QUESTION RECEIVED:

Q) In Part 6.1, field personnel must be OSHA certified, which certification or card does the County approve the contractor to have?

There are 10 hour courses in the OSHA outreach program and 30 hour courses that issue a DOL card. If it's the 30-Hour course, should Contractors choose the Construction Industry or General Industry program?

A) The OSHA 10 hour Outreach Training would be adequate. The contractor would need to attend the Safety Orientation of the General Contractor prior to beginning the work.

BID OPENING REMAINS: 2PM, FRIDAY, APRIL 16, 2021

THE PROPOSER IS RESPONSIBLE FOR MAKING THE NECESSARY CHANGES AND MUST ACKNOWLEDGE RECEIPT OF ADDENDUM.
