

Monday, July 13, 2020 - Sheriff John T. Wilcher has issued the following COVID-19 update:

The Chatham County Sheriff's Office (CCSO) has a fifth confirmed case of one staffer with COVID-19. They are isolated at home and have not been at work since Tuesday, July 7, 2020.

To date, the Chatham County Sheriff's Office has four inmates recovered from COVID-19 and one inmate currently COVID-19 positive, quarantined in medical. Two staffers are confirmed recovered and working. Three staffers are COVID-19 positive and isolated at home. Two staffers have received their first negative test and are awaiting results of the second tests. Both state they are feeling well and ready to come back to work. CCSO requires two negative tests, a minimum of 24-hours apart before the staffer or inmate is confirmed recovered from COVID-19.

CCSO is working to maintain a safe and healthy environment for inmates, staff and our community. For updates, follow #CCSOHealth, www.chathamsheriff.org, informational videos on the [CCSO YouTube channel](#) and [Facebook page](#).
