SECTION V TECHNICAL SPECIFICATIONS

5.1 BACKGROUND AND OBJECTIVES: Chatham County was incorporated in 1777 and is governed by nine (9) Commissioners including one (1) Chairman. The County encompasses 438 square miles and has a population of approximately 290,000 citizens.

The County employs no firefighters. Chatham County Health Department is a department of the State of Georgia, however, the County insures Health Department's facilities.

The County currently has approximately 2000-2100 full, part-time and seasonal employees. Building and Contents insurance comprise the majority of the total

commercial insurance budget, with the County retaining exposures related to Workers' Compensation (except Excess), general, auto and public official's liability.

5.2 CHATHAM COUNTY INTERNAL PROCEDURES:

The County currently contracts with USI Insurance Services for insurance agent/broker services. It is the intent to award a contract to one (1) qualified broker. However, the County reserves the right to award all or part of the services requested to one (1) or more brokers if deemed to be in the best interest of the County.

Chatham County relies on the doctrines of public and official immunity as its primary claims defense. Each claim is evaluated on a case-by-case basis and the County asserts any and all defenses permitted by law.

The immunity defense does not apply to the use of licensed vehicles. The County retains the liability and physical damage exposure related to vehicles and adjusts these claims in-house. Adjudication responsibility is shared between the Risk Manager and the County Attorney.

Buildings and Personal Property has a renewal date of July 1, 2021. Designated property (building, contents and computers) are subject to annual insurance appraisals. Hartford is the current carrier for all property coverage with TIV of approximately \$430 million with a windstorm deductible of 2% TIV \$100,000 min. - \$3 Million max and a 20% Margin Clause. The county has approximately \$2million in property located on Tybee Island GA. The County has contracted with Hagerty Consulting to coordinate insurance and FEMA Claims Management.

Chatham County Mosquito Control department owns and operates four (4) helicopters. Primary function of all aircraft is mosquito abatement in Chatham County, however, helicopters are also used for police activities, fire suppression, emergency management, and out-of-County transportation. The Aviation Liability & Hull coverage has a renewal date of July 11 and is currently with ACE/Westchester. The limits of coverage are as follows: \$1M/occurrence aircraft liability and \$300,000/occurrence/ \$1M Aggregate for chemical liability. 10% [Hull Premium] no claims annual bonus.

The workers' compensation excess has a renewal date of July 1 and is currently placed with Safety National. Annual payroll is about \$100 Million. The Workers' Compensation limits are as follows: Statutory Workers' Compensation \$1 M Employers Liability Sublimit with a \$750,000/accident retention. Excess Workers' Compensation insurance will be placed by the broker of record.

Chatham County also carries fiduciary liability coverage with Travelers with a renewal date of September 18. Policy limits are \$2 million annual aggregate (includes defense costs) and provides coverage for the Chatham County Employees Retirement Plan (non-ERISA) Plan (Chatham County Section 115 OPEB Trust, Director, Officer, Trustee Chatham County Employee Benefit) with a \$10,000per claim (Per claim):

Chatham County participates in National Flood Insurance [Regular] Program (NFIP) and purchases coverage for those locations identified for mandatory coverage up to the value of the building and contents or to the maximum limit available under NFIP. See attachment schedule of locations and coverage.

Chatham County provides Public Employees Blanket Bond and Individual/Position Bonds. At expiration the County is interested in combining all position bonds into blanket bonds where possible. Chatham County currently has approximately 2000-2100 employees/eligible participants.

5.3 GENERAL QUALIFICATIONS

5.3.1 Proposals will not be considered from any firm that does not meet the following minimum qualifications:

5.3.2 Broker must be licensed to conduct business in the State of Georgia.

5.3.3 Broker must have access to Excess and Surplus Lines carriers. Please state how your firm gains access to the E&S market – i.e. preferred carrier(s) by line.

5.3.4 Broker must have a minimum of five (5) years' experience in structuring government insurance programs – preferably Georgia governments.

5.3.5 Broker must have a minimum of two (2) qualified principals or a combination of principal and customer service representative, each with a minimum of five (5) years government insurance program experience.

5.4 SCOPE OF SERVICES: In addition to the objectives outlined in the background and general qualifications sections of this proposal, we are requesting your firm address its capabilities and ability to comply with the following scope and questions below.

5.4.1 QUALIFICATIONS: (To be addressed as a part of Section 4.5.2)

- A. Obtain quotes from insurance carriers and negotiate best terms and conditions for all commercial accounts. All quotes are to be presented in writing to the Risk Manager. Declinations should also be in writing and presented to the Risk Manager
- B. Broker will continue coverage through existing carriers unless alternatives are proven more effective and/or cost beneficial.
- C. Explain the intent behind application of a 'margin clause' on a Building and Personal Property policy including blanket coverage with an agreed amount endorsement. What coinsurance percentage is applicable; how the margin clause is applied after a loss; how the margin clause may limit recovery; and how the insured can maximize coverage.

- D. On May 29, 2008, the Federal Emergency Management Agency (FEMA) issued Fact Sheet DAP9580.3, Insurance Considerations for Applicants. Please provide an overview of the important elements of Fact Sheet DAP9580.3 as it relates to the Public Assistance (PA) Program. In addition, please briefly discuss how the elements contained in Fact Sheet DAP9580.3 would affect how your firm would design the components of a commercially insured building and contents property insurance program [government entity] on a pre-disaster and post-disaster basis. Your response should be guided by the three key provisions of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), 42 USC.5121-5206, as amended, and 44 Code of Federal Regulations (CFR) §§206.250,206.252, and 206.253.
- E. Discuss your firm's experience in designing and managing an Owner/Contractor Controlled Insurance Program. Explain the advantages and disadvantages of such a program and how a project is evaluated to determine if implementation is feasible. If the County determines an Owner/Contractor Controlled Insurance Program is beneficial, the design, implementation, and administration will be considered outside the scope of any contract arising from this RFP.

5.4.2 REPORTING REQUIREMENTS:

- A. Broker shall prepare an annual marketing strategy for all coverage including identifying current or expected market conditions.
- B. At renewal of each line of coverage, identify (in writing) which markets were contacted; which markets provided quotes; which markets declined to quote; and reason(s) for declining. Chatham County requires all quotations and or proposals be submitted to the Risk Manager no later than 15 days prior to the effective date of coverage.
- C. Prepare an annual summary report including a schedule of policies in force, coverage provisions, premiums, and prior year claims experience and recommendations for possible adjustments to coverage for the next policy year. The summary report shall also provide a summary of broker support services rendered during the prior year, with recommendations for broker services for the subsequent year.
- D. Provide a contact person(s) for response to day-to-day insurance claim questions and provide other services normally and customarily required of a broker.
- E. Meet periodically with the Risk Manager to discuss loss control issues, exposure changes, and general administrative matters and monitor the

viability and cost effectiveness of the County's entire insurance and risk management program(s).

5.4.3 FINANCIAL MANAGEMENT: (To be answered as a part of Section 4.5.3)

- A. Broker services will be invoiced quarterly.
- B. Discuss your firm's philosophy with regard to contingent commissions.
- C. Broker services are to be provided on a "net of commission" or fixed fee" basis. Chatham County recognizes flood insurance cannot be written net of commission. Flood insurance commissions will be considered in addition to the annual "fixed fee." The selected broker is required to disclose commission percentage.
- D. Describe how would you service existing insurance policies including, but not limited to, adequacy of coverage; develop options to address any coverage deficiencies; process policy changes; update applications; answer questions; trend property values; evaluate the financial stability of current and prospective insurers; and issue certificates of insurance.
- E. Describe how you would assist the County in developing insurance requirements for various vendor contracts (i.e. design, construction, service) and review insurance policies, certificates of insurance, contracts, leases, and bonds as requested by the County.

5.4.4 LOSS CONTROL AND CLAIMS AUDITING SERVICES: (To be answered as a part of Section 4.5.3)

- A. Briefly describe your experience providing loss control services to public entities. Include the name(s) and qualifications of the personnel that provide this service.
- B. Briefly describe your experience providing claims auditing services to public entities. Include the name(s) and qualifications of the personnel that provide this service.
