spreadsheet for SD, DD and at 80%-90% completion.

NOTE: PROPOSALS REMAIN DUE BY:

5:00 PM, THURSDAY, SEPTEMBER 5, 2019

THE PROPOSER IS RESPONSIBLE FOR MAKING THE NECESSARY CHANGES AND MUST ACKNOWLEDGE RECEIPT OF ADDENDUM.
