

CHATHAM COUNTY SHERIFF'S OFFICE

invites our community to

FLOCK TOGETHER

TO SUPPORT THE FIGHT AGAINST BREAST CANCER

Throughout the month of October, you can surprise your family or friends with a lawn full of brightly colored pink flamingos.

For a donation of \$40, The Flamingo Crew will deliver ten flamingos to an unsuspecting lawn where they've been directed to roost for one week. Along with the flock comes a little plush flamingo to be picked up at the Sheriff's Office. At the end of the week, the flock will be picked up, but the cute little plush flamingo is yours to keep!

If you don't like brightly colored flamingos in your yard, you can **protect your lawn from the flocks!** Purchase "flocking insurance" for a donation fee of \$40 (comes with little plush flamingo).
